Pioneer Homesteaders Of The Fort Rock Valley:

Pioneer Homesteaders of the Fort Rock Valley Raymond R. Hatton,1982 **Sand and Sagebrush** Ellie Derrick Lewis,2019-07-26 In 1914 a young married couple leaves the lush Willamette Valley to participate in the last land give away in the US The newspaper headlines and tales of success lead them to the harsh desert valley of southern Oregon The Oregon Companion Richard H. Engeman,2009-09-01 What s the connection between Ken Kesey and Nancy s Yogurt How about the difference between a hoedad and a webfoot What became of the Pixie Kitchen and the vanished Lambert Gardens The Oregon Companion is an A Z handbook of over 1000 people places and things From Abernethy and beaver money to houseboats railroads and the Zigzag River an intrepid public historian separates fact from fiction with his sense of humor intact Entries include towns and cities counties rivers lakes and mountains people who have left a mark on Oregon industries products crops and natural resources Includes more than 160 historical black and white photos This entertaining and delightfully meticulous compendium is an essential reference for anyone curious about Oregon The Sandy Knoll Murder. Legacy of the Sheepshooters Melany Tupper,2010-12-23 The Sandy Knoll Murder Legacy of the Sheepshooters is the true story of the high profile 1904 murder of John Creed Conn who disappeared in the midst of central Oregon s bloody range war period That circumstance has always been believed to have precipitated his death Sensational and intriguing the details of the murder held the reading public in rapt attention with articles appearing on the front page of the Oregonian for nine months after Conn s mysterious disappearance It is not very often that a prominent man a celebrity vanishes from the main street of an Oregon town in broad daylight And even less often does a missing man s body reappear on a small sandy knoll outside of that same town seven weeks later This work is the result of six years of painstaking research that encompassed eighty other homicides and suspicious deaths of the period Conn s life and relationships the circumstances of his death and all that was ever written by and about the sheepshooters All of the planning that the killer put into making Conn vanish showed a high level of control and organization on his part But he did unwittingly leave some clues to his identity and they could be traced like fingerprints through the ink of the newspapers of the day Other clues were left like footprints in the soil surrounding the Sandy Knoll and in the behaviors that he exhibited there Conn was the brother of a district attorney and a member of a politically prominent and well connected family He was a local celebrity and a respected figure and there could be no doubt that a massive man hunt and investigation would ensue Every effort has been made to adhere to the facts of the case long held as the legacy of the sheepshooters The Creed Conn murder was then and remains today one of the most sensational in the history of the state of Oregon *Moon Oregon* Judy Jewell,W.
