Coming Out, Coming In Linda Goldman, 2007-11-16 *Coming Out Coming In* Nurturing the Well Being and Inclusion of Gay Youth in Mainstream Society describes the process of coming in to a welcoming and nurturing family from both the teen s and the parents perspective Linda Goldman draws on her personal and professional experience as a school guidance counselor child and adolescent therapist parent and a member of the national group PFLAG to build a common language and a new paradigm for understanding sexual orientation and gender identity as a part of mainstream culture Through the information exercises anecdotes and extensive bibliography of additional resources provided in the book parents school administrators and educators community groups and counselors will find the tools needed to facilitate nurturing and safe environments for our LGBT youth **Gay Male Pornography** Christopher N. Kendall, 2004 The 2000 case of Little Sisters Book and Art Emporium v Customs Canada provided Canada s highest court with its first opportunity to consider whether the analysis set out in R v Butler in which the Supreme Court identified pornography as an issue of sex discrimination applies to pornography intended for a lesbian or gay male audience The Court held that it did finding that like heterosexual pornography same sex pornography also violates the sex equality interests of all Canadians Christopher Kendall supports this finding arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation misogyny and homophobia alike by sexually conditioning gay men to those attitudes and practices The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the Little Sisters case the notion of empowerment and the rejection of those values that daily result in all that is anti gay have been replaced with a misguided community ethic and identity politic that encourages inequality This is best exemplified in the gay male pornography defended in Little Sisters as liberation and central to sexual freedom Gay Male Pornography rejects the equality claims of gay male pro pornography advocates and argues that there is little to be gained from sexualized conformity To date no one has taken the position that gay male pornography violates the legal right to sex equality This book does that and as such it will be of value to scholars of law sociology and gender studies as well as to all who have an interest in equality and justice Handbook of LGBTQ-Affirmative Couple and Family Therapy Rebecca Harvey, Megan J.
