Although little studied by most Christians the book of Numbers offers a rich storehouse of material for reflection on the relationship between God and the human community This excellent commentary highlights this theme in the context of interpreting the many strange and obscure stories and laws of Israel s wilderness journey The Message of Numbers Raymond Brown,2022-02-01 What does it mean to be pilgrims in a confusing world In this BST volume Raymond Brown explores how the book of Numbers offers a picture of a better life He shows how its message is eminently suited to our world today a world without firm spiritual and moral foundations We see how God provides for the basic needs of life to be loved to be free to be certain Numbers Mitchel Modine,2018-05-06 The book of Numbers is a misunderstood book of the Bible It is about a lot more than just numbers Rather it is about the people s journey with God in the desert The Hebrew title of the book Bammidbar means In the Desert indicating that the setting is the most important part of the story The God who delivered his people from Egypt is the same God who will lead them through the wilderness and give them the Promised Land But as the book of Numbers shows us often it is through the experience of being in a desert that God fulfils his purpose It is the same thing for God s people today This commentary opens up the value of this often overlooked Old Testament book to those who find themselves or their churches in a barren place but with the presence of the Lord alongside them The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible

Numbers Iain M. Duguid,R. Kent Hughes,2006 The book of Numbers tells the story of the events occurring in the years between the nation of Israel s exodus from Egypt and their entrance into the Promised Land The lives of two generations are recorded the first lacking in faith and receiving their just punishment from God and the second believing the Word of God and so entering into their inheritance as his children Like those generations of Israelites Christians today are in the midst of a journey between events of deepest significance the death of Christ that was the exodus from bondage to sin and death and Jesus second coming to usher his children into the true and final promised land as a glorious destination to the journey In the tradition of the best Reformed expository commentaries Iain Duguid assists both pastors and laypeople on this journey by explaining the profundities of the biblical text and communicating the lasting message of God s devotion to those who follow him in faith **The Wiersbe Bible Study Series: Numbers** Warren W. Wiersbe,2014-02-01 Pursue a Faith That Counts God s people were preparing to enter the Promised Land Yet the book of Numbers holds a big statistic While God longed for millions of Israelites to enter Canaan only two people from an entire generation would arrive there This study of Numbers explores how disobedience holds us back from God s best and encourages us to pursue a life that counts The Wiersbe Bible Study Series delivers practical in depth guides to selected books of the Bible Featuring insights from Dr Warren W Wiersbe s Be Counted commentary this eight week study includes engaging questions and practical applications that will help you
