A. Ironside,2004-06-01 This classic commentary series from one of the most creative and articulate expositors of the twentieth century is being reissued for a new generation      Prophecy: The Minor Prophets Harold Lerch,2024-03-02 This book is the last in a series of four books about prophecy This volume is about the often overlooked minor prophets In reality they include very interesting information about events that happened after their time and events still in our future Amos Hosea Micah and Nahum wrote in the Eighth and Seventh Centuries BC Before Christ about coming judgment Joel Jonah Zephaniah and Habakkuk wrote in the Ninth through Seventh Centuries BC about faith and repentance Haggai Zechariah and Malachi wrote in the Eighth and Seventh Centuries BC Haggai s ministry was to scold the returned exiles for their delay in rebuilding the Temple and to encourage them to set to work Zechariah predicted the second coming of Christ His reign His priesthood His kingship and more Malachi is the final prophet with the last message of the Old Testament It includes the hope in the prophecy of John the Baptist s ministry This series is contained in four books The whole scope of prophecy must be considered in determining the meaning of any particular passage Therefore a reading of all four books will greatly improve understanding This volume includes a bonus chapter The Book of Revelation      *Minor Prophets, Major Themes* Daniel Berrigan,2009-04-08 One of Daniel Berrigan s best works Minor Prophets Major Themes offers poetic insightful commentary on the books of Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah and Malachai From his own experience in the prophetic struggle to end war and injustice Berrigan brings these ancient texts to new life and uses them to shed light on the life and death struggles for justice and peace today The author takes these often neglected prophetic works and shows how they speak to us with even greater urgency pushing us to become a prophetic people to take up the major themes of justice disarmament nonviolence compassion and peace There is simply no other commentary like it

**The Minor Prophets; with Notes, Critical, Explanatory, and Practical ... By Rev. Henry Cowles ,1867**  
Commentaries on the Twelve Minor Prophets. By John Calvin. Now First Translated from the Original Latin by the Rev. John Owen. [With a Portrait and the Text in Latin and English.] ,1849      **Minor Prophets II (Understanding the Bible Commentary Series)** John Goldingay,Pamela J. Scalise,2012-07-01 The Minor Prophets are those dozen Old Testament books that in the time of Jesus were usually written on one scroll since they were all fairly brief The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six Hosea Joel Amos Obadiah Jonah and Micah This second volume deals with the final six books John Goldingay writes on Nahum Habakkuk Zephaniah and Haggai Pamela Scalise takes on the longest Zechariah and the last Malachi Like the authors of other volumes in the NIBC Goldingay and

Scalise utilize what is referred to as believing criticism when examining the biblical texts Based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers this balanced approach enriches both the academy and the church Following the series guidelines the authors clearly explain the texts with additional notes regarding interpretation and practical reflection For example Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon the Israelites needed to hear the word of God as a caution against their own pride and wickedness He goes on to suggest that modern readers must remember as well that the same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A separate section of notes at the close of each chapter provides additional textual linguistic cultural and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes
