Mealtime Habits Of The Messiah:

Mealtime Habits Messiah Conrad Gempf, Conrad H. Gempf, 2005 Combining the lateral thinking of a postmodern wise cracker with the creedal certainties of a conservative evangelical scholar this book about 40 encounters with Jesus informs the contemporary obsession with how Jesus would behave What would Jesus do while drawing readers back to the cross as the central message of our faith

Paul, Man on a Mission Bob Hartman, Conrad Gempf, 2017-10-20 Paul wasn't one of Jesus' friend in fact he really didn't like the whole Jesus crew at all They were wrong Even worse they were telling lies that confused people about how to live properly in God's way But Paul's life journey is about to be dramatically turned upside down when he actually meets Jesus himself In a blinding flash encounter he is given an assignment from God in a mission that will change the lives of Jewish and Gentile people across the world Here storyteller and scribe Maximus details Paul's dangerous thrilling and adventurous journeys

A Meal with Jesus Tim Chester, 2011-04-07 Meals have always been important across societies and cultures a time for friends and families to come together An important part of relationships meals are vital to our social health Author Tim Chester sums it up Food connects Chester argues that meals are also deeply theological an important part of Christian fellowship and mission He observes that the book of Luke is full of stories of Jesus at meals These accounts lay out biblical principles Chester notes The meals of Jesus represent something bigger Six chapters in *A Meal with Jesus* show how they enact grace community hope mission salvation and promise Moving from biblical times to the modern world Chester applies biblical truth to challenge our contemporary understandings of hospitality He urges sacrificial giving and loving around the table helping readers consider how meals can be about serving others and sharing the grace of Christ

Twenty Four Krish Kandiah, 2008-02-01 In a cliché free zone *Twenty Four* suggests practical ways that we can discover a more 24/7 approach to discipleship It is real stimulating and designed to make you think about the stuff that makes up the daily diet called life Taking a day in the life of an ordinary person it is designed for Christians everywhere to gain an exciting new perspective on all parts of their lives and shows how every aspect can be part of worship Each chapter is filled with illustrations from modern culture and the biblical viewpoint on each area is considered Through Krish Kandiah's thoughtful and original teaching we see how to serve and worship our amazing God in each of these With a brand new cover and internal design *Twenty Four* now includes discussion questions at the end of each chapter *Twenty Four* can be used in small groups or in mentoring situations

A Letter from Christ Kerry D. McRoberts, 2012-02-15 Our nation is politically ideologically and socially polarized to the point of breaking confusion dominates every layer of our culture The church in America is a letter from Christ 2 Cor 3:3 written to our politically cynical socially insecure and spiritually skeptical culture Before the Gospel may become clear in our post everything culture we must make truth real in our hearts The purpose of this book is to 1 redefine dualistic frames in the minds of contemporary Christians that separate the saved from the advent of God's healing reign on Earth 2 relate Christian compassion to a post secular America and 3 propose a

Christians how to use the Bible to live well It has eight sections living faithfully distinctively emotionally imaginatively discerningly purposefully infectiously and hopefully Each provides an introduction to a different kind of literature within the Bible and follows with questions for discussion and five days of daily readings Recovering the Love Feast Paul Fike Stutzman,2011-01-01 What is a Love Feast How did the early church celebrate the Love Feast How might Christians today celebrate the Love Feast In Recovering the Love Feast Paul Stutzman addresses these questions offering a unique blend of liturgical history and practical theology Part I outlines the history of the Love Feast noting its prevalence in early church worship its gradual decline and its reemergence in the practices of several Pietist groups e g the Moravians Methodists and Brethren Particular focus is given to five elements of the celebration that is eucharistic preparation footwashing the fellowship meal the holy kiss and the Eucharist proper In Part II Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast Rather than prescribing a specific method for celebrating the Love Feast Stutzman proposes that there are five key disciplines that today s Love Feasts should embody submission love confession reconciliation and thanksgiving This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast with the hope that each celebration serves as an act of worship to God and an authentic expression of Christian discipleship *Stories of the Second Swordsman* Heard Lowry,2014-10-06 *Stories of the Second Swordsman* is a collection of allegorical stories written from the viewpoint of a man who was a follower of Christ while He was here on earth They illustrate spiritual insights in a way that is intended to stimulate thought about the Kingdom of God and draw in references to occurrences and lessons from the Scriptures The tales are presented in a first person narrative of a follower who journeyed through the land on a mission to present the Good News They portray what life might have been like during the unfolding of the Greatest Story Ever Told The collection is organized into four parts to consider aspects of the mission the creative nature of our response struggles that are encountered along the way and how our spiritual ideas can be reshaped The stories are meant to be thought provoking and inspiring The Secret Message of Jesus Brian D. McLaren,2007-04-01 When Brian McLaren began offering an alternative vision of Christian faith and life in books such as *A New Kind of Christian* and *A Generous Orthodoxy* he ignited a firestorm of praise and condemnation that continues to spread across the religious landscape To some religious conservatives McLaren is a dangerous rebel without a doctrinally correct cause Some fundamentalist websites have even claimed he s in league with the devil and have consigned him to flames To others though Brian is a fresh voice a welcome antidote to the staleness superficiality and negativity of the religious status quo A wide array of people from Evangelical Catholic and Mainline Protestant backgrounds claim that through his books they have begun to rediscover the faith they d lost or rejected And around the world many readers say that he has helped them find for the first time in their lives a faith that makes sense and rings true For many he articulates the promise of what is being called emerging Christianity In *The Secret Message of Jesus* you ll find what s at the center of Brian

s critique of conventional Christianity and what s at the heart of his expanding vision In the process you ll meet a Jesus who may be altogether new to you a Jesus who is Not the crusading conqueror of religious broadcasting Not the religious mascot of partisan religion Not heaven s ticket checker whose words have been commandeered by the church to include and exclude judge and stigmatize pacify and domesticate McLaren invites you to discover afresh the transforming message of Jesus an open invitation to radical change an enlightening revelation that exposes sham and ignites hope an epic story that is good news for everyone whatever their gender race class politics or religion Pastor and best selling author McLaren revisits the gospel material from a fresh and at times radical perspective He does an excellent job of capturing Jesus quiet revolutionary style Publishers Weekly starred review Here McLaren shares his own ferocious journey in pondering the teachings and actions of Jesus It is McLaren s lack of salesmanship or agenda that creates a refreshing picture of the man from Galilee who changed history Donald Miller Author of Blue Like Jazz In this critical book Brian challenges us to ask what it would mean to truly live the message of Jesus today and thus to risk turning everything upside down Jim Wallis Author of God s Politics and editor of Sojourners Compelling crucial and liberating a book for those who seek to experience the blessed heat of Christianity at its source Anne Rice Author of Christ the Lord Out of Egypt

Pioneering Spirituality Cathy Ross,Jonny Baker,2015-10-30 Pioneering ministry sounds like something you do something active even something driven However prayer and contemplation are at its heart paying attention to God to the world and to oneself a kind of being that goes hand in hand with doing Pioneering requires a spirituality that will fuel a life lived beyond the borders of the church In this collection a range of practitioners explore the inner and outer dimensions of pioneering spirituality Offering many proven and innovative ideas they explore what resources fuels and sustains a life of pioneering mission What is the spirituality in the UK s wider culture and how do we connect with it appropriately How might spiritual treasures such as the Eucharist prayer pilgrimage spiritual direction and community rhythms of life be expressed to those with whom pioneers share life And how might communities of disciples grow and be formed in this pioneering spirituality

A Gen-R Journey David Wallin,2019-10-02 The primary intention of A Gen R Journey is to bring to light the ongoing unfolding eternal walk of the author who is just one of today s disciples of Yeshua Ha Mashiach also called Jesus Christ The changing tone the evolving subject matter and the developing writing style captured in sequential Bible messages reflect the author s spiritual growth between 2011 and 2017 By detecting the author s growth through these messages the reader may find his or her own benchmarks in their Gen R journey Hopefully A Gen R Journey will inspire non believers to become believers believers to become disciples and disciples to fulfill all the plans God has for each of us and become the salt and light we are created to be As the reader journeys from one message to the next it is my prayer that light would be shed on the growth of your relationship with the Father the Son and the Holy Spirit regardless of whether you are old or young in age or old or new in the faith If you are a scoffer may your eyes be opened If you are already a believer do not settle for salvation If you are a

disciple do not just be a hearer of the Word but a doer Do not settle for just being a doer but come into full agreement with the Father through His Word Jesus said Greater works that these you shall do Are you doing greater works than He did Have you fulfilled all the plans He has for you A journey through A Gen R Journey should inspire each of us to take the next step in our walk into the immeasurable glorious Kingdom of God *Love: Expressed* Tristan Sherwin, 2015-10-23 You may be looking at the back of this book watching as someone else is reading it a book entitled *Love Expressed* And you're thinking They must have issues So to help them out for a moment This isn't another one of those self help manuals This isn't a book about romance and sex or feelings and cuddles This isn't a guidebook offering relationship advice giving tips on how to find love and look after it In those senses this isn't even a book about love It's a book about life every part of it About how it should be lived how it should be explored how it should be expressed This is a book about meaning about life's trajectories It's about God It's about you It's about them In that sense this is all about love But if I could capture here what I mean by love in that sense I wouldn't have needed to write a book Tristan Sherwin has written a smart and beautiful book showing us that Jesus Christ is the love of God expressed as a human life This is the life we are called to imitate this life of love is what we are made for Brian Zahnd Author of *A Farewell To Mars* Refreshing authentic inspiring and yet practical Tristan is a breath of fresh air Jeff Lucas Author Speaker Broadcaster *Love Expressed* is a work of dirt under your fingers spirituality Jonathan Martin Author of *Prototype*
