Public Funding of Higher Education Edward P. St. John, Michael D. Parsons, 2005-09-23 Much of the twentieth century saw broad political support for public funding of American higher education Liberals supported public investment because it encouraged social equity conservatives because it promoted economic development Recently however the politics of higher education have become more contentious Conservatives advocate deep cuts in public financing liberals want to expand enrollment and increase diversity Some public universities have embraced privatization while federal aid for students increasingly emphasizes middle class affordability over universal access In Public Funding of Higher Education scholars and practitioners address the complexities of this new climate and its impact on policy and political advocacy at the federal state and institutional levels Rethinking traditional rationales for public financing contributors to this volume offer alternatives for policymakers administrators faculty students and researchers struggling with this difficult practical dynamic Contributors M Christopher Brown II Pennsylvania State University Jason L Butler University of Illinois Choong Geun Ching Indiana University Clifton F Conrad University of Wisconsin Madison Saran Donahoo University of Illinois James Farmer JA SIG uPortal James C Hearn Vanderbilt University Janet M Holdsworth University of Minnesota Don Hossler Indiana University John R Thelin University of Kentucky Mary Louise Trammell University of Arizona David J Weerts University of Wisconsin Madison William Zumeta University of Washington

Advances in Research on Reading Recovery Jerome V. D'Agostino, 2018-12-07 There is no shortage of innovative educational programs the challenge is learning how to scale and sustain those with strong evidence of effectiveness This book focuses on Reading Recovery one of the few educational innovations that has successfully expanded and established itself in several educational systems in the world Developed by Marie Clay in New Zealand during the mid 1980s Reading Recovery is an intensive intervention for young students who are struggling to learn how to read and has expanded to several countries across the globe over the last 30 years Providing evidence of the intervention's effectiveness both in the short and long term this volume presents in depth studies to elucidate why the program is effective discusses the trials and tribulations in scaling and sustaining the program and approaches

scaling and maintaining from theoretical and practical perspectives The contributors to this book explain how Reading Recovery has established itself because it has maintained a strong focus on evidence developed a deep sense of community among its practitioners and was at the forefront in enhancing professional development of the teachers who delivered the intervention Understanding the implementation experiences of the intervention is beneficial for any innovation developer who wishes to grow and sustain an intervention The chapters in this book were originally published as articles in the Journal of Education for Students Placed At Risk *Preparation for State-mandated Testing* David J. Johnson,2005 Timbuktu Academy's U-Turn Warrington S. Parker Jr.,Bernard F. Parker Jr.,Brenda A. Cunningham-Parker,2024-12-26 This is a story about the Academy s rich history encompassing its successes challenges the impact of location changes growth issues with teacher certifications and schoolwide assessment results It also highlights the Academy s value to the community This school serves underserved deserving students living in a poverty level community with many children experiencing chronic toxic stress conditions that adversely affect their brain development and learning **The National Education Priorities of the President and the U.S. Department of Education, Striving for Excellence, Volume IV: 2000** ,2000 *This Is Your Government on Drugs* Michael Page,2015-11-30 This is Your Government on Drugs is a retired history teacher s take on the divisiveness and gridlock that have allowed problems to fester and grow since shortly after the Cold War ended in victory in 1989 The United States has spiraled into deeper debt and lost respect around the world as domestic and foreign problems worsen for lack of serious discussion and the will to do what is best for this country and its people Safe electoral districts the influence of big money and the focus on political wins have trumped the welfare of American citizens who fail to show up for elections to effect change by voting for their own interests and those of America The Assessment Debate Valerie J. Janesick,2001-11-14 An authoritative reference on one of education s hottest topics describing how the latest testing and assessment tools can be used to help improve student performance In this comprehensive review of the wealth of techniques by which students can be assessed Valerie J Janesick points out that the politics of schooling often gets in the way of student progress High stakes standardized testing is frequently based on poorly constructed unfair tests that encourage teaching to the test which actually impedes educational goals Authentic testing relies more on essays and writing samples performances demonstrations and role plays Although it is fairer and provides a measure of student growth and progress it requires more effort by teachers who also require extra training Besides discussing authentic assessment in detail The Assessment Debate includes a chronology an annotated directory of organizations supporting performance assessment a list of state coordinators for testing reform and state by state report cards Michigan Compiled Laws Annotated Michigan,2004 *Michigan Compiled Laws, Annotated* Michigan.
