*Follow Me* Luke Shackelford, 2023-06-14 *Follow Me* approaches discipleship with the themes of identity and purpose in mind. In this book, Shackelford examines the identity of God and the teachings of Jesus in order to present a framework through which we can correctly understand discipleship. He argues that identity and purpose are only truly found in following Jesus. As we follow Jesus, we are transformed into the image of God. What we find is that to be the image of God means to bring forth restoration to the earth as He did and that we exist to carry on the life and work of Jesus. Beyond exploring what it means to be a disciple, this book seeks to reveal who we are and why we exist, which are in fact synonymous.

**Understanding God'S Message for Mankind** David Charles Cole, 2011-12-16 Why do Christians believe as they do? How do we know Jesus was the Messiah? What does God expect of us? What happens after death? Is there really a heaven and a hell? Why does God allow evil in the world, permitting bad things to happen to good people? This collection of essential verses from Scripture and the accompanying commentaries will help answer these and other fundamental questions. The sixty-six books of the Bible are an integrated message system from God, a message to mankind from the creator of all things. It is the best-selling book of all time, yet most copies sit unread. This is due in part to the fact that wading through so many pages of spiritually inspired and purposefully encrypted material can be intimidating. This new guide to the Bible offers a solution for those eager to understand God's message and develop a closer relationship with Him. It holds a collection of inspirational verses selected from all sixty-six books of Scripture, cataloged under more than 100 specific subject headings. The Nautilus, 1907

Every Believer a Disciple! David E. Bjork, 2015-06-14 The growth of Christianity in recent decades has been remarkable, but has it been growth with depth? Are our communities of faith, our churches, creating and nurturing deeply committed followers of Jesus? This book was born out of the realization that churches throughout the world, despite their numerous evangelization and spiritual development activities, are struggling to produce true disciples of Jesus. How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act? What can we change in our

understanding and practices to facilitate life transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples     **A Follower of Christ** Robert Ball,2019-12-18 Over the last 20 years it has become chic to use the term follower of Christ I have heard pastors stand in the pulpit and ask people to raise their hands if they want to be a follower of Christ All across the room hands go up Those hands are then summarily counted as converts to the Christian faith     The Emerging Church Dan Kimball,2009-08-30 Includes Samples and photos of emerging church worship gatherings Recommended resources for the emerging churchThe seeker sensitive movement revolutionized the way we did church and introduced countless baby boomers to Jesus Yet trends show that today s post Christian generations are not responding like the generations before them As we enter a new cultural era what do worship services look like that are connecting with the hearts of emerging generations How do preaching leadership evangelism spiritual formation and most of all how we even think of church need to change The Emerging Church goes beyond just theory and gets into very practical ways of assisting you in your local church circumstances There is no one right way no model for us all to emulate But there is something better Dan Kimball calls it Vintage Christianity a refreshing return to an unapologetically sacred raw historical and Jesus focused missional ministry Vintage Christianity connects with emerging post seeker generations who are very open spiritually but are not interested in church For pastors leaders and every concerned Christian Kimball offers a riveting and easy to grasp exploration of today s changing culture and gives insight into the new kind of churches that are emerging in its midst Included is running commentary by Rick Warren Brian McLaren Howard Hendricks and others     **Minister's Manual** Dr. Paul G. Caram,2021-12-02 In this book Dr Paul Caram examines the inner life of the leader his personal life and marriage his vision the temptations he faces God s view of success the privileges and responsibilities and the eternal rewards and honors that come to those who are faithful You will be challenged and encouraged and you discover God s wonderful plan and purpose for His leaders in the Church of Jesus Christ     *Fifteen Ps for Every Minister* Ehis Agboga,2010-03-22 Wondering about what you need to know before entering into ministry Bothered about what the call of God entails Or do you desire an evaluation of your life and work as a minister If your answer to any of the above questions is yes then Fifteen Ps For Every Minister is a must read for you This book examines all the essentials of ministry providing detailed answers to previously unanswered questions and making propositions that will rock your boat all from the very words of Jesus found in just one chapter of the Bible Matthew 10 Reading this book may be the beginning of a radical change in your walk with and work for God     **Baptist Commonwealth** ,1906     ... **Measurements and Standards in Religious Education** Walter Scott Athearn,1924     The Sabbath Recorder ,1922     Success Kills Wayde Goodall,2009-03-01 Success we crave it work for it dream it want it as a personal achievement but how we each define it differs Power influence wealth fame or a position of
