Media And Foreign Policy:

News Media and Foreign Relations Abbas Malek,1997 The first section of the book addresses theoretical issues and lays a foundation for analysis of the role of the media in foreign relations The second part provides empirical studies demonstrating some of these relationships Annotation copyrighted by Book News Inc Portland OR

Mass Media and Foreign Policy Walter C. Soderlund,2003-05-30 The terrorist attacks on the United States that occurred on September 11 marked the end of an historical era known as the post Cold War period During this time the U S government produced no clear media guidelines for dealing with world crises and media coverage increasingly came to be focused on domestic conflicts rather than international ones In the absence of a clearly defined threat no dominant media frame replaced the time worn Cold War in media reporting Mass media has been recognized as an important intermediary between the government and the population In this context this study examines network coverage of seven post Cold War crises ranging from Cuba to Mexico occurring in the Caribbean Basin between 1990 and 1996 to evaluate the framing of these events by the various media covering them In providing context for understanding these crises this examination reviews U S policy in each case and discovers a strong correlation between the level of U S involvement in the crisis and the amount of media attention generated By appearing on the news or not the president along with key Cabinet members were able to define whether an event constituted a crisis for the United States In instances where the media received little guidance from Washington officials on the implications for the United States the media did attempt to provide explanations of events however coverage tended to be minimal Case studies include the recording and coding of language used as positive negative and neutral ambiguous

Foreign Policy and the Media Jarno S. Lang,2016-09-27 This book analyzes the response of the Indonesian press to American foreign policy during the administrations of Presidents Bush and Obama Situated in Southeast Asia Indonesia is the world s fourth most populous country and the largest Muslim nation and as such is a potentially vital economic and strategic partner to the US in the 21st century Ever since Indonesian independence post World War II relations to the US have been marked by ups and downs The author argues that the way the Indonesian public perceives the world has an impact on the national self image that again heavily influences national foreign affairs For both the US and Indonesia this is a crucial moment in bilateral relations This study explores Indonesian media responses to American foreign policy by analyzing more than 400 press articles In the context of President Obama s declared pivot to Asia both countries need to find a way to foster better relations

The Media and Foreign Policy Simon Serfaty,2014-01-14 In this volume journalists and officials as well as academic experts analyze the respective roles of the press and the government in the formulation and implementation of American foreign policy It examines the influence of the media on issues such as the US involvement in Vietnam
