into the history of Valois Burgundy as the work of George Chastelain c 1414 1475 official chronicler to the dukes Philip the
Good and Charles the Bold Chastelain a trusted courtier closely observed his masters authority in the many dominions they
ruled in the Low Countries and France and the role they played in the political life of neighbouring kingdoms and
principalities and in Christendom as a whole This is the first historical study of Chastelain in over half a century An account
