Nursery Rhymes for Old Farts Cam Harlan, Mary Harlan, 2004-01-01 Many amusing memories Without Frontiers: The Life & Music of Peter Gabriel Daryl Easlea, 2018-03-23 He became famous with Genesis but simply to call Peter Gabriel a pop star would be to sell him very short indeed Peter Gabriel has pursued several overlapping careers neither becoming a parody of his past self nor self consciously seeking new images he instead took his creativeness and perfectionism into fresh fields In 1975 he diversified into film soundtracks and audio visual ventures while engaging in tireless charity work and supporting major peace initiatives He has also become world music s most illustrious champion since launching WOMAD festival These and several other careers make writing Peter Gabriel s biography an unusually challenging task but Daryl Easlea has undertaken countless hours of interviews with key friends musicians aides and confidants Updated and revised for 2018 Without Frontiers gets to the heart of the psychological threads common to so many of Gabriel s disparate endeavours and in the end a picture emerges an extraordinary picture of an extraordinary man Extra features include integrated Spotify playlists charting the best of Genesis output with Peter Gabriel as well as an interactive digital timeline of his life filled with pictures and videos of live performances interviews and more The peculiar white lipped dynamic between Gabriel and his erstwhile Charterhouse chums in Genesis is vividly evoked Record Collector A truly wonderful biography of one of the most amazing artists of our time Highly recommended Douglas Harr author of *Rockin the City of Angels* **Outrageous** Kliph Nesteroff, 2023-11-28 From the preeminent historian of comedy an expansive history of show business and the battles over culture that have echoed through the decades and changed the United States Outrageous is required reading An essential book of the social history of the United States with laughs Steve Martin There is a common belief that we live in unprecedented times that nobody got offended in the past that people are simply too sensitive today that racism and sexism were once widely accepted without objection The truth is precisely the opposite With every step of our cultural history minorities have pushed back against racist portrayals women have fought for respect and people have sought to change the world of entertainment and beyond through a combination of censorship advocacy or protest Likewise opposing forces have sought to sway public opinion and shape culture through violence and political and economic pressure Kliph Nesteroff author of *The Comedians* and *We Had a Little Real Estate Problem* presents a deep dive into the history of show business and illustrates both how our world has changed and how the fierce battlegrounds of today are reflected in our past Outrageous is a crucial and timeless book filled with surprising details remarkable anecdotes and unforgettable characters including figures we think we know such as Mae West Roscoe Fatty Arbuckle and Stan Laurel who tried to bury his wife alive but still wasn t cancelled and others readers may never have heard of *The Bayou Katt Murders* Ronald V.
