Place Of Healing For The Soul Patmos:

A Place of Healing for the Soul Peter France, 2003-12-08 The tiny arid Greek island of Patmos is one of the most sacred places in the Christian world and a place of bewitching power where people come for a brief summer visit and end up returning year after year for the rest of their lives They respond to an unexplainable force which they can find nowhere else Perhaps it is the invigorating Greek light that infuses the Holy Island's rocks and hills with a breathtaking sharpness and clarity dating back to the time when Zeus raised the island from the bed of the sea Or perhaps it is Patmos's incredible history almost two thousand years ago Saint John was exiled here and lived as a hermit in the Cave of Revelation where he experienced a vision that led to the most famous piece of apocalyptic literature the Book of Revelation In *A Place of Healing for the Soul* BBC commentator Peter France who arrived on the island a hardened skeptic tells how he came to change his life perspective Learning from the island's gregarious inhabitants and its religious eccentrics hermits ascetics monks and nuns he discovered the pleasure and security of living simply and doing without in a timeless realm where history myth and spirituality are endlessly alive

Encyclopedia of Sacred Places Norbert C. Brockman, 2011-09-13 Now thoroughly revised and updated this encyclopedia documents the diversity of shrines temples holy places and pilgrimage sites sacred to the world's major religious traditions and illustrates their elemental place in human culture As interest increases in the role of world religions in history and international affairs the new edition of *Encyclopedia of Sacred Places* which arrives 15 years after the publication of the original edition provides new and updated information on site specific religious practice and spiritually significant locations around the globe While many of the entries describe specific places like the Erawan Shrine and the Rock of Cashel others examine types of sacred sites pilgrimages and practices With articles that describe both the places and their associated traditions and history this reference book reveals the enormous diversity and cultural significance of religious practice worldwide For students and teachers of classes ranging from high school geography to university level courses in religious studies geography anthropology and sociology this book provides essential reference on places of great significance to the world's various faith traditions
