Mean With Money:

Your Money and Your Life Keith Tondeur, 2010-08-19 How we handle money and possessions is central to our spiritual health and our emotional well being This book does not set out to provide all the answers but it aims to help us ask some of the important questions about what it means to be a faithful disciple of Jesus Christ around money and possessions Nor is this a matter for just our personal discipleship We need to be praying for our nation especially for Christians who work as economists and bankers and politicians We need to pray that what emerges from this turbulent period is a more gentle form of wealth creation less aggressive less driven by profit more underpinned by spiritual social and moral values God and Money Nimi Wariboko, 2008-01-01 Making a case for a denationalized global currency as an alternative to the dollar euro and yen as the world vehicular and reserve currencies God and Money explores the significance and theological ethical implications of money as a social relation in the light of the dynamic relations of the triune God Wariboko deftly analyzes the dynamics at work in the global monetary system and argues that the monarchical currency structure of the dollar euro and yen may be moving toward a trinitarian structure of a democratic world currency **Money** David Kinley, 1909 **A Spiritual Guide to Money** Mark S.
