Shout Out Edward W. Pluemer,2015-07-10 This story is a comedy that is loosely drawn on my earlier years focusing on the life of 27 year old Bob Palmer who is now disenchanted with his future as a letter carrier and pins his hopes for happiness and success on the his weekend band named Shout Out The band's future gets an unexpected supernatural boost from beyond The book spans the years 1985-1988 The band had been together about 4 years and is beginning to stagnate The band members all have lives of their own and are starting to lose interest in the band and the added work it represents Bob is able to convince the other four members to make a final effort to tighten up their act and start playing original songs to enable them to create a demand for their music For this purpose Bob begins writing music His attempts somehow attract supernatural attention and he begins receiving melodies and parts of songs via channeling from a rocker who died prematurely in a plane crash in the 1960s With the deceased rockers indirect help Bob begins writing music that is good enough to allow the band to put together a show that builds in intensity and ends with a dramatic climax attracting crowds new bookings an agent and eventually regional and national recording labels Now with success in hand one last issue still remains for Bob How to repay the deceased rocker for his help Bob finds his answer when he learns of then locates the lone surviving offspring of the rockers family a young daughter Bobs humorous relationships and experiences with his fellow employees at the post office a local bartender who becomes his love interest and the other members of the band form the core of the book The story is intended to be fun but also touches on some of the serious aspects of life and life's inherent circular nature

Dick Gibson,2006-06-01 As 1969 comes to a close Rob Grant begins to suspect that his year long romance with Luisa is also nearing an end If his instincts are right it would mean that his search for an enduring relationship and a surrogate mother for his two teenage sons would continue Twice divorced it doesn t help that he s very cautious when it comes to making another long term commitment Then late in December it s by sheer chance that Rob meets a former sweetheart while they re both on business trips to Australia Their love affair is reborn offering him the prospect of a bright future with a lovable woman Unfortunately the path ahead is anything but smooth But in the background is Kim Rossi a new woman in his life who becomes a valued friend who generously offers Rob her support and eventually her love to this man whose strength is tested by the trials that confront him Jasmins in Cowpads Penny & Stuart McFarlane,2015-03-20 Travelling the world from your armchair Travel journal recording the experiences of travelling the world in your fifties This book has been written in response to a demand for information based on our personal experience of travelling the world in our fifties It is not a book about staying in good hotels in pleasant places using trouble free transport but rather about doing what many of us as fifty or sixty somethings wished we could have done in our twenties This is then how Jasmins in Cowpads differs from the normal travel guide In a series of brief but colourful snapshots it offers a first hand account of a journey around India and Nepal from Thailand down through Malaysia and Singapore up the east coast of Australia New Zealand Fiji and Mexico returning

via the US With thought provoking reflections and humorous observations it invokes the sights sounds and smells of our sometimes amazing sometimes appalling experiences en route and then provides a page of factual information on how to do it yourself

Akin Emma Donoghue,2019-09-10 This soul stirring novel by the New York Times bestselling author of Room O Magazine is one of the New York Post s best books of the year Noah Selvaggio is a retired chemistry professor and widower living on the Upper West Side but born in the South of France He is days away from his first visit back to Nice since he was a child bringing with him a handful of puzzling photos he s discovered from his mother s wartime years But he receives a call from social services Noah is the closest available relative of an eleven year old great nephew he s never met who urgently needs someone to look after him Out of a feeling of obligation Noah agrees to take Michael along on his trip Much has changed in this famously charming seaside mecca still haunted by memories of the Nazi occupation The unlikely duo suffering from jet lag and culture shock bicker about everything from steak frites to screen time But Noah gradually comes to appreciate the boy s truculent wit and Michael s ease with tech and sharp eye help Noah unearth troubling details about their family s past Both come to grasp the risks people in all eras have run for their loved ones and find they are more akin than they knew Written with all the tenderness and psychological intensity that made Room an international bestseller Akin is a funny heart wrenching tale of an old man and a boy born two generations apart who unpick their painful story and start to write a new one together What begins as a larky story of unlikely male bonding turns into an off center but far richer novel about the unheralded imperfect heroism of two women New York Times

A Bricklayer's Story Dr. John H. LaManque,2013-10 Read how trusting in Jesus Christ and calling upon His name helped a fifty nine year old bricklayer to go from bricks to books and beyond This is an inspiring story about how God s Word helped a bricklayer gain the courage to overcome obstacles placed in his path This book is a reminder that life is a journey and when the Lord closes one door he always opens another My message in this book is that we have to turn the doorknob of our hearts to let Jesus in Dr John H LaManque pushes back against the attack on Christian Church values in foreign lands Hindu fundamentalists and Muslims who hate Christians have burnt their churches to the ground and killed Christian people The author sees a greater threat to American Christians coming from within and he identifies the threat as coming from the secular humanist movement in the form of a new religion The new religion is led by groups that follow Marxist theology and includes atheists educators and the media who want to sell the idea that sinful behavior is just another alternative lifestyle
