Out Of Time Irish Republican Prisoners Long Kesh 19702000:

Out of Time Laurence McKeown, 2001 *Young Men, Masculinities and Imprisonment* Conor Murray, 2023-07-14 Given the over involvement of young men in crime and young men's disproportionately high rates of reoffending it is surprising that more research has not explored young men's experiences of prison This book is based on the findings of a nine month ethnographic case study of Hydebank Wood College a young men's prison in Northern Ireland It seeks to explore the complexity of gender construction and masculine performance during young adulthood while also exposing and dissecting the turbulent social life of a young men's prison In examining these themes the book takes account of the unique social economic and political factors that impact young men in communities in Northern Ireland paying particular attention to their feelings of powerlessness marginalisation and vulnerability and the construction of identity in cultures defined by territorialism violence masculine stoicism and an anti authority code of honour The book follows the formation of masculinities through the prison gate and considers how the penal environment contributes to the continual shaping young men's identities The book also adopts Gambetta's concept of signalling to examine how young men use different practices such as language and embodiment to communicate masculinity to their wider social audience At the same time it also considers the reluctance of young men to communicate about their sources of vulnerability **Penalty in the**

Underground Ron Dudai, 2022-06-27 Secret informers are often the biggest threat faced by underground rebel groups which must respond to this challenge in order to survive Using the IRA as a case study *Penalty in the Underground* offers a systematic in depth analysis of this phenomenon providing an empirical and theoretical account of the causes forms functions and effects of the underground response to informers While superficial media images tend to depict only ruthless killings the book argues using the lens of Punishment and Society and drawing on rich interviews with IRA members and on archival sources that groups such as the IRA develop complex systems of punishment and social control in their pursuit of informers The book demonstrates how such systems are not only a mechanical response to a security problem but are also shaped by other goals risks and imperatives such as maintaining legitimacy projecting a state like image and supporting governance efforts This work thus identifies and explains some remarkable features of the IRA's pursuit of informers such as the establishment of courts martial the granting of amnesties the expansion of social control the productive function of labelling treason in asserting sovereignty and the long term consequences of the issue during transition out of conflict By exploring the penal logics practices and discourses of armed rebel groups engaged in direct struggle with the state agencies that normally carry out criminal justice the book aims to expand the study of punishment and society and demonstrate its utility to the understanding of non state actors **Convict Criminology for the Future** Jeffrey Ian Ross, Francesca

Vianello, 2020-11-10 Bringing together a variety of diverse international contributors from the Convict Criminology community *Convict Criminology for the Future* surveys the historical roots of Convict Criminology the current challenges

experienced by formerly incarcerated people and future directions for the field Over the past two decades research has been conducted in the field of Convict Criminology recognizing that the convict voice has long been ignored or marginalized in academia criminal justice practice and public policy debates This edited volume provides a much needed update on the state of the field and how it has evolved Seven primary themes are examined Historical underpinnings of Convict Criminology Adaptations to prison life Longstanding challenges for prisoners and formerly incarcerated people Post secondary education behind bars The expansion of Convict Criminology beyond North America Conducting scholarly research in carceral settings Future directions in Convict Criminology A global line up of contributors from the fields of Criminology Criminal Justice Law Political Science and Sociology comprehensively tackle each topic reviewing causes reactions and solutions to challenges The volume also includes a chronology of significant events in the history of Convict Criminology Integrating current events with research using a variety of methods in scholarly analysis Convict Criminology for the Future is invaluable reading for students and scholars of corrections criminology criminal justice law and sociology

Refusal to Eat Nayan

Shah,2022-01-04 The first global history of hunger strikes as a tactic in prisons conflicts and protest movements The power of the hunger strike lies in its utter simplicity The ability to choose to forego eating is universally accessible even to those living under conditions of maximal constraint as in the prisons of apartheid South Africa Israeli prisons for Palestinian prisoners and the detention camp at Guant namo Bay It is a weapon of the weak potentially open to all By choosing to hunger strike a prisoner wields a last resort personal power that communicates viscerally in a way that is undeniable especially when broadcast over prison barricades through media and to movements outside Refusal to Eat is the first book to compile a global history of this vital form of modern protest the hunger strike In this enormously ambitious but concise book Nayan Shah observes how hunger striking stretches and recasts to turn a personal agony into a collective social agony in conflicts and contexts all around the world laying out a remarkable number of case studies over the last century and more From suffragettes in Britain and the US in the early twentieth century to Irish political prisoners Bengali prisoners and detainees at post 9 11 Guant namo Bay from Japanese Americans in US internment camps to conscientious objectors in the 1960s from South Africans fighting apartheid to asylum seekers in Australia and Papua New Guinea Shah shows the importance of context for each case and the interventions the protesters faced The power that hunger striking unleashes is volatile unmooring all previous resolves certainties and structures and forcing supporters and opponents alike to respond in new ways It can upend prison regimens medical ethics power hierarchies governments and assumptions about gender race and the body s endurance This book takes hunger strikers seriously as decision makers in desperate situations often bound to disagree or fail and captures the continued frustration of authorities when confronted by prisoners willing to die for their positions Above all Refusal to Eat revolves around a core of moral practical and political questions that hunger strikers raise investigating what it takes to resist and oppose state power

Dance in Chains Padraic Kenney,2017-10-02 States around

the world imprison people for their beliefs or politically motivated actions Oppositional movements of all stripes celebrate their comrades behind bars Yet they are more than symbols of repression and human rights Dance in Chains examines the experiences of political prisoners themselves in order to understand who they are what they do and why it matters This is the first book to trace the history of modern political imprisonment from its origins in the mid nineteenth century The letters diaries and memoirs of political prisoners as well as the records of regime policies relate the contest in the prison cell to political conflicts between regime and opposition Padraic Kenney draws on examples from regimes ranging from communist and fascist to colonial and democratic including Ireland the United Kingdom Poland and South Africa They include the Fenian Brotherhood imprisoned in England and Ireland in the 1860s and their successors during the Irish War of Independence and the Northern Ireland Troubles Afrikaners suspected of treason during the Boer War socialists fighting for Polish freedom in the Russian Empire and then Communists denouncing bourgeois rule in newly independent Poland the opponents of apartheid South Africa and stalinist Poland and those imprisoned by the United States in Guantanamo Bay detention camp today Some prisons are well known in others inmates suffered in obscurity Through self organization education and actions ranging from solitary non cooperation to mass hunger strikes these prisoners transform their incarceration and counter states efforts to control them While considering the international movements that have sought to publicize the plight of political prisoners Dance in Chains examines the actions of the prisoners themselves to find universal answers to questions about the meaning and purpose of their imprisonment

La France et l'Irlande : destins croisés (16e - 21e siècles)

Catherine Maignant, 2013-03-14 L'amitié franco-irlandaise passe pour une évidence mais ses origines et ses expressions parfois insolites sont peu connues Souligner les destins croisés de la France et de l'Irlande entre les XVIIe et XXIe siècles permet de redonner vie des personnages souvent hauts en couleurs qui l'ont incarné au cours des siècles Les réfugiés contraints fuir l'Irlande au XVIIe siècle les soldats des régiments irlandais incorporés aux armées royales françaises mais aussi plus récemment les militants nationalistes ou même une irlandaise active au sein de la Résistance française de la Deuxième guerre mondiale sont quelques uns des héros de cette étude l'inverse la curiosité française vis-à-vis de l'Irlande est mise en évidence par les récits ou photos de voyageurs et même les reportages d'une journaliste passionnée d'Irlande dans la première moitié du XXe siècle Plus récemment ce sont les relations culturelles politiques et religieuses qui sont identifiées et analysées Ce livre résolument interdisciplinaire dans son approche fait enfin appel à la littérature pour mieux cerner les liens profonds et complexes qui unissent les deux pays

Anatomy of a Killing Ian Cobain, 2021-05-08 A concise and gripping history of the Troubles

revealing the people behind the pain and violence from the award-winning investigative journalist Vice On the morning of Saturday 22nd April 1978 members of an Active Service Unit of the IRA hijacked a car and crossed the countryside to the town of Lisburn Within an hour they had killed an off-duty policeman in front of his young son In *Anatomy of a Killing* award-winning journalist Ian Cobain documents the hours leading up to the killing and the months and years of violence attrition

and rebellion surrounding it Drawing on interviews with those most closely involved as well as court files police notes military intelligence reports IRA strategy papers memoirs and government records this is a unique perspective on the Troubles and a revelatory work of investigative journalism As gripping as a thriller except that this isn't fiction but cold spine tingling reality Daily Mail A remarkable piece of forensic journalism Ed Moloney author of *Voices from the Grave* Reads like a work of fiction True and harrowing Irish Sunday Independent Books of the Year Books Ireland, 2005 **Out of Time** Laurence McKeown, 2001 **Fortnight**, 2007 *Out of Time* Hackney Empire Theatre (Firm), 2001 Learning behind Bars Dieter Reinisch, 2022-10-03 Learning behind Bars is an oral history of former Irish republican prisoners in the Republic of Ireland and Northern Ireland between 1971 the year internment was introduced and 2000 when the high security Long Kesh Detention Centre HM Prison Maze closed Dieter Reinisch outlines the role of politically motivated prisoners in ending armed conflicts as well as the personal and political development of these radical activists during their imprisonment Based on extensive life story interviews with Irish Republican Army IRA ex prisoners the book examines how political prisoners developed their intellectual positions through the interplay of political education and resistance It sheds light on how prisoners used this experience to initiate the debates that eventually led to acceptance of the peace process in Northern Ireland Politically relevant and instructive Learning behind Bars illuminates the value of education politics and resistance in the harshest of social environments Jailbreak: Great Republican Escapes, 1865-1983 James Durney, 2024-09 **Special Category** Ruán O'Donnell, 2015-08-25 This pioneering three part work is the definitive history of Irish Republican prisoners detained in England's maximum security prison dispersal system during the entire period of the Troubles A resurgence of IRA violence in Britain resulted in a steady stream of prisoners that ensured the organisation maintained a significant jail population Based on private correspondence British state archives declassified government documents international media reports and memoirs of key protagonists account is taken of all major riots roof top protests sabotage attacks and escape attempts undertaken by the IRA as well as the little known blanket protest undertaken in several locations in England **Special Category Volume 2** tells the full story of the Wormwood Scrubs riot of August 1979 Brixton breakout of December 1980 and the pivotal Albany mutiny of May 1983 told for the first time using fresh eye witness accounts as well as official and public sources The perspectives of the Irish and British governments various judiciaries international legal forums ordinary decent criminals and prisoner solidarity groups are outlined in detail This ground breaking book establishes that the prison war in England was a far more important IRA theatre of action than hitherto realised **Learning Behind Bars: How IRA Prisoners** Dieter Reinisch, 2022-11-17 This book sheds light on Irish republican prisoners during the Northern Irish Troubles and the ways in which they shaped the peace process from within the internment camps and prisons **Special Category** Ruan O'Donnell, 2012 A major 3 part work that is the definitive history of Irish Republican prisoners detained in England's maximum security prisons during the modern Troubles Based on private correspondence declassified government

documents international media reports and memoirs of key protagonists this book tells the story of all the major riots roof top protests sabotage attacks and escape attempts undertaken by the IRA as well as the little known blanket protest in several prison locations in England Volume 2 tells the full story of the Wormwood Scrubs riot of August 1979 Brixton breakout of December 1980 and the pivotal Albany mutiny of May 1983 told for the first time using fresh eye witness accounts as well as official and public sources This ground breaking book confirms that the prison war in England was a far more important IRA theatre of action than previously believed Publisher description

An Archaeology of the Troubles Laura McAtackney, 2014 This volume reveals the seminal role of material culture in understanding the Long Kesh Maze prison during the course of the Troubles in Northern Ireland continuing into the peace process Using a multitude of sources it provides an interpretation of the Troubles and the continuing destabilizing role of material remnants of the conflict
