Levack, 1992 **Joan Eardley** Christopher Andreae, 2013 Joan Eardley 1921 63 is considered to be one of the most influential Scottish painters of her generation Her paintings and drawings reflect urban and rural Scotland in an expressive visual language unlike any other artist s This new highly illustrated survey of her painting does renewed justice to the range scale and power of her work *A Maritime History of Scotland, 1650-1790* Eric J. Graham, 2015-04-21 The period 1650 to 1790 was such a turbulent one for Scottish seafarers that much of this fast flowing narrative reads like Treasure Island Colourful characters abound in a story teeming with incident and excitement John Paul Jones descends upon the Scottish coast creating widespread panic press gangs prowl the coastal towns wartime conditions turn merchantmen into privateers fighting the French the Spanish and the American Colonists almost anyone flying a different flag quaintly named vessels like The Provoked Cheesemaker are on the lookout for trouble And the stakes were high Glasgow became wealthy through the tobacco trade Glasgow merchantmen could beat the English ships and sail to Chesapeake Bay in record time Eric Graham traces the development of the Scottish marine and its institutions during a formative period when state intervention and warfare at sea in the pursuit of merchantilist goals largely determined the course of events He charts Scotland s frustrated attempts to join England in the Atlantic economy and so secure her prosperity an often bitter relationship that culminated in the Darien Disaster In the years that followed maritime affairs were central to the move to embrace the full incorporating Act of 1707 After 1707 Scottish maritime aspirations flourished under the protection of the British Navigation Acts and the windfalls of the endemic warfare at sea *Family Planning* P. F. Selman, 2012-12-06 The Sources and Nature of the Statistics of the United Kingdom produced under th auspices of the Royal Statistical Society and edited by Maurice Kendall filled a notable gap on the library shelves when it made its appearance in the early post war years Through a series of critical reviews by many of the foremost national experts it constituted a valuable contemporary guide to statisticians working in many fields as well as a bench mark to which historians of the development of Statistics in this country are likely to return again and again The Social Science Research Council and the Society were both delighted when Professor Maunder came forward with the proposal that a revised version should be produced indicating as well his willingness to take on the onerous task of editor The two bodies were more than happy to act as co sponsors of the project and to help in its planning through a joint steering committee The result we are confident will be judged a worthy successor to the previous volumes by the very much larger statistics public that has come into being in the intervening years Mrs SUZANNE REEVE Mrs E J SNELL Secretary Honorary Secretary Economic and Social Research Council Royal Statistical Society SSRC is now the Economic and Social Research Council ESRC vii MEMBERSHIP OF JOINT STEERING COMMITTEE December 1986 Chairman Miss S V Cunliffe Representing the Royal Statistical Society Mr M C Fessey Dr S Rosenbaum Mrs E J Oliver & Boyd's new Edinburgh almanac and national repository.
