Out Of Egypt Leaving Lesbianism Behind:

Out of Egypt Janette Howard,1994 **The Heart of Female Same-Sex Attraction** Janelle Hallman,2010-02 The fruit of years of training research and counseling experience Janelle Hallman has drawn together a comprehensive resource for those who are interested in understanding and counseling women in conflict with same sex attraction In this ground breaking work Hallman sets forth the unique dimensions of struggle that women experience through the presentation of research interviews and clinical experience This is an indispensable guide for understanding and a manual for counseling adult women seeking to mature in giving and receiving love in all of their relationships and no longer be restricted by destructive relational patterns Straight to Jesus Tanya Erzen,2006-06-27 Every year hundreds of gay men and lesbians join ex gay ministries in an attempt to convert to non homosexual Christian lives In this fascinating study of the transnational ex gay movement Tanya Erzen focuses on the everyday lives of men and women at New Hope Ministry a residential ex gay program over the course of several years Straight to Jesus traces the stories of people who have renounced long term relationships and moved from other countries out of a conviction that the conservative Christian beliefs of their upbringing and their own same sex desires are irreconcilable Rather than definitively changing from homosexual to heterosexual the participants experience a conversion that is both sexual and religious as born again evangelical Christians At New Hope they maintain a personal relationship with Jesus and build new forms of kinship and belonging By becoming what they call new creations these men and women testify to religious transformation rather than changes in sexual desire or behavior Straight to Jesus exposes how the Christian Right attempts to repudiate gay identity and political rights by using the ex gay movement as evidence that change is possible Instead Erzen reveals the realities of the lives she examines actually undermine this anti gay strategy **Playing for God** Annie Blazer,2015-07-24 When sports ministry first emerged in the 1950s and 1960s its founders imagined male celebrity athletes as powerful salespeople who could deliver a message of Christian strength If athletes can endorse shaving cream razor blades and cigarettes surely they can endorse the Lord too reasoned Fellowship of Christian Athletes founder Don McClanen But combining evangelicalism and sport did much more than serve as an advertisement for religion it gave athletes the opportunity to think about the embodied experiences of sport as a way to experience intimate connection with the divine As sports ministry developed it focused on individual religious experiences and downplayed celebrity sales power opening the door for female Christian athletes to join and eventually dominate sports ministry Today women are the majority of participants in sports ministry in the United States In Playing for God Annie Blazer offers an exploration of the history and religious lives of Christian athletes showing that evangelical engagement with popular culture can carry unintended consequences When sport became an avenue for embodied worship it forced a reckoning with evangelical teachings about the body Female Christian athletes increasingly turned to their own bodies to understand their religious identity and in so doing came to question evangelical mainstays on gender and sexuality What was

once a male dominated masculinist project of sports engagement became a female dominated movement that challenged evangelical ideas on femininity marriage hierarchy and the sinfulness of homosexuality Though evangelicalism has not changed sporting culture for those involved in sports ministry sport has changed evangelicalism Reader's Guide to Lesbian and Gay Studies Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report Homosexuality and the Politics of Truth Jeffrey Satinover,1996-02-01 A Christian psychiatrist examines the latest research refuting the alleged genetic basis for homosexuality and assessing the social power homosexuals have gained **Out of Egypt** Jeanette Howard,2001 Now in its fifth printing an invaluable support for women struggling with their sexual identity and those who want to help **Someone I Love Is Gay** Anita Worthen,Bob Davies,1996-05-23 Finding out that a child spouse relative or friend is homosexual can be an unwelcome surprise You re hit with a complex combination of emotions grief shame fear guilt You are flooded with questions ranging from why to what s next You wonder what a biblical response would be At the same time someone you care about deeply may be awaiting your response What should you say Someone I Love Is Gay was created out of Anita Worthen s struggle over these issues with her son and her work with New Hope Ministries in San Rafael California and Bob Davies s personal experience and professional experience with Exodus International in Seattle Washington Drawing also on the experiences of others they will help you to handle your feelings while responding appropriately to your loved one

Appleby, George Ohlschlager, 2013-07-12 What would it mean for Christian counseling and pastoral care to take seriously the idea that God intervenes in the world In this volume more than twenty of the best pastoral counselors clinicians and counselor educators introduce us to the models that they use to integrate the Scriptures and the work of the Holy Spirit into their daily practice **Handbook of Therapy for Unwanted Homosexual Attractions: A Guide to Treatment** ,

ThirdWay, 1994-07 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **Fundamentalist Ex-gay Ministries** Christy M. Ponticelli, 1993 *A Bíblia e a prática homossexual* Robert Gagnon, 2021-04-26 A mais completa análise feita até hoje dos textos bíblicos relacionados homossexualidade Com argumentos incisivos e bem articulados Robert Gagnon demonstra que a Bíblia não tem dificuldade em definir a relação homossexual como pecado Ao mesmo tempo o autor estabelece um diálogo rigoroso com estudiosos da Bíblia e historiadores que se posicionam contra ou a favor desse entendimento Gagnon também demonstra sistematicamente por que

as tentativas de classificar a posição conservadora crist em relação à homossexualidade como inaplicável aos dias de hoje não fazem justiça aos textos bíblicos. Suas conclusões são claras e compassivas pois adverte os leitores de todos os lados do debate contra um evangelho mutilado desafiando-nos a uma visão holística do mandamento de amar a Deus e ao próximo. Found Wanting Alison R. Webster, 1995 A controversial and trenchant critique of Christian teachings about sexuality which demonstrates how Christianity has idolized a particular heterosexual idea which has been devised, refined and imposed with scant consideration of the experience, desires or needs of women. Copyright Libri GmbH All rights reserved. Like Bread on the Seder Plate Rebecca Trachtenberg Alpert, 1997 This text explores what it is like to be part of both the lesbian and Jewish communities suggesting ways in which lesbians can reconcile these seemingly discordant elements of their identity. It advocates the acceptance of lesbians into the Jewish tradition by offering new interpretations of the Torah traditionally regarded as prohibitive of homosexuality. The book counters the millennia of Midrashim scholarly comment on the Torah condemning gays and lesbians by examining the culture of biblical lawgivers and the culture of the commentators themselves.
