Brown, 1994-08-18 No Marketing Blurb The Mystery Mission of Salvation in Christ Jesus Dr Ibim Alfred, 2017-08-26 For the past twenty years I have thought and developed an interest in what I call the mystery mission of salvation in Christ Jesus This curiosity has intensified over the past three years and I am compelled by the divine spirit of Christ Jesus to put my belief and faith in ink on paper Apostle Paul the greatest theologian stated Yet when I preach the gospel I cannot boast for I am compelled to preach 1 Cor 9 16 Like Paul I am writing this book not of my own choice but of necessity I believe I have been entrusted with this assignment to unveil the mystery mission of salvation in Christ Jesus Paul stated For Christ s love compels us because we are convinced that one died for all and therefore all died 2 Cor 5 14 The love shown by Christ Jesus Gal 2 20 Rom 8 35 38 is the model of authentic existence and compels believers like Paul who thought that he had no choice but to imitate the selflessness of Christ Jesus to preach the Gospel of salvation in Christ Jesus As a believer in the Savior our Lord and God Christ Jesus I am obliged to write this book about the Son of God who wrought salvation to the universe through his birth on the first Christmas Day his mission on earth for about three years his cruel death on the cross on the first Good Friday and his ultimate resurrection on the first Easter Sunday morning My purpose in this book is not to boast on human intelligence or ability on the contrary it is to show the love of Christ Jesus who condescended and descended humbly from his divine heavenly city to this sinful earthly city in order to bring eternal salvation to all those who believe in him I do hope and pray ardently and fervently that this book might help just one person to come to know salvation in Christ Jesus for the first time or open the spiritual eye and mind of a believer to have a deeper and more holy understanding of the amazing grace and love of Christ Jesus who brings salvation to humanity by his wonderful and mysterious mission of salvation which is unveiled in this book That person in either situation could be you **Handbook on the Pentateuch** Victor P. Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation The focus in these introductions is often on the four Gospels and the Letters of Paul As important as these books are one should not neglect with only a brief survey the treatment of Hebrews the General Letters and the book of Revelation The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues Nevertheless these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation When and why was each book written By whom and to whom was each book written What are some special features of each book How soon or late was each book included in the NT collection Answers to many of these questions are tentative The assured results of scholarship are in continual need of reevaluation Since the 1980s a host of diverse studies have emerged and I have endeavored to include them when they are relevant to the discussion **Sirach** Richard Coggins, 1997-01-01 Sirach is a book that raises a very distinctive set of problems What should we call it Sirach Ecclesiasticus Ben Sira What is the relation between the traditional Greek text and

the recently rediscovered Hebrew parts of the book Where did it stand in relation to Jewish tradition and the Hellenism that was sweeping the Mediterranean world In this guide a new addition to Sheffield s series on the Apocrypha and Pseudepigrapha these questions are discussed as well as the use the author made of Scripture and the scholarly placing of the book in the Wisdom tradition The author s attitude to women is considered and the volume ends with a consideration of some of the chief theological themes of Sirach Biblical Greek Exegesis George H. Guthrie,J. Scott Duvall,1998 This intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach
