## Me N Elvis:

**Me 'n Elvis** Charlie Hodge, Charles Goodman, 1984      *Straight White Men Can't Dance* Addie Tsai, 2025-08-21 *Straight White Men Can't Dance* American Masculinity in Film and Popular Culture investigates a trope proliferating throughout popular American media over the last half century that straight white men can't dance Addie Tsai traces this reiterative moving image of vaudevillian buffoonery in film television and video from the mid 1980s to present day During the height of homophobic hysteria in response to the AIDS epidemic dance began to be used as a marker to scrutinize white men's position within homosexuality and masculinity Therefore white men could misperform good dancing to more securely sit within hegemonic masculinity Tsai establishes how ethnic mimicry within American popular media even that of white masculinity is produced and reiterated from the 19th century theatrical practice of blackface minstrelsy This history resurfaces in one of the exceptions to the trope when white men use the hip currency of blackness to affirm their dancing masculinity through theft and positionality By revealing how dance in American popular media reifies and problematizes gendered and racialized economies *Straight White Men Can't Dance* demonstrates how the image of the buffoonish white male dancer operates as a smokescreen for the more violent manipulative forces of the reigning figure of white supremacy      Routledge Library Editions: Feminist Theory Various, 2021-08-07 *Routledge Library Editions Feminist Theory* brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from *The Liberation of Women* to *Feminists and State Welfare* from *Married to the Job* to *Julia Kristeva* this set provides in one place a wealth of important reference sources from the diverse field of gender studies      **Feminist Praxis (RLE Feminist Theory)** Liz Stanley, 2013-05-20 Feminist social scientists often find that carrying feminism into practice in their research is neither easy nor straightforward Designed precisely with feminist researchers in mind *Feminist Praxis* gives detailed analytic accounts of particular examples of feminist research showing how feminist epistemology can translate into concrete feminist research practices The contributors all experts in their field give practical examples of feminist research practices covering colonialism child minding gay men feminist social work cancer working with young girls using drama Marilyn Monroe statistics even the writing and reading of research accounts These detailed accounts are located in relation to the position of feminism and of women generally in the academic world and looked at in the light of discussions debates and controversies about feminist methodology across several disciplines *Feminist Praxis* is unique in combining theoretical discussion of feminist methodology with detailed accounts of practical research processes This blend of the practical and the theoretical will make it an invaluable text for feminists carrying out research at all levels and it will also appeal to those interested in the relationship between theory method and feminist epistemology      **whittled people** allan lloyd trott, 2013-10-04 Carvin Marvin was always at home with encyclopedias pajamas and spruce gum but he's now in for the ride um run of his life He has researched everything about each part of the Maine woods except who they are There are lots of facts out there including
