Multimodal Analysis in Academic Settings Belinda Crawford Camiciottoli,Inmaculada Fortanet-Gómez,2015-05-22 This volume presents innovative research on the multimodal dimension of discourse specific to academic settings with a particular focus on the interaction between the verbal and non verbal in constructing meaning Contributions by experienced and emerging researchers provide in depth analyses in both research and teaching contexts and consider the ways in which multimodal strategies can be leveraged to enhance the effectiveness of academic communication Contributors employ both quantitative and qualitative analytical methods and make use of state of the art software for analyzing multimodal features of

discourse The chapters in the first part of the volume focus on the multimodal features of two key research genres conference presentations and plenary addresses In the second part contributors explore the role of multimodality in the classroom through analyses of both instructors and students speech as well as the use of multimodal materials for more effective learning The research presented in this volume is particularly relevant within the context of globalized higher education where participants represent a wide range of linguistic and cultural backgrounds Multimodal Analysis in Academic Settings contributes to an emerging field of research with importance to an increasing number of academics and practitioners worldwide

Back to School Murder Leslie Meier, 2012-12-10 An assistant principal is found dead and a sleuthing mom studies the clues Captivating well written and just plain fun Tulsa World It s back to school time in the peaceful Maine town of Tinker s Cove and for Lucy Stone mother of four it isn t a moment too soon But trouble at the local elementary school soon has the sometime crime solver juggling family job and night classes with another mystery And it starts with a bang A bomb goes off with the noon lunch bell but not before all the kids are safely evacuated and Carol Crane the new assistant principal is hailed as a hero But days later Carol is found murdered and everyone is stunned when the most popular teacher at the school is arrested for the crime However not everyone is buying the open and shut case including Lucy who s about to uncover some sizzling secrets and explosive surprises and get an education in the fine art of murder in this lively mystery from the New York Times bestselling author Publishers Weekly I like Lucy Stone a lot and so will readers Carolyn Hart New York Times bestselling author of the Bailey Ruth Mysteries Peanuts and American Culture Peter W.Y. Lee, 2019-05-17 Peanuts creator Charles M Schulz insisted good ol Charlie Brown and his friends were neither great art nor significant Yet Schulz s acclaimed daily comic strip syndicated in thousands of newspapers over five decades brilliantly mirrored tensions in American society during the second half of the 20th century Focusing on the strip s Cold War roots this collection of new essays explores existentialism the reshaping of the nuclear family the Civil Rights Movement 1960s counterculture feminism psychiatry and fear of the bomb Chapters focus on the development of Lucy Peppermint Patty Schroeder Franklin Shermey Snoopy and the other characters that became American icons Diana Mallory Mrs. Humphry Ward, 1908

After Adorno Tia DeNora, 2003-11-06 Theodor W Adorno placed music at the centre of his critique of modernity and broached some of the most important questions about the role of music in contemporary society One of his central arguments was that music through the manner of its composition affected consciousness and was a means of social management and control His work was primarily theoretical however and because these issues were never explored empirically his work has become sidelined in current music sociology This book argues that music sociology can be greatly enriched by a return to Adorno s concerns in particular his focus on music as a dynamic medium of social life Intended as a guide to how to do music sociology this book deals with critical topics too often sidelined such as aesthetic ordering cognition the emotions and music as a management device and reworks Adorno s focus through a series of grounded examples
