The Place of the Lion Charles Williams,2015-02-17 One man must save the human race from total destruction when a small British village is invaded by a terrifying host of archetypal creatures released from the spiritual world In the small English town of Smetham on the outskirts of London a wall separating two worlds has broken down The meddling and meditations of a local mage Mr Berringer has caused a rift in the barrier between the corporeal and the spiritual and now all hell has broken loose Strange creatures are descending on Smethem terrifying supernatural archetypes wreaking wholesale havoc destruction and death Some residents like the evil power hungry Mr Foster welcome the horrific onslaught Others like the cool and intellectual Damaris refuse to accept what her eyes and heart tell her until it is far too late Only a student named Anthony emboldened by his unwavering love for Damaris has the courage to face the horror head on But if he alone cannot somehow restore balance to the worlds all of humankind will surely perish in the impending apocalypse An extraordinary metaphysical fantasy firmly based in Platonic ideals The Place of the Lion is a masterful blending of action and thought by arguably the most provocative of the University of Oxford s renowned Inklings the society of writers in the 1930s that included such notables as C S Lewis J R R Tolkien and Owen Barfield With unparalleled imagination literary skill and intelligence the remarkable Charles Williams has created a truly unique thriller a tour de force of the fantastic that masterfully engages the mind heart and spirit

**The Place of the Lion** Charles Williams,2020-09-21 When platonic archetypes begin to invade London and the heavenly world intrudes on our own a small number of people who know what is happening react in varying ways Some attempt to control these rabid Ideas while others run and hide One ignores their existence and another vows to stop their impending rule We are happy to announce this classic book Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers Our goal is to access the very large literary repository of general public books The main contents of our entire classical books are the original works To ensure high quality products all the titles are chosen carefully by our staff We hope you enjoy this classic

**The Iconic Imagination** Douglas Hedley,2016-02-25 Is it merely an accident of English etymology that imagination is cognate with image Despite the iconoclasm shared to a greater or lesser extent by all Abrahamic faiths theism tends to assert a link between beauty goodness and truth all of which are viewed as Divine attributes Douglas Hedley argues that religious ideas can be presented in a sensory form especially in aesthetic works Drawing explicitly on a Platonic metaphysics of the image as a bearer of transcendence The Iconic Imagination shows the singular capacity and power of images to represent the transcendent in the traditions of Christianity Judaism Hinduism and Islam In opposition to cold abstraction and narrow asceticism Hedley shows that the image furnishes a vision of the eternal through the visible and temporal **C.S.
