eye career spanning almost three decades he has seen it all Join Fulmer as he describes in breathtaking detail his investigations and daring challenges involving kidnapped children missing diamonds and insurance scams Discover how he busted a fake chiropractic clinic recovered thousands of dollars of purloined tortillas and proved an injured stripper was not so injured after all In the private eye world truth really is stranger than fiction At the age of eight Fulmer discovered the mysteries of Sherlock Holmes in his elementary school library and his career choice was set His investigations have taken him from Texas to Utah and California to Washington DC From the streets of San Francisco to a secret cave in rural Pennsylvania where he began working for the U S government Fulmer has unraveled intrigues busted employee theft and even worked with F B I His true life cases have run the gamut from workers comp fraud and murder to recovering runaways human smuggling and cheating spouses From placing hidden GPS trackers on vehicles proving trademark infringement and even investigating members of the George Bush administration Confessions of a Private Eye is Fulmer s spell binding account and your backstage pass to learning how real private investigators go about solving cases and catching the bad guys Of course all the names locations and other identifying details have been changed to protect the privacy of the innocent and the guilty Learn how Fulmer got his start in the private investigator business and the mistakes he made a long the way His narrative is insightful and often poignant Not every investigation has a happy ending But through it all you ll learn about Fulmer s unique investigatory methods and his state of the art equipment Confessions of a Private Eye is a humorous thorough and perceptive depiction of the mysterious private investigation world by one of the country s top private eyes

How to Launch Your Private Investigation Business: 90 days to lift off John A Hoda,2019-04-11 Thinking of starting your own Private Investigation Business Do you have a passion for investigation Do you want to take your pension from the police department or government service but you are not sure how to turn your investigative expertise into a successful second career Veteran investigator John A Hoda talks you through the entire launch sequence from planning and design to lift off This is a book specifically for persons wanting to become a private investigator First or second year private investigators who want to restart their business on the fly can benefit from studying this book as well There are plenty of books on starting your own business but what may work for a pizza shop or a pest control company may not work for the business model you want to create Hoda applies sound business practices for Private Investigators who will specialize across the spectrum of different customer needs This is not a one size fits all look at how I did it memoir The 90 day countdown alone is worth the price of the book

How to Make \$100,000 a Year as a Private Investigator Edmund J. Pankau,1993 This is the only PI book that tells you how to find the lucrative jobs and make big bucks Find out what cities are naturals for PIs which businesses desperately need investigators how to stretch your limited advertising budget how to use associations and clients to land other jobs what three tools you must have to succeed and much more

[Becoming a Private Investigator](#) Howie Kahn,2019-05-07 A fascinating guide to a career as a private investigator written by award winning journalist Howie Kahn

and based on the real life experiences of an expert in the field essential reading for someone considering a path to this profession *Becoming a Private Investigator* puts a seemingly out of reach profession within the your grasp Weaving practical how to advice with inspiring case studies Kahn provides actionable steps anyone can take to pursue a career as a P I as he shadows two experienced American P I s Sheila Wysocki and Mark Gillespie both of whom are investigating a series of deaths about which many questions remain What skills must they master to find out the truth What risks must they take to succeed In a narrative full of shocking details *Becoming a Private Investigator* sheds light on the professionals who fight for justice and change the lives of others forever

Fraud Investigation Petter Gottschalk,2018-03-05 Investigating white collar crime is like any other investigation concerned with past events However a number of characteristics require a contingent approach to these investigations This book describes the process of conducting private internal investigations by fraud examiners and presents a number of reports from the United States Sweden and Norway It evaluates a number of internal investigation reports to reflect on the practice of fraud examinations Empirical studies provide a basis to reflect theoretically on practice improvements for fraud examiners Rather than presenting normative recommendations based on ideal or stereotype situations so often found in existing books this book develops guidelines based on empirical study of current practice Internal investigations should uncover the truth about misconduct or crime without damaging the reputation of innocent employees Typical elements of an inquiry include collection and examination of written and recorded evidence interviews with suspects and witnesses data in computer systems and network forensics Internal inquiries may take many forms depending upon the nature of the conduct at issue and the scope of the investigation There should be recognition at the outset of any investigation that certain materials prepared during the course of the investigation may eventually be subject to disclosure to law enforcement authorities or other third parties The entire investigation should be conducted with an eye towards preparing a final report As evidenced in this book private fraud examiners take on complicated roles in private internal investigations and often fail in their struggle to reconstruct the past in objective ways characterized by integrity and accountability

Private Investigation Frank J. MacHovec,1991

Internal Investigations of Economic Crime Petter Gottschalk,2015-08-18 Private internal investigations by fraud examiners is a growing business for professional services firms This book presents evaluations of a number of investigation reports in the United States and Norway The book discusses self regulation and regulatory policy Convenience theory is introduced as an integrated explanation of white collar crime

The Elements of Private Investigation Anthony Manley,2009-10-19 In today s increasingly litigious society the threat of a private investigator PI being hit with a civil lawsuit or even criminal charges is very real Keeping up with the multitude of laws that impact what investigators can and can t do can be daunting but could prove very costly if ignored Emphasizing legal and liability issues *The Elements o*
