Although this puts a strain on any time together their relationship continues until one day Misha simply disappears Months later their paths cross again but the encounter is stilted and awkward until Mark discovers why Finding her journal accidentally left in his car he reads it and learns about the desperate world Misha is a part of where she has experienced abandonment eviction sexual assault and where even now she is considering suicide Mark attempts to rescue her again but the effort this time is far more difficult than diving into a pool Mark must learn to live with ambiguity and loss even as Misha seemingly disappears from his life again Ultimately the story is about a hard won hope and the miracle of a friendship that stands the test of time Normal Instructor and Teachers World ,1905 **Herald of Gospel Liberty** Elias Smith,1914
