screaming at her child or exploding at her husband When Dubin pushed past her shame and talked with other mothers about how she was feeling she realized that she was far from alone Mom Rage is Dubin s groundbreaking work of reportage about an unspoken crisis of anger sweeping the country and the world She finds that while a specific instance of rage might be triggered by something as simple as a child who won t tie her shoes the roots of the anger go far deeper from the unequal burden of childcare shouldered by moms to the flattening of women s identities once they have kids Drawing on insights from moms across the spectrum of race sexual orientation and class she offers practical tools to help readers disarm their rage in the moment while never losing sight of the broader social change we need to stop raging for good *The Popular Girls Book Series* Raven Riley,2011-07-26 My book is about three girls who are very mean and rich They came from different states and they also run the school The three popular girls are so very rich and very spoiled to the bone Each of the three girls have different personalities they are always expressing their styles of clothes that all 3 of them wear to school everyday Chloe tries to spend all of her money so she can buy clothes online She does not get along with her sister Amy Chloe hates going to school every day she is mean to a lot of people at that school Chloe never gets to spend any time with her beau because she is always working and also doing her homework after she gets off from work The two of them argue a lot She does not have the perfect family She is the hottest chick at school Summer is just the sweetest person that you will ever meet She does not always yell at people Her favorite color is yellow Summer has a sister named Naomi Let me tell you something else they never agree on anything with each other you could possibly name of The two of them would definitely honestly fight about it Summer used to have a boyfriend named Max but I am not going to tell you what happened to their past relationship Kaylee was the more fly chick and a hot sexy chick She was not always so sweet for looks can be so deceiving She can stay mad at anyone for a very long time It takes her a long time to get over something that made her very angry I totally forgot where Kaylee lives anyway Kaylee loves going to school she is a straight A student She loves to party with her friends and drink all night long Kaylee really does not have a curfew she can come home anytime She would never date any guys that have really bad breath Kaylee s high school sweetheart is Jake Stanley The two of them have been dating ever since middle school and now in high school She fell head over heels for that guy He rides motorcycles He is basically the love of her life Jake and Kaylee do everything together like going out dancing or hanging out with his friends They make the perfect couple He makes her laugh and smile They both make each other happy What they have is real love not puppy love So you need to read to find out what happens to these three girls in my book It is a very interesting book You are going to really like it It is very funny at the same time and very sad too There are a lot of funny parts in the book that make me laugh **Story Of A Blind Girl** Shanmughapriya,2022-02-08 In this book initial part you will find a moment of a couple who has been six years with each other and in someway they have a fight after which they try to drift apart and get insecure in their relation this chapter is to make us realise that blind people could not see people and they take time to understand the situation and maintaining a
