Naming Jhumpa Lahiri Lavina Dhingra, Floyd Cheung, 2012 This collection of nine essays by scholars in the fields of postcolonial Asian American and other literary studies explains why categorizing the best selling award winning work of Jhumpa Lahiri as either universally great and or ethnically specific matters to whom and how paying attention to these questions can deepen students general readers and academic scholars appreciation for the politics surrounding Lahiri s works and understanding of the literary texts themselves **Jhumpa Lahiri's The Namesake** Jagdish Batra, 2010 The Namesake - A Psychoanalytical Interpretation Jens Pfundstein, 2009 Seminar paper from the year 2008 in the subject English Language and Literature Studies Literature grade 1 3 Saarland University Anglistik Amerikanistik und Anglophone Kulturen course India the American Dream Fictional Examples 8 entries in the bibliography language English abstract In this paper we will attempt a psychoanalytically tinted interpretation of one if not the main character in Jhumpa Lahiri s The Namesake To be more specific we intend to concentrate on Gogol Ganguli As the novel is said to portray conflicts that haunt Gogol on his own winding path through divided loyalties comic detours and wrenching love affairs Lahiri reverse of the novel we should thus be allowed to ask what conflicts Is it true that there are several conflicts or is it possible that there exists only one major conflict With these questions in mind and the feeling that there is something in the text we are not explicitly told we decided to try a psychoanalytical interpretation of Gogol an interpretation which allows us to approach the text as follows We will first provide the definitions of the basic concepts and ideas As these concepts and ideas are not only abstract but contradictory to a certain degree we feel obliged to simplify and generalize these notions without falsifying or distorting the basic concepts Secondly we will provide the reader with our line of argument In other words we will piece together the basic notions in order to form a coherent line of thought The third step consists of an application of this line of thought to the text which in turn is expected to yield new insights As we are convinced that this approach provides new insights we will deal with their implications in step four This then brings us to the conclusion of the paper which will take the form of a short summary of all our findings **Indian Women Novelists in English** P. D. Bheda, 2005 *The Namesake* Marilyn Herbert, 2007-07 The Namesake tells the story of a newly married couple Ashoke and Ashima Ganguli who emigrate to the United States from India Not long after they arrive their first child a son is born and there is an immediate clash of cultures

In the Bengali tradition the ritual of naming a baby can take up to 41 days after birth But in America bureaucracy demands that the baby not be released from hospital without a name on his birth certificate Luckily Indian tradition allows for a pet or nickname to be chosen and oddly the parents choose the name Gogol after the Russian writer Nikolai Gogol The result of a name that connects him to neither his American birth nor his Indian heritage is a search for personal identity This novel has been made into a wonderful film with the same name from director Mira Nair The guide to Lahiri s novel includes information on the following Why is the namesake of an American born child with Bengali roots a famous but disturbed Russian author How do our names impact on who we are and who we become What is the impact of immigration on both parents and children How do Lahiri s skills as a short story writer influence her presentation of the story Every Bookclub in a Box discussion guide includes complete coverage of the themes and symbols writing style and interesting background information on the novel and the author *KNOWLEDGE CONSORTIUM* Dr Samir Kumar Hui,2021-11-25 A collection of research articles of 25 in numbers
