and father James Vavasour offers a real time week by week account of his journey from pursuing the perfect pregnancy to learning to let go of control James documented his experiences as they happened in order to capture them in all their wonder neuroses and panic This rare honest and unmoderated male perspective on pregnancy will be educational for any couple thinking of starting a family For those already pregnant it is a funny relatable and often neurotic vision of the day to day struggles encountered during this profoundly hormonal time in a couple s life If you ve ever had to settle on a baby s name or the color of a nursery be publicly humiliated during birthing classes or run the obstacle course otherwise known as a grocery store with someone days away from delivery you ll understand **Chopper Unchopped** Mark Brandon "Chopper"

The Best Dead Husband in the World Kathy Reichert, 2006-03 Kathy Reichert and her husband Dick have been married fifteen years Dick has been dead for three of them I became a widow just like that half of a whole alone in navigating an abyss of emotion Somehow we needed to weather this together to remain partners in life and in death This is our story of spiritual connection how we found ways to break barriers when possible and to crack the symbolic codes of communication between loving longing souls I share my story for many reasons Perhaps the more important of these is to show that ordinary people can have extraordinary spiritual experiences that this is both healthy and helpful There is a misconception that after death communication is disruptive to the grieving process I believe that each of us has an assigned team of experts on the other side You can call them angels or guides or spirit families I call them the Wise Ones They are there to help us through life Therefore they offer only those gifts that we need to aid our growth So if we spend too much time looking for signs and do not move forward with our lives they will stop This is a team effort You can't get lazy
