Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States **Goethe in English** Derek Glass, Martin H. Jones, 2005 This bibliography was commissioned by the English Goethe Society as a contribution to the celebration in 1999 of the 250th anniversary of Goethe's birth It sets out to record translations of his works into English that have been published in the twentieth century up to and including material published in that anniversary year It aims to serve as wide a constituency as possible be it as a simple reference tool for tracing a translation of a given work or as a documentary source for specialized studies of Goethe reception in the English speaking world The work records publications during the century not merely translations that originated during this period It includes numerous reprintings of older material as well as some belated first publications of translations from the nineteenth century It shows how frequent and how long enduring was the recourse of publishers and anthologists to a Goethe Victorian in diction a signal factor in perceptions and misperceptions Derek Glass was putting the finishing touches to the bibliography at the time of his sudden death in March 2004 Colleagues at Kings College London have edited the final manuscript which is now published jointly by the English Goethe Society and the Modern Humanities Research Association both as a worthy commemoration of Goethe's anniversary and as a tribute to Derek himself
