Dantzler, 2020-09-02 Book Delisted *My Twisted Life* Suzie Q Valentine, 2009-06-12 Normal 0 false false false

MicrosoftInternetExplorer4 *My Twisted Life* is about the life of Randolph Douglas Hopkins His voice takes the reader on a journey through Randy's first childhood memory of being brutally beaten for a crime he didn't commit Then living in unimaginable pain as punishment for that crime With a strong will to live and simply being too stubborn to die he endured brutal amputations and bullet wounds using his self-taught skills to patch himself back together Randy never knew his father and can't remember even knowing his name He grew up roaming the country with his psychotic mother and alcoholic stepdad never knowing any stability in his life With little formal education due to the frequency and extent of his wounds and the gypsy lifestyle of his folks he used his self-driven motivation to educate himself in the skills that he most needed to survive

Aside from the basics of reading and writing he became skilled in street smarts and survival with things such as petty theft pool hustling as well as doctoring and mind control He turned to drugs at a young age and used heavily throughout half of his childhood and all of his teen years He was constantly faced with life threatening obstacles and always found himself longing for death but yet struggling to live Randy was determined to not let the abuse against him result in his death so he struggled to do what ever it took to stay alive Along the journey of his life he made true friends and true love Step inside Randys memories as he tells his story *American Comeback* Jim Bickford,2013-05 *A Nice Tuesday* Pat Jordan,2016-04-19 A middle aged man tries to return to baseball and become a better husband and father in this funny heartfelt memoir by the author of *A False Spring* One of baseball s original bonus babies Pat Jordan signed with the Milwaukee Braves in 1959 and then proceeded to struggle mightily in the minor leagues over the next three years Depressed and frustrated he gave up on baseball and eventually discovered his true calling as one of American s greatest sportswriters But the unfulfilled promise of his youth continued to haunt Jordan until at the ripe old age of fifty six he resolved to get back into shape and rediscover his fastball Come hell or high water he would pitch again this time for the Waterbury Connecticut Saints an independent minor league team made up of players half his age Eloquent honest and delightfully bawdy *A Nice Tuesday* is the sequel to Jordan s acclaimed memoir *A False Spring* and the unforgettable chronicle of a sports comeback unlike any other **The Broke Diaries** Angela Nissel,2001-06-12 People always say I m going to look back on these days and laugh why put it off When Angela Nissel found herself struggling financially while in college instead of sulking she decided to entertain herself by creating an online journal that chronicled her day to day trials and tribulations Written with humor and intelligence her *Broke Diary* quickly found an audience as people wrote to Angela to empathize with console and laugh with her about her experiences and even share their own *The Broke Diaries* is the first complete compilation of her experiences written in a voice that is funny unique and dead on On buying ramen noodles I am soooooo embarassed I only have 33 cents I please don t laugh put the money on the counter and quickly attempt to dash out with my Chicken Flavored Salt Noodles The guy calls me back I look up instinctively I should have run Why didn t I run He tells me the noodles are 35 cents I try to apologize sincerely I thought the sign said 33 cents yesterday so that s all I brought with me Could he wait while I ran home and get the 2 cents I show him my student I D to let him know I am not a thief He shakes his head and motions either for me to get the hell out of his store and never come back again or get the money as do come back I don t know He said something like Nyeh and swiped his hand in my direction I can t translate hand motions well The noodles tasty **Coming Back** Jeffery L. Riot Isaac Tago,2011-11-04 Cale Valens a graduating eighteen year old recluse has become unsatisfied with the everyday life of an average teenager attending Stellar High School Nothing explosive ever happened in the dull city of Irvine California to brighten his day no tragedies seemed to befall him as he ran a cheese less mouse maze back and forth from home to school and certainly no one ever tried to kill himgiven that he barely had anything much to live for as it was He doesnt realize that everything he knew is all about to change as a mysterious toxin awakens a part of his personality that challenges his humanity as he and a handful of other students around him encounters what seems to be the end of life as they know it Surviving an unfortunate attack after Stellar was quarantined starts to become almost an unlucky outcome for them as they are hunted even in their time of despair They start to find that even in a supernatural world there is a race for control as others try to regulate them Luckily Cale Valens always had a knack for rebellion and it was a necessary time for his inner monster to start a riot against the world if he can survive the malice the world had waiting for him
