Atkinson,2020-01-07 The Lion s Den HB By Frank B Atkinson The Lion s Den is essential reading for anyone whose confidence in American democracy has been shaken by recent events There is plenty to discourage and alarm us these days the supply of negative political role models real and fictional seems endless Frank Atkinson leaves no doubt that we can do better and be better Just in time it seems he arrives with some exemplary political characters a powerfully uplifting story and a summons to get to work restoring the ethic of principled citizenship and service that reflects the better angels of our nature and offers hope for bringing Americans together again LARRY J SABATO Director UVA Center for Politics The Lion s Den offers a prescription for American renewal at a time of eroding confidence in our political institutions and growing confusion about our national purpose In Frank Atkinson s formulation there are no quick fixes for our broken politics no easy cure for what ails our democracy A republic s community spirit and capacity for constructive self governance depend on a consensus about essential values and the active choice to practice promote and perpetuate those values The ethic of principled citizenship and service that Atkinson considers indispensable for American renewal is not an inherited trait like every ethic it is a character requiring cultivation And it is strongest when grounded in personal faith and integrity illuminated by hard learned lessons from history and experience inspired by worthy human exemplars propelled by the optimistic pursuit of a more perfect union and kindled in a culture of mutual respect and forbearance guided by the Golden Rule No starry eyed idealist Frank Atkinson s major nonfiction works *The Dynamic Dominion* and *Virginia in the Vanguard* turned a candid lens on the hard fought modern politics of his native state In *The Lion s Den* he offers a compelling fictional account of life in the political arena at once a venue for selfless contribution and palace of selfish ambition Inspired by timeless lessons from the Book of Daniel Madison s vision of competition and compromise and the colorful politics of his contemporary Commonwealth Atkinson places his characters in a

modern day lion's den where they grapple with vexing moral and practical choices. But Atkinson's players find the grace to come together and he suggests so can we. **Spirit and Soul** Peter Mokhatas, 2016-09-08. By all accounts Dr Jonathan Isaac Holt lived a terrific life. He was a distinguished professor and best-selling author, was greatly respected in his field, and was blessed with a wife and a child. However, under the surface, a cauldron of emotions stirred within him. Years before, he walked away from his true love, leaving him detached from the accomplishments that otherwise surrounded him. This detachment had a profound effect on his family, leaving Brenda, his wife, and Jean Louise, his daughter, to wonder what had become of their family. Tragedy struck when an accident took Brenda and Jean Louise's lives, shattering any semblance of happiness that remained within him. While enduring immense grief, unfamiliarity, and longing for his lost past, he entered a deep state. When he emerged, he found himself somewhere he had never been before. Standing before him was Dante Alighieri, the supreme poet. Dante reveals to Dr Holt that he will be taking him on a spiritual pursuit in heaven, reversing his role from *Divina Commedia* to become the attendant for Dr Holt's sojourn. *Spirit and Soul: A Journey* tells the story of Dr Holt's past seen through multiple points of view, as it has brought him to the point he is at today, and intertwining with revelations about the very nature of existence, both in the physical and spiritual worlds. Dr Holt will be learning about life's deep-seated mysteries among them: the nature of love, sin, free will, religion, faith, the Holy Spirit, and the meaning of life.
