Place In American Fiction Excursions And Explorations

LL Leslie

Place In American Ficiton Excursions And Explorations:

Place in American Fiction Walter Sullivan, 2004 This collection of essays devoted to the centrality of place in the short stories and novels of some of the twentieth century s most famous American writers was conceived as a way to honor the life and career of Walter Sullivan an author for whom place was central both in his fiction and in his critical writing The works explored in this volume range from the Middle West realism of Fitzgerald and Powers to the wilderness vision of Faulkner and the historical and political fiction of Warren Book Jacket

Interrogating Eco-Literature and Sustainable Development Sharbani Banerjee Mukherjee, Soumitra Roy, 2023-05-17 This book examines the issues of ecological crisis and sustainable development through critical reading of literary texts By analysing writings of Rabindranath Tagore Amitav Ghosh Gerard Manley Hopkins Hannah Arendt and Lawrence Buell it discusses themes like oriental representations of ecological consciousness environmental evocations misogyny and its postmodern creations tracing nature s footprints in English literature statelessness and consequent environmental refugees ecocriticism and comics and absolute trust in the goodness of the earth The volume argues that within the ambit of debates between ecological threats and socio economic concerns culture plays a vital role particularly in relation to parameters such as identity and engagement memory and projection gender and generations inquiry and learning wellbeing and health This book will be of interest to scholars and researchers of cultural studies English literature social anthropology gender studies sustainable development environmental studies ecological studies development studies and post colonial studies

Spirits of Place in American Literary Culture John Gatta, 2018 What might it mean existentially and spiritually to form an intimate relation with discrete places on earth This book offers a uniquely integrative perspective on the matter Centered on analyzing US literatures it reflects a theological phenomenology cognizant of the spiritualities grounded in First Nature as well as settled spaces

Performing the Progressive Era Max Shulman, J. Chris Westgate, 2019-05-15 The American Progressive Era which spanned from the 1880s to the 1920s is generally regarded as a dynamic period of political reform and social activism In *Performing the Progressive Era* editors Max Shulman and Chris Westgate bring together top scholars in nineteenth and twentieth century theatre studies to examine the burst of diverse performance venues and styles of the time revealing how they shaped national narratives surrounding immigration and urban life Contributors analyze performances in urban centers New York Chicago Cleveland in comedy shows melodramas Broadway shows operas and others They pay special attention to performances by and for those outside mainstream society immigrants the working class and bohemians to name a few Showcasing both lesser known and famous productions the essayists argue that the explosion of performance helped bring the Progressive Era into being and defined its legacy in terms of gender ethnicity immigration and even medical ethics

Selected Letters of Robert Penn Warren Robert Penn Warren, 2011-06-14 The years 1969 and 1979 bookend a volatile decade in American history As an articulate witness to the era of the Vietnam War Watergate Jimmy Carter and the national malaise Robert Penn

Warren produced a phenomenal body of work securing his place in the canon of American poetry Volume five of Selected Letters of Robert Penn Warren Backward Glances and New Visions 1969 1979 includes Warren's letters to friends family peers editors inquiring scholars and critics recording the details of his personal and professional life and illustrating his pivotal role in twentieth century American literature In these turbulent but fruitful years Warren produced both Audubon A Vision 1969 and the revised version of Brother to Dragons 1979 In between lay some of Warren's most searching work as poet novelist literary critic and social commentator During this era Warren's achievements included his highly experimental and complex Or Else Poem Poems 1974 and the Pulitzer Prize winning Now and Then 1978 Before the end of the 1970s three more novels appeared concluding with his final book of fiction A Place to Come To This volume provides insight into Warren's inspiration during a remarkably productive era and will prove an essential resource on his life and work

Edith Wharton, Willa Cather, and the Place of Culture Julie Olin-Ammentorp, 2019-10-01 Edith Wharton and Willa Cather wrote many of the most enduring American novels from the first half of the twentieth century including Wharton's The House of Mirth Ethan Frome and The Age of Innocence and Cather's O Pioneers My Antonia and Death Comes for the Archbishop Yet despite their perennial popularity and their status as major American novelists Wharton 1862 1937 and Cather 1873 1947 have rarely been studied together Indeed critics and scholars seem to have conspired to keep them at a distance Wharton is seen as our literary aristocrat an author who chronicles the lives of the East Coast Europe bound elite while Cather is considered a prairie populist who describes the lives of rugged western pioneers These depictions though partially valid nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect The first comparative study of Edith Wharton and Willa Cather in thirty years this book combines biographical historical and literary analyses with a focus on place and aesthetics to reveal Wharton's and Cather's parallel experiences of dislocation their relationship to each other as writers and the profound similarities in their theories of fiction Julie Olin Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works including the role of New York City the American West France and travel In doing so she reveals the two authors shared concern about the culture of place and the place of culture in the United States

The Way of Ignorance Wendell Berry, 2006-08-10 A soulful searching collection of essays that tackle the complexities of contemporary America from the prophet of rural America New York Times From the war in Iraq to Hurricane Katrina to the political sniping engendered by Supreme Court nominations contemporary American society is characterized by divisive anger profound loss and danger Wendell Berry the prophet of rural America New York Times and one of the country's foremost cultural critics responds with hope and intelligence in a series of essays that tackle the major questions of the day Whose freedom are we considering when we speak of the free market or free enterprise What is really involved in our national security What is the price of ownership without affection Berry answers in prose that shuns abstraction for clarity coherence and passion giving us essays

that may be the finest of his long career Everything in the book illumines Booklist Berry s poems novels and essays are probably the most sustained contemporary articulation of America s agrarian Jeffersonian ideal Publishers Weekly Wendell Berry is one of those rare individuals who speaks to us always of responsibility of the individual cultivation of an active and aware participation in the arts of life The Bloomsbury Review **Elizabeth Spencer's Complicated Cartographies** C. Seltzer,2009-07-20 This book subjects the works of Elizabeth Spencer critically acclaimed but canonically marginalized to a study that reveals their interaction with the southern canon as they question its boundaries and remap the long established landscapes of southern identity Imagining Our Time Lewis P. Simpson,2007-01-01 Lewis P Simpson towers among scholars of American literary studies as an intellectual historian of the South and American literary culture and a revered essayist His last book Imagining Our Time offers a wide ranging erudite and enlightening look at the culture of letters in American society Primarily through an examination of the works of some of the leading writers of the twentieth century many of whom Simpson knew intimately this final volume provides insight into the struggles and concerns unique to prominent American thinkers literary artists and critics contemporary to his own lifetime Often moving from an intriguing anecdote or recollection to a rigorous discussion of ideas Simpson s style is captivating He begins with speculation on Eric Voegelin s interest in Julien Benda s polemic La Trahison des Clercs and follows with thoughts on the declining faith in the university as an embodiment of humanistic letters and learning surveying the American Republic as far back as Benjamin Franklin In successive chapters Simpson pays tribute to Malcolm Cowley as a hero of the literary art and probes Robert Penn Warren s fixation with Thomas Jefferson as manifested in the writing and complete rewriting of Brother to Dragons He ruminates on the vocation of the critic as practiced by Lionel Trilling and Diana Trilling and the literary and cultural politics of the 1930s Brief portraits of Andrew Lytle and Louis D Rubin Jr appear as well as a poignant argument for the autobiographical cast of Eudora Welty s writing A lengthy riveting consideration of Simpson s friend Walker Percy and Percy s quest for identity as a modern Christian novelist alienated from the society around him forms the core of the volume Fred Hobson s introduction fittingly rounds out Imagining Our Time offering an intimate appreciation of Lewis Simpson who will remain a giant among scholars of southern literary studies **The Weir Family, 1820-1920** Marian Wardle,Brigham Young University. Museum of Art,2011 The first major study to examine the artistic output of Robert Walter Weir and his two sons John Ferguson Weir and Julian Alden Weir **William Faulkner** John E. Bassett,2009-05-22 Considered one of the great American authors of the 20th century William Faulkner 1897 1962 produced such enduring novels as The Sound and the Fury Light in August and As I Lay Dying as well as many short stories His works continue to be a source of interest to scholars and students of literature and the immense amount of criticism about the Nobel prize winner continues to grow Following his book Faulkner in the Eighties Scarecrow 1991 and two previous volumes published in 1972 and 1983 John E Bassett provides a comprehensive annotated listing of commentary in English on William Faulkner since the late 1980s This volume dedicates

its sections to book length studies of Faulkner commentaries on individual novels and short works criticism covering multiple works biographical and bibliographical sources and other materials such as book reviews doctoral dissertations and brief commentaries This bibliography provides an organized and accessible list of all significant recent commentary on Faulkner and the annotations direct readers to those materials of most interest to them The information contained in this volume is beneficial for scholars and students of this author but also general readers of fiction who have a special interest in Faulkner

Wedding the Wild Particular Robert Benson, 2012-07-06 I taught undergraduates for forty five years the last thirty at the University of the South in Sewanee Tennessee and for most of those years I spent as much time as possible outside I hunted as much as I could and I fished some I also spent time in the woods of Tennessee Alabama and Mississippi just walking around looking at things that caught my eye and trying to understand Outdoor life and academic life for me have been intimately connected and this collection of essays explores that connection The essays in *Wedding the Wild Particular* make plain the sheer delight I have taken in the primary world and the degree to which that delight has enriched my academic vocation They make what I believe is a coherent argument for the importance of natural literacy in the intellectual life Robert Benson

F. Scott Fitzgerald in Context Bryant Mangum, 2013-03-18 The fiction of F Scott Fitzgerald serves as a compelling and incisive chronicle of the Jazz Age and Depression Era This collection explores the degree to which Fitzgerald was in tune with and keenly observant of the social historical and cultural contexts of the 1920s and 1930s Original essays from forty international scholars survey a wide range of critical and biographical scholarship published on Fitzgerald examining how it has evolved in relation to critical and cultural trends The essays also reveal the micro contexts that have particular relevance for Fitzgerald s work from the literary traditions of naturalism realism and high modernism to the emergence of youth culture and prohibition early twentieth century fashion architecture and design and Hollywood underscoring the full extent to which Fitzgerald internalized the world around him *Wendell Berry* Jason Peters, 2010-06-11 A portrait of one of America s most profound and honest thinkers this book combines biographical sketches personal accounts literary criticism and social commentary to illuminate Berry as he is a complex man of place and community with a depth of domestic intellectual filial and fraternal attributes

A Savory History of Arkansas Delta Food: Potlikker, Coon Suppers & Chocolate Gravy Cindy Grisham, 2013-05-14 Up and down the Arkansas Delta food tells a story Whether the time Bill Clinton nearly died on the way to a coon dinner or the connections made over biscuits and gravy or the more common chicken and dumpling feuds the area is no stranger to history One of America s last frontiers it was settled in the late nineteenth century by a rough and tumble collection of timber men sharecroppers and entrepreneurs from all over the world who embraced the traditional foodways and added their own twists Today the Arkansas Delta is the nation s largest producer of rice and adds other crops like catfish and sweet potatoes Join author Cindy Grisham for this delicious look into Delta cuisine

Narratives of Educating for Sustainability in Unsustainable Environments Jane

Haladay, Scott Hicks, 2017-12-01 Through pedagogical narratives literary analyses reflective essays and collaborative dialogues *Narratives of Educating for Sustainability in Unsustainable Environments* explores the professional and intellectual tensions of curricula pedagogies and personal practices that honor the relationships of interspecies ecologies reinhabit and reconceive wounded landscapes and wounding institutions and allow us to reattune ourselves to new yet ancient frameworks for sustainability For the writers here fostering sustainability in higher education means focusing on place creating positive relationships with humans and other beings and creating administrative structures that will maintain new approaches for the long term showing how teaching environmentally is at once intensely site specific yet powerfully global deeply personal yet visibly public *Narratives of Educating for Sustainability in Unsustainable Environments* confronts the contexts that make environmental pedagogies difficult the challenges to the well being of the teacher scholar and the corrosive academic structures that compartmentalize knowledge and people The collection simultaneously offers models for working through and within these challenges to advance understandings and ways of being on local global and personal levels that will turn the planetary tide toward effective and shared sustainability [Arkansas Review](#) ,2014 **Literature of Travel and Exploration** Jennifer Speake, 2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website **Home Cage-based Phenotyping in Rodents: Innovation, Standardization, Reproducibility and Translational Improvement** Stefano Gaburro, York Winter, Jeansok J. Kim, Maarten Loos, Oliver Stiedl, 2022-07-25 *Canadian Exploration Literature* Germaine Warkentin, 2007-01-01 First published by Oxford University Press in 1993 *Exploration Literature* is a groundbreaking collection of early writing inspired by the opening of a continent With maps notes and thumbnail biographies of these early writers *Exploration Literature* is an entry point for both the casual reader and the student of Canadian literature into the beginnings of a literate response to the awe and wonder inspired by an unfolding geography and the literary fundamentals of new nationhood
