The Surface of Meaning Robert Bringhurst, 2008 The design and manufacture of books can tell as much about a people or a culture as the ambience of its streets and the architecture of its buildings In our everyday lives books surround us even if

we are among the many who never read another one after high school Their very jacket design asks us to make meaning of their presence and when we open them the layout of words and stories within their covers makes us readers even before we begin to read To Robert Bringhurst typographer poet and writer the presence of books and the story of books in Canada are preludes to understanding our culture From the tattered book of Canadian poetry your moody cousin carried everywhere to the pristine hardcover book of Atwood s latest work in your brainy co worker s hands book design says much about who and where we are as Canadians In *The Surface of Meaning* Robert Bringhurst takes us on another of his walking tours this time through the bramble of English and French Canadian books and book design from the mid 18th Century to the present day Along the way he discovers a true image trove of identity culture and history And he does what no other work on books and publications does He creates a truly national survey of Canadian books by bringing Canada s long history of Aboriginal story telling into a context of book It is a context that goes into the depths of our prehistory far beyond the printed page *The Surface of Meaning* is a tribute to Canadian books and publishing It is irresistible to readers who love books as well as to designers and others who may simply prefer to look at them *Always Someone to Kill the Doves* Frederick Thomas Flahiff,2005 Crafted from archives interviews memories and bankersrsquo boxes of papers sent to the author during the years before her death *Always Someone to Kill the Doves* A Life of Sheila Watson is the portrait of a woman shaped by her times by her turbulent marriage by the clarity of genius and by the moral sense of her Catholic upbringing With the gentle touch of an old friend Flahiff provides a poignant insight into the woman the westerner and the writer Best known for the modernist novel *The Double Hook* and her part in creating the literary magazine *White Pelican* Watsonrsquo s life was as rich and complex as her finest literary creation *Snapshots* Kristina Russelo,1992 **World Authors, 1995-2000** Mari Rich,Olivia J.
