SINGLE MOTHERS AND THE
HISTORY OF WELFARE

Pitied But Not Entitled

David Kairys

Pitied But Not Entitled:

Pitied But Not Entitled Linda Gordon, 1995 When Americans denounce welfare most are thinking of the program of aid for single mothers and their children the only program of the Social Security Act to become stigmatized Gordon uncovers the tangled roots of competing visions of welfare and shows that welfare reform can only work if it recognizes that single motherhood is an enduring aspect of contemporary life

Killing the Black Body Dorothy Roberts, 2014-02-19 Killing the Black Body remains a rallying cry for education awareness and action on extending reproductive justice to all women It is as crucial as ever even two decades after its original publication A must read for all those who claim to care about racial and gender justice in America Michelle Alexander author of The New Jim Crow In 1997 this groundbreaking book made a powerful entrance into the national conversation on race In a media landscape dominated by racially biased images of welfare queens and crack babies Killing the Black Body exposed America's systemic abuse of Black women's bodies From slave masters economic stake in bonded women's fertility to government programs that coerced thousands of poor Black women into being sterilized as late as the 1970s these abuses pointed to the degradation of Black motherhood and the exclusion of Black women's reproductive needs in mainstream feminist and civil rights agendas Compelling Deftly shows how distorted and racist constructions of black motherhood have affected politics law and policy in the United States Ms

Civilizing Capitalism Landon R. Y. Storrs, 2003-07-11 Offering fresh insights into the history of labor policy the New Deal feminism and southern politics Landon Storrs examines the New Deal era of the National Consumers League one of the most influential reform organizations of the early twentieth century Founded in 1899 by affluent women concerned about the exploitation of women wage earners the National Consumers League used a strategy of ethical consumption to spark a successful movement for state laws to reduce hours and establish minimum wages for women During the Great Depression it campaigned to raise labor standards in the unregulated non union South hoping to discourage the relocation of manufacturers to the region because of cheaper labor and to break the downward spiral of labor standards nationwide Promoting regulation of men's labor as well as women's the league shaped the National Recovery Administration codes and the Fair Labor Standards Act of 1938 but still battled the National Woman's Party whose proposed equal rights amendment threatened sex based labor laws Using the National Consumers League as a window on the nation's evolving reform tradition Civilizing Capitalism explores what progressive feminists hoped for from the New Deal and why despite significant victories they ultimately were disappointed

Social Policy and Social Change Jillian Jimenez, Eileen Mayers Pasztor, Ruth M. Chambers, Cheryl Pearlman Fujii, 2014-02-26 The Second Edition of Social Policy and Social Change is a timely examination of the field unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them The New Edition of this seminal text examines issues of discrimination health care housing income and child welfare and considers the policies that strive to improve them With a focus on how domestic

social policies can be transformed to promote social justice for all groups Jimenez et al consider the impact of globalization in the United States while addressing developing concerns now emerging in the global village *Medicaid Politics and Policy* David G. Smith, 2017-09-08 The story of Medicaid comes alive for readers in this strong narrative including detailed accounts of important policy changes and extensive use of interviews A central theme of the book is that Medicaid is a weak entitlement one less established or effectively defended than Medicare or Social Security but more secure than welfare or food stamps In their analysis the authors argue that the future of Medicaid is sound It has the flexibility to be adapted by states as well as to allow for policy innovation At the same time the program lacks an effective mechanism for overall reform They note Medicaid has become a source of perennial political controversy as it has grown to become the largest health insurance system in the country The book's dual emphasis on politics and policy is important in making the arcane Medicaid program accessible to readers and in distinguishing policy grounded in analysis from partisan ideology This second edition features a new preface three new chapters accounting for the changes to the Affordable Care Act and an updated glossary

The Cambridge History of Science: Volume 7, The Modern Social Sciences David C. Lindberg, Theodore M. Porter, Roy Porter, Ronald L. Numbers, 2003-08-04 This volume provides a history of the concepts practices institutions and ideologies of social sciences including behavioural and economic sciences since the eighteenth century It offers original synthetic accounts of the historical development of social knowledge including its philosophical assumptions its social and intellectual organization and its relations to science medicine politics bureaucracy philosophy religion and the professions Its forty two chapters include inquiries into the genres and traditions that formed social science the careers of the main social disciplines psychology economics sociology anthropology political science geography history and statistics and international essays on social science in Eastern Europe Asia Africa and Latin America It also includes essays that examine the involvement of the social sciences in government business education culture and social policy This is a broad cultural history of social science which analyzes from a variety of perspectives its participation in the making of the modern world

Federal Fathers and Mothers Cathleen D. Cahill, 2011-06-20 Established in 1824 the United States Indian Service USIS now known as the Bureau of Indian Affairs was the agency responsible for carrying out U S treaty and trust obligations to American Indians but it also sought to civilize and assimilate them In *Federal Fathers and Mothers* Cathleen Cahill offers the first in depth social history of the agency during the height of its assimilation efforts in the late nineteenth and early twentieth centuries Cahill shows how the USIS pursued a strategy of intimate colonialism using employees as surrogate parents and model families in order to shift Native Americans allegiances from tribal kinship networks to Euro American familial structures and ultimately the U S government

That Pride of Race and Character Caroline E. Light, 2014-07-04 It has ever been the boast of the Jewish people that they support their own poor declared Kentucky attorney Benjamin Franklin Jonas in 1856 Their reasons are partly founded in religious necessity and partly in that pride of race and character

which has supported them through so many ages of trial and vicissitude In *That Pride of Race and Character* Caroline E Light examines the American Jewish tradition of benevolence and charity and explores its southern roots Light provides a critical analysis of benevolence as it was inflected by regional ideals of race and gender showing how a southern Jewish benevolent empire emerged in response to the combined pressures of post Civil War devastation and the simultaneous influx of eastern European immigration In an effort to combat the voices of anti Semitism and nativism established Jewish leaders developed a sophisticated and cutting edge network of charities in the South to ensure that Jews took care of those considered their own while also proving themselves to be exemplary white citizens Drawing from confidential case files and institutional records from various southern Jewish charities the book relates how southern Jewish leaders and their immigrant clients negotiated the complexities of fitting in in a place and time of significant socio political turbulence Ultimately the southern Jewish call to benevolence bore the particular imprint of the region s racial mores and left behind a rich legacy **Caring for Mom and**

Dad Susan Stein-Roggenbuck,2023-10-05 Throughout the twentieth century the United States implemented social policies targeting the needs of dependent parents parents who were no longer able to work but lacked sufficient financial resources to support themselves These parent dependency policies either encouraged or required family members particularly adult children to provide support as an alternative to government benefits Debates over how best to support aging parents centered on conceptualizations of dependency and the moral obligations family owed their parents Measures of dependency often inhibited aging Americans access to benefits they needed focusing instead on ensuring that they were in fact dependent and that other family resources were not available Susan Stein Roggenbuck highlights this understudied aspect of the modern US welfare state highlighting the limited support provided to aging parents and the hardship they and their adult children endured in the efforts to minimize public expenditures Gender and the Politics of Welfare Reform Joanne L.

Goodwin,2007-12-01 The first study to explore the origins of welfare in the context of local politics this book examines the first public welfare policy created specifically for mother only families Chicago initiated the largest mothers pension program in the United States in 1911 Evolving alongside movements for industrial justice and women s suffrage the mothers pension movement hoped to provide justice for mothers and protection from life s insecurities However local politics and public finance derailed the policy and most women were required to earn Widows were more likely to receive pensions than deserted women and unwed mothers And African American mothers were routinely excluded because they were proven breadwinners yet did not compete with white men for jobs Ultimately the once uniform commitment to protect motherhood faltered on the criteria of individual support and wage earning became a major component of the policy This revealing study shows how assumptions about women s roles have historically shaped public policy and sheds new light on the ongoing controversy of welfare reform Social Work Practice and Social Welfare Policy in the United States Philip R.

Popple,2018-01-26 The first new social work history to be written in over twenty years *Social Work Practice and Social*

Welfare Policy in the United States presents a history of the field from the perspective of elites service providers and recipients This book uniquely chronicles and analyzes the development of social work practice theory on two levels from the top down looking at the writings conference presentations and training course material developed by leaders of the profession and from the bottom up looking at case records for evidence of techniques that were actually applied by social workers in the field Additionally the author takes a careful and critical look at the development of social work methods setting it apart from existing histories that generally accept the effectiveness of the field s work Addressing CSWE EPAS standards at both the BSW and MSW levels Social Work Practice and Social Welfare Policy in the United States is ideal both as a primary text for history of social work social welfare classes and a supplementary text for introduction to social work social welfare or social welfare policy and services classes

Marital Privilege Serena Mayeri, 2025-07-08 How the privileged legal status of marriage survived decades of constitutional struggle and social change The United States is unusual among wealthy western nations in the degree to which the law channels public benefits and private economic resources through marriage This remains so despite seismic changes in American family life in the last several decades of the twentieth century During this period marriage rates declined while divorce and nonmarital childbearing soared Social movements for racial and economic justice women s and gay rights and liberation civil liberties and reproductive freedom transformed the legal landscape In *Marital Privilege* Serena Mayeri tells the stories of parents and partners and activists and lawyers who challenged the legal primacy of marriage They made innovative constitutional claims in courts and launched grassroots efforts to change laws and practices that penalized nonmarital relationships But even though reforms eliminated the most visible discrimination against women people of color and children born to unmarried parents and eventually against gay and lesbian Americans marriage s privileged status endured Because marriage increasingly correlated with education and wealth marital primacy intensified racial and economic inequality *Marital Privilege* explains how as American law selectively incorporated principles of liberty and equality the benefits of marriage became increasingly unavailable to those who needed them most

Poverty and Dependency John Macnicol, 2020-07-31 This incisive book addresses the history of poverty in the US addressing how those in need have been understood and administered during the last 70 years Launching a multi faceted investigation into the history of US government attitudes to welfare John Macnicol identifies the key features of historic and contemporary discussions on poverty in the US and the dynamic changes in American attitudes to its poorest constituents

The Politics Of Law David Kairys, 1998-05-09 *The Politics of Law* is the most widely read critique of the nature and role of the law in American society This revised edition continues the book s concrete focus on the major subjects and fields of law New essays on emerging fields and the latest trends and cases have been added to updated versions of the now classic essays from earlier editions A unique assortment of leading scholars and practitioners in law and related disciplines political science economics sociology criminology history and literature raise basic questions about law challenging long held ideals like the

separation of law from politics economics religion and culture They address such issues contextually and with a keen historical perspective as they explain and critique the law in a broad range of areas This third edition contains essays on all of the subjects covered in the first year of law school while continuing the book's tradition of accessibility to non law trained readers Insightful and powerful *The Politics of Law* makes sense of the debates about judicial restraint and the range of legal controversies so central to American public life and culture

For All These Rights Jennifer Klein, 2010-01-02 The New Deal placed security at the center of American political and economic life by establishing an explicit partnership between the state economy and citizens In America unlike anywhere else in the world most people depend overwhelmingly on private health insurance and employee benefits The astounding rise of this phenomenon from before World War II however has been largely overlooked In this powerful history of the American reliance on employment based benefits Jennifer Klein examines the interwoven politics of social provision and labor relations from the 1910s to the 1960s Through a narrative that connects the commercial life insurance industry the politics of Social Security organized labor's quest for economic security and the evolution of modern health insurance she shows how the firm centered welfare system emerged Moreover the imperatives of industrial relations Klein argues shaped public and private social security Looking closely at unions and communities Klein uncovers the wide range of alternative community based health plans that had begun to germinate in the 1930s and 1940s but that eventually succumbed to commercial health insurance and pensions She also illuminates the contests to define security job security health security and old age security following World War II *For All These Rights* traces the fate of the New Deal emphasis on social entitlement as the private sector competed with and emulated Roosevelt's Social Security program Through the story of struggles over health security and old age security social rights and the welfare state it traces the fate of New Deal liberalism as a set of ideas about the state security and labor rights in the 1950s the 1960s and beyond

Getting Tough Julilly Kohler-Hausmann, 2017-05-02 The politics and policies that led to America's expansion of the penal system and reduction of welfare programs In 1970s America politicians began getting tough on drugs crime and welfare These campaigns helped expand the nation's penal system discredit welfare programs and cast blame for the era's social upheaval on racialized deviants that the state was not accountable to serve or represent *Getting Tough* sheds light on how this unprecedented growth of the penal system and the evisceration of the nation's welfare programs developed hand in hand Julilly Kohler Hausmann shows that these historical events were animated by struggles over how to interpret and respond to the inequality and disorder that crested during this period When social movements and the slowing economy destabilized the U S welfare state politicians reacted by repudiating the commitment to individual rehabilitation that had governed penal and social programs for decades In its place they championed strategies of punishment surveillance and containment The architects of these tough strategies insisted they were necessary given the failure of liberal social programs and the supposed pathological culture within poor African American and Latino communities Kohler Hausmann rejects this

explanation and describes how the spectacle of enacting punitive policies convinced many Americans that social investment was counterproductive and the underclass could be managed only through coercion and force *Getting Tough* illuminates this narrative through three legislative cases New York's adoption of the 1973 Rockefeller drug laws Illinois's and California's attempts to reform welfare through criminalization and work mandates and California's passing of a 1976 sentencing law that abandoned rehabilitation as an aim of incarceration Spanning diverse institutions and weaving together the perspectives of opponents supporters and targets of punitive policies *Getting Tough* offers new interpretations of dramatic transformations in the modern American state

Child Care in Black and White Jessie B. Ramey, 2012-04-15 This innovative study examines the development of institutional childcare from 1878 to 1929 based on a comparison of two sister orphanages in Pittsburgh the all white United Presbyterian Orphan's Home and the all black Home for Colored Children Drawing on quantitative analysis of the records of more than 1 500 children living at the two orphanages as well as census data city logs and contemporary social science surveys this study raises new questions about the role of childcare in constructing and perpetrating social inequality in the United States

Unprotected Labor Vanessa H. May, 2011 Through an analysis of women's reform domestic worker activism and cultural values attached to public and private space Vanessa May explains how and why domestic workers the largest category of working women before 1940 were excluded from labor protest

A Mother's Job Elizabeth R. Rose, 1999 This new book traces the transformation of day care from a charity for poor single mothers in the early twentieth century to a socially accepted need of ordinary families by the 1950s Using Philadelphia as a case study Elizabeth Rose explores the history of day care from the perspective of the families who used it as well as the philanthropists and social workers who administered it This study helps us understand the roots of our current dilemmas about day care in the context of debates on welfare women's work and family values

The Oxford Handbook of Citizenship Ayelet Shachar, Rainer Bauboeck, Irene Bloemraad, Maarten Vink, 2017-07-27 Contrary to predictions that it would become increasingly redundant in a globalizing world citizenship is back with a vengeance *The Oxford Handbook of Citizenship* brings together leading experts in law philosophy political science economics sociology and geography to provide a multidisciplinary comparative discussion of different dimensions of citizenship as legal status and political membership as rights and obligations as identity and belonging as civic virtues and practices of engagement and as a discourse of political and social equality or responsibility for a common good The contributors engage with some of the oldest normative and substantive quandaries in the literature dilemmas that have renewed salience in today's political climate As well as setting an agenda for future theoretical and empirical explorations this Handbook explores the state of citizenship today in an accessible and engaging manner that will appeal to a wide academic and non academic audience Chapters highlight variations in citizenship regimes practiced in different countries from immigrant states to non western contexts from settler societies to newly independent states attentive to both migrants and those who never cross an international border Topics

include the selling of citizenship multilevel citizenship in between statuses citizenship laws post colonial citizenship the impact of technological change on citizenship and other cutting edge issues This Handbook is the major reference work for those engaged with citizenship from a legal political and cultural perspective Written by the most knowledgeable senior and emerging scholars in their fields this comprehensive volume offers state of the art analyses of the main challenges and prospects of citizenship in today s world of increased migration and globalization Special emphasis is put on the question of whether inclusive and egalitarian citizenship can provide political legitimacy in a turbulent world of exploding social inequality and resurgent populism

Decoding **Pitied But Not Entitled**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Pitied But Not Entitled Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Pitied But Not Entitled PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Pitied But Not Entitled PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Pitied But Not Entitled free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Pitied But Not Entitled Books

What is a Pitied But Not Entitled PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Pitied But Not Entitled PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Pitied But Not Entitled PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Pitied But Not Entitled PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Pitied But Not Entitled PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers

PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
