**Lucy D. Curzon, Benjamin Jones**

## **Pitmen Painters:**

Pitmen Painters William Feaver, 1993 The Ashington Group began in the early 1930s as an evening class of Northumbrian pitmen keen to learn about art Within weeks they were producing their own work and within a few years their paintings amounted to a complete record of life in a mining community clocking in work at the coal face the pithead baths Saturday night at the club the corner shop dog track pigeon crees kitchen ally and allotment their paintings ring true transcending the usual limitations of amateur art

**The Pitmen Painters** Lee Hall, 2008 In 1934 a group of Ashington miners and a dental mechanic hired a professor from Newcastle University to teach an Art Appreciation evening class Unable to understand each other they embarked on one of the most unusual experiments in British art as the pitmen learned to become painters Within a few years the most avant garde artists became their friends their work was taken for prestigious collections and they were celebrated throughout the British art world but every day they worked as before down the mine The Pitmen Painters premiered at Live Theatre Newcastle upon Tyne in September 2007 before transferring to the National Theatre in 2008

**The Pitmen Painters** Lee Hall, 2011 THE STORY THE PITMEN PAINTERS is based on the triumphant true story of a group of British miners who discover a new way to express themselves and unexpectedly become art world sensations An arresting and witty salute to the power of individual ex Pitmen Painters William Feaver, 2011-02-01 Featuring the paintings of the Ashington Group a group of miners from an isolated village in Northumberland in England who took an art appreciation class in the 1930s this revealing history chronicles how the miners came to take up brushes and chisels to learn something of how art is made It documents their growing fame their discovery by documentary photographers and filmmakers and their resistance to interference from the social research organization Mass Observation Inspired by the world around them their subjects included clocking in at the mine work on the coalface the pithead baths Saturday night at the club domestic chores and World War II The pitmen s endeavors produced an account of a community in painting and sculpture which is considered to be without equal or rival Attracting wide acclaim the collection toured Europe and China and eventually found a home in the Woodhorn Colliery Museum in Northumbria Pitmen Painters William Feaver, 2011

**The Art Gallery on Stage** Mariacristina Cavecchi, 2024-03-21 Winner of the AIA Associazione Italiana di Anglistica Book Prize 2024 The Art Gallery on Stage is the first book to consider the representation of the art gallery on the contemporary British stage and to discuss how playwrights have begun to regard it as inspiration location focus or theme in an ever more intense game of cross fertilization The study analyzes the impact on dramatic form and theatrical presentation of what has been a paradigmatic shift in the way art galleries and museums display their collections and how these are perceived establishing a hitherto unexplored connection between modes of exhibiting and modes of representation It traces a trajectory from plays that were initially performed in traditional theatres in accordance with a naturalistic play structure to plays that favour of a radical reconfiguration of visual representation Indeed since the beginning of the new millennium playwrights

and theatre makers have increasingly experimented with new dramatic forms and site specific venues while forging collaborations with art makers and curators The book focuses on plays from the 1980s onwards such as Howard Barker's Scenes from an Execution Nick Dear's The Art of Success Alan Bennett's A Question of Attribution Timberlake Wertenbaker's Three Birds Alighting on a Field and The Line David Edgar's Pentecost Martin Crimp's Attempt on Her Life Rebecca Lenkiewicz's Shoreditch Madonna and The Painter David Leddy's Long Live the Little Knife and Tim Crouch's My Arm An Oak Tree and England and considers the vital contribution to the field made by set designers Ultimately through this study we come to understand how modern drama can offer a set of interpretative tools to enhance our understanding of the mechanisms underlying the social construction of art and furthermore the potential of theatre and the gallery space to question our fundamental cultural assumptions and values

**The Historical Contexts and Contemporary Uses of Mass Observation** Lucy D. Curzon, Benjamin Jones, 2024-10-17 The Historical Contexts and Contemporary Uses of Mass

Observation embraces new approaches and themes that highlight Mass Observation's long history as an innovative research organization a social movement and an archival project Spanning the period from Mass Observation's inception to the present day essay authors discuss a wide range of topics including anthropology history popular politics cultural studies literature selfhood emotion art and visual studies Indeed what emerges across this volume is confirmation that engagement with Mass Observation whether its historical materials or those produced in the last decade is crucial to understanding the vast array of experiences that make up British life

**The Painter** Deepanjana Pal, 2011-12-02 On April 29 1848 in a small estate in Travancore was born a boy destined to become more famous than the ruler of his kingdom His uncle noticing his precocious talent at art took the teenager to the royal court at the invitation of the king to learn painting there Ravi Varma's debut was to come seven years later when a Danish painter arrived in court to paint the Maharaja and his wife The twenty year old boldly upstaged the experienced artist presenting the king with a more flattering painting of the royal couple at the same time as the official portrait was unveiled Jensen the painter never forgave Ravi Varma but for the young man there was no looking back His reputation grew with each painting For the first time an Indian artist was using the realism and sensuality of the European oil painters and applying them to not just ordinary Indians but to the deities as well The artist prince became India's first celebrity painter The lines to see his exhibition of mythological paintings in Bombay in 1890 the first public showing by any Indian artist were endless the prices he commanded were astronomical then when he started his own printing press producing oleographs of his work Raja Ravi Varma became a household name Soon every home had a Ravi Varma print For the first time comes a beautifully told gripping account of Ravi Varma the man who was the darling of the royal courts but who hardly gave his own wife and children any time the nobleman who took the revolutionary step of being an artist yet who insisted on using the false title of raja and the idealistic entrepreneur who bankrupted himself running a printing press yet whose dream of bringing art to the masses became a reality Blending fact with imagination

writing with wit and lyricism Deepanjana Pal takes you into the life of an extraordinary man and brings him vividly alive

**Between Heaven and Charing Cross** Martin Warner, 2009-02-26 In *What's Going on Inside* Martin Warner sets out to give an intellectual and spiritual account of the adventure of faith. With originality and courage Warner has based this book on the vesting prayers used by the celebrant at the Eucharist. However a scriptural metaphor best describes the book's contents. In Genesis God promises to make Abraham's descendants as many as the stars in the night sky. This book recovers a vision of the stars for understanding the inheritance of that promise today. What goes on in our minds when we begin to think about prayer, worship and God? How do we identify what we mean by spirit? Warner explores the theme of what is shared and what is eternal and looks at the implications of the binding by God of God himself to humanity. Finally friendship with God is seen as a foundation for understanding human dignity. In all this the universal aspect of vesting prayers is applied for we are all clothed in resurrection bodies.

**British Women Artists** Carolyn Trant, 2024-03-14 Consider for a moment the history of modern art in Britain; you may struggle to land on a narrative that features very many women. On this journey through a fascinating period of social change, artist Carolyn Trant fills in some of the gaps in traditional art histories. Introducing the lives and works of a rich network of neglected women artists, *British Women Artists* sets these alongside such renowned presences as Barbara Hepworth, Laura Knight and Winifred Nicholson. In an era of radical activism and great social and political change, women forged new relationships with art and its institutions. Such change was not without its challenges and with acerbic wit Trant delves into the gendered make-up of the avant-garde and the tyranny of artistic isms. In the decades after women won the vote in Britain, the fortunes of women artists were shaped by war, domesticity, continued oppressions and spirited resistance. Some succeeded in forging creative careers; others were thwarted by the odds stacked against them. Weaving devastating individual stories with playful critique, *British Women Artists* reveals this hidden history.

*The Pitmen's Requiem* Peter Crookston, 2014-01-05 Peter Crookston's book offers a beautifully written journalist's account of a Durham mining village and the Great Northern Coalfield woven around the life of Robert Saint, the composer of *Gresford*, a brass band composition commemorating an earlier mining disaster in which 256 workers died. Crookston brings his formidable observational qualities and writing skills as a journalist to produce a gripping narrative with utterly compelling characters and a heart-rending culmination in the demise of the mining industry under assault by Thatcher. The story is told in a gentle, unpretentious way, frequently giving voice to the characters themselves, many of whom the author knew personally or got to know in preparing the book. Apart from capturing a critical moment in a disappearing world, the book offers a vantage point from which to reflect on our own culture and what we have lost in post-industrial Britain: the loss of community which did so much to sustain and nurture those miners in their desperate plights. This is as much a history of culture and place as much as it is biography; a book that is at once an elegy and a tribute.

*The Pie At Night* Stuart Maconie, 2015-09-10 Factory, mine and mill. Industry, toil and grime. Its manufacturing roots mean we still see the North of England as a

hardworking place But more than possibly anywhere else the North has always known how to get dressed up take itself out on the town and have a good time After all working and playing hard is its specialty and Stuart Maconie is in search of what exactly this entails what it tells us about the North today Following tip offs and rumour Stuart takes trip to forgotten corners and locals haunts From the tapas bars of Halifax to the caravan parks of Berwick Upon Tweed from a Westhoughton bowling green to Manchester s curry mile via dog tracks and art galleries dance floors and high fells Stuart compares the new and old North with some surprising results The Pie at Night could be seen as a companion to the bestselling Pies and Prejudice but it is not a sequel After all this is a new decade and the North is changing faster than ever This is a revealing and digressive journey and a State of the North address delivered from barstool terrace dress circle and hillside **Whippets** Pam

understand the deep past and uncertain future of his homeland After inheriting the miner s safety lamp that belonged to his great grandfather Jake Morris Campbell sets out on a pilgrimage across his homeland Travelling from the Holy Island of Lindisfarne to Durham Cathedral he asks what new ways might be made through the old north This region a hub of early

Christian Britain and later strongly defined by industry and class now faces an uncertain future But it remains a unique and starkly beautiful part of the country with a deep history that is intimately entwined with the idea of Englishness Jake s journey along the Camino of the North sees him explore the shifting nature of individual and regional identity across thirteen hundred years of social change At the same time it challenges him to reconsider his own calling as a writer and how it relates to the lives of the people he meets along the way Between the salt and the ash asks what stories the North East can tell about itself in the wake of Christianity and coal Rejecting the damaging trope of left behind communities Jake uncovers neglected seams of culture and history while offering a heartfelt celebration of the place he calls hyem      **Psychodrama** Matt Wilkinson,2022-08-15 Dress by Ganni Bra by Coco de Mer Knife by Stanley A gripping revenge tale about an actress in her 40s under investigation for the murder of an auteur theatre director whilst rehearsing a stage production of Hitchcock s Psycho A whip smart take on what it means to be middle aged and female in an industry captivated by stardust and beauty This edition was published to coincide with the run at The Traverse Theatre Edinburgh 2022      English Theatre and Social Abjection Nadine Holdsworth,2020-08-18 Focusing on contemporary English theatre this book asks a series of questions How has theatre contributed to understandings of the North South divide What have theatrical treatments of riots offered to wider debates about their causes and consequences Has theatre been able to intervene in the social unease around Gypsy and Traveller communities How has theatre challenged white privilege and the persistent denigration of black citizens In approaching these questions this book argues that the nation is blighted by a number of internal rifts that pit people against each other in ways that cast particular groups as threats to the nation as unruly or demeaned citizens as social abjects It interrogates how those divisions are generated and circulated in public discourse and how theatre offers up counter hegemonic and resistant practices that question and challenge negative stigmatization but also how theatre can contribute to the recirculation of problematic cultural imaginaries      **Voices at Work** Alan Bogg,Tonia Novitz,2014-04-03 This edited collection is the culmination of a comparative project on Voices at Work funded by the Leverhulme Trust 2010 2013 The book aims to shed light on the problematic concept of worker voice by tracking its evolution and its complex interactions with various forms of law Contributors to the volume identify the scope for continuity of legal approaches to voice and the potential for change in a sample of industrialised English speaking common law countries namely Australia Canada New Zealand UK and USA These countries facing broadly similar regulatory dilemmas have often sought to borrow and adapt certain legal mechanisms from one another The variance in the outcomes of any attempts at borrowing seems to demonstrate that despite apparent membership of a common law family there are significant differences between industrial systems and constitutional traditions thereby casting doubt on the notion that there are definitive legal solutions which can be applied through transplantation Instead it seems worth studying the diverse possibilities for worker voice offered in divergent contexts not only through traditional forms of labour law but also such disciplines as competition law human rights law

international law and public law In this way the comparative study highlights a rich multiplicity of institutions and locations of worker voice configured in a variety of ways across the English speaking common law world This book comprises contributions from many leading scholars of labour law politics and industrial relations drawn from across the jurisdictions and is therefore an exceedingly comprehensive comparative study It is addressed to academics policymakers legal practitioners legislative drafters trade unions and interest groups alike Additionally while offering a critique of existing laws this book proposes alternative legal tools to promote engagement with a multitude of voices at work and therefore foster the effective deployment of law in industrial relations
