### **Beyond GDP Measuring What Counts for Economic and Social Performance** Stiglitz Joseph E., Fitoussi

Jean-Paul, Durand Martine, 2018-11-27 Metrics matter for policy and policy matters for well being In this report the co chairs of the OECD hosted High Level Expert Group on the Measurement of Economic Performance and Social Progress Joseph E Stiglitz Jean Paul Fitoussi and Martine Durand show how over reliance on GDP as the *ACCA Paper P4 - Advanced Financial Management Study Text* BPP Learning Media, 2009-07-01 The Association of Chartered Certified Accountants ACCA is the global body for professional accountants With over 100 years of providing world class accounting and finance qualifications the ACCA has significantly raised its international profile in recent years and now supports a BSc Hons in Applied Accounting and an MBA BPP Learning Media is an ACCA Official Publisher The new ACCA syllabus for paper P4 is about the practical application of financial theory to problems that managers face such as investment appraisal funding policies risk management growth organic or through mergers and acquisitions and dividend policy The paper also covers crucial issues such as corporate governance and ethical and environmental aspects of financial policy The BPP text provides a comprehensive treatment of the new ACCA syllabus for P4 and addresses all learning outcomes and the higher skills to be assessed in the professional examination in an integrated and practical way The material despite the technical nature of certain areas follows a practical common sense approach with plenty of case studies and real life business examples The key points of each topic are summarised in a chapter roundup and tested in a diagnostic quiz at the end of each chapter A question bank at the end of the book provides practice on exam style questions BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide Join them and plug into a world of expertise in ACCA exams

**Advances in Economic Measurement** Duangkamon Chotikapanich, Alicia N. Rambaldi, Nicholas Rohde, 2022-10-03 The purpose of this book is to honour D S Prasada Rao and his many outstanding contributions to economic measurement including index number methods for international comparisons of prices real incomes output and productivity stochastic approaches to index numbers purchasing power parities for the measurement of regional and global inequality and poverty and measurement of income and economic insecurity This book brings together contributions by well known and influential researchers in the field of economic measurement with special focus on topics in productivity measurement Part I income and health inequality inequality of opportunity and measurement of insecurity Part II index number theory and applications to consumer price index numbers international comparisons of prices and real expenditures and housing price index numbers Part III The chapters are authored by eminent researchers including Conchita D Ambrosio Bert Balk Erwin Diewert Robert Hill Robert Inklaar Knox Lovell Robin Sickles Jacques Silber and Marcel Timmer The contributed papers offer in depth reviews of the state of the art in these areas with a focus on the existing methods and applications making the volume an invaluable source for both experienced researchers and new researchers including PhD and other postgraduate students

**The Measurement of Saving, Investment, and Wealth** Robert E. Lipsey, Helen Stone Tice, 2008-04-15 There is probably no concept other than saving for which U S official agencies issue annual estimates that differ by more than a third as they have done for net household saving or for which reputable scholars claim that the correct measure is close to ten times the officially published one Yet despite agreement among economists and policymakers on the importance of this measure huge inconsistencies persist Contributors to this volume investigate ways to improve aggregate and sectoral saving and investment estimates and analyze microdata from recent household wealth surveys They provide analyses of National Income and Product Account NIPA and Flow of Funds measures and of saving and survey based wealth estimates Conceptual and methodological questions are discussed regarding long term trends in the U S wealth inequality age wealth profiles pensions and wealth distribution and biases in inferences about life cycle changes in saving and wealth Some new assessments are offered for investment in human and nonhuman capital the government contribution to national wealth NIPA personal and corporate saving and banking imputation

**Measuring Capital - OECD Manual 2009 Second edition** OECD, 2009-09-01 This revised Capital Manual is a comprehensive guide to the approaches toward capital measurement It provides theoretical background and an overview of the relevant literature

**Corporate Behavior and Sustainability** Güler Aras, Coral Ingley, 2016-10-04 Companies can no longer expect to engage in dubious or unethical corporate behaviour without risking their reputation and damaging perhaps irrevocably their market position Irresponsible corporate behavior not only deprives shareholders of long term returns but also ultimately imposes a cost on society as a whole Sustainable business is about ensuring that entities contribute toward positive social environmental and economic outcomes Bad business behaviour is costly for stakeholders for markets for society and the economy alike To ensure that a company behaves well the buy in of the leadership team is crucial The full commitment of the board of directors in conjunction with the senior managers of the organization is required if an organization is to be socially responsible In this sense leadership does not reside with an individual the CEO within the organization but with all of those at the apex of corporate power and control Effective change management requires enlightened and capable leadership to instigate and drive the process of embedding a sustainable and socially responsible

corporate philosophy and culture that supports good business decision making A profound understanding of the requirements of such a leadership process will help corporate managers become highly effective change agents Governance will be the main driver of this change For the economy and financial markets to become sustainable and resilient radical changes in corporate leadership need to take place Integrated reporting government regulation and international standards will all be important factors in bringing about this change As well as understanding the effects of corporate behavior on financial markets such an understanding is also now imperative in relation to the social and environmental contexts **The Business Case for Sustainable Finance** Iveta Cherneva,2012 This edited volume brings together finance industry perspectives from top global institutions which focus on the bottom line for integrating ESG factors into the operations of the finance industry Executives and senior practitioners answer the question does following sustainable finance principles make commercial sense for a commercially oriented financial institution and if so what evidence is there How's Life? 2017 Measuring Well-being OECD,2017-11-15 How s Life charts the promises and pitfalls for people s well being in 35 OECD countries and 6 partner countries It presents the latest evidence from 50 indicators covering both current well being outcomes and resources for future well being and including changes since 2005 *Mechanism Exploration of Multi-indicator Synthetical Assessment Method* DONG QIU,2025-07-28 The multi indicator synthetical assessment method composite indicator is one of the two basic methods used by economic statistics to solve the additivity issue the other being the value indicator especially when facing the trend of measured welfare turn Its importance is highlighted and it is an indicator tool that cannot be underestimated in the empirical analysis process In the development process of composite indicators it is particularly important to pay attention to the entanglement and clarification of reason and mathematics We should not only prefer the technical approach and focus on improving the mathematical difficulty of the method but also pay attention to the mechanism approach of the method We should also pay attention to the consistency of different composite methods in methodology that is to improve expand deepen and promote the methodology of composite indicators from a systematic visual field The Measurement of the Economic Benefits of Infrastructure Services Walter E.
