Place In The Sun A History Of Californias Labor:

A Place in the Sun David F. Selvin, Robert E. Moore, 1981 **Henry E. Huntington and the Creation of Southern California** William B. Friedrichs, 1992 Henry E Huntington nephew and prot g of Southern Pacific Railroad magnate Collis Huntington decided to invest his fortune in developing interurban railroads serving the Los Angeles Basin beginning in 1898 and working through 1920 With enough capital to put railroads where he felt they would work best he exerted considerable influence on the early growth of Southern California He also invested in a number of other regional industries and as an avid collector of rare books and art he and his second wife Arabella created a notable cultural legacy as well Tina Modotti Letizia Argenter, 2003-01-01 Biografie van de Italiaanse fotografe en communistische activiste 1896 1942 The Elusive Eden Richard B. Rice, William A. Bullough, Richard J. Orsi, Mary Ann Irwin, Michael F. Magliari, Cecilia M. Tsu, 2019-09-13 California is a region of rich geographic and human diversity The Elusive Eden charts the historical development of California beginning with landscape and climate and the development of Native cultures and continues through the election of Governor Gavin Newsom It portrays a land of remarkable richness and complexity settled by waves of people with diverse cultures from around the world Now in its fifth edition this up to date text provides an authoritative original and balanced survey of California history incorporating the latest scholarship Coverage includes new material on political upheavals the global banking crisis changes in education and the economy and California s shifting demographic profile This edition of The Elusive Eden features expanded coverage of gender class race and ethnicity giving voice to the diverse individuals and groups who have shaped California With its continued emphasis on geography and environment the text also gives attention to regional issues moving from the metropolitan areas to the state s rural and desert areas Lively and readable The Elusive Eden is organized in ten parts Each chronological section begins with an in depth narrative chapter that spotlights an individual or group at a critical moment of historical change bringing California history to life *A Terrible Anger* David F. Selvin, 1996 In *A Terrible Anger* David F Selvin presents a narrative history of the strikes Unlike other labor historians who have stressed the importance of radical groups involved in the strikes he addresses the impact on unions owners government and the daily press A witness to the strikes Selvin has written a compelling story of the traumas and triumphs which acted as catalysts for the tumultuous labor battles of the mid 1930s **California** Andrew Rolle, Arthur C. Verge, 2014-06-19 The eighth edition of *California A History* covers the entire scope of the history of the Golden State from before first contact with Europeans through the present an accessible and compelling narrative that comprises the stories of the many diverse peoples who have called and currently do call California home Explores the latest developments relating to California s immigration energy environment and transportation concerns Features concise chapters and a narrative approach along with numerous maps photographs and new graphic features to facilitate student comprehension Offers illuminating insights into the significant events and people that shaped the lengthy and complex history of a state that has become synonymous with

the American dream Includes discussion of recent and uniquely Californian social trends connecting Hollywood social media and Silicon Valley and most recently Silicon Beach
