Plain Talk On First And Second Corinthians:

Plain Talk on First and Second Corinthians Manford G. Gutzke, 1978 **Plain Talk on John** Manford George Gutzke, 1968 *Biblical Worship Through Music* Robert Austell, 2009-03-01 Seeking a faithful solution to conflict over musical worship the pastor musician author begins with biblical principles for worship examines historical and contemporary models for worship and evaluates worship practices in one presbytery of the Presbyterian Church U S A to propose guiding principles and specific applications for the use of music in worship The project shows biblical worship to be described by a number of characteristics and grounded in God s Word presence and community After exploring these principles biblically historically and culturally the outcome of the project is a significant collection of music related worship resources for use in the local church and for equipping in broader teaching contexts *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *The First Letter to the Corinthians* Roy E Ciampa, Brian S Rosner, 2020-05-21 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life This thorough commentary presents a coherent reading of 1 Corinthians taking full account of its Old Testament and Jewish roots and demonstrating Paula s primary concern for the unity and purity of the church and the glory of God Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes **The First Epistle to the Corinthians** Anthony C. Thiselton, 2000 A new examination of a classic Christian text begins with the Greek text of the Corinthians and outlines the most important theological ethical and socio historical issues surrounding this seminal book *Church History in Plain Language* Bruce Shelley, 1996-04-19 It s about time that someone wrote church history that tells about people not just about eras and ages *Church History in Plain*

Language taps the roots of our Christian family tree It combines authoritative research with a captivating style to bring our heritage home to us *Applied New Testament Bible Commentary* Tom Hale, Steve Thorson, 2012-12-10 The wisdom found in God's Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we've included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about **Plain Talk**, 1928 Catalog of Copyright Entries, Fourth Series Library of Congress. Copyright Office, 1978-04 Eerdmans Commentary on the Bible: First and Second Kings Roger Tomes, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Tomes introduction to and concise commentary on First and Second Kings The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions **Religious Books and Serials in Print 1978-1979** R.R. Bowker Company. Department of Bibliography, 1978-11 **Second Corinthians** Jan Lambrecht, 2006 Regarded as the most personal of Paul's weighty and strong 10/10 letters the Second Letter to the Corinthians continues to contribute toward the building up 13/10 of its readers The Second Letter to the Corinthians is an implicit yet undeniable plea that Paul addresses to the Christians of Corinth and is impressive above all for its exposition of the apostle's identity In this letter Paul more than once fiercely counters the attacks of his opponents He extensively describes both the quality and circumstances of his apostolic existence the sufferings he endures the opposition he encounters and his continual care for the Churches Second Corinthians is therefore highly significant theologically as well as autobiographically Not an easy letter to follow the emotional language used in 2 Corinthians the question of the integrity of 2 Corinthians as a letter and inadequate information about the concrete situation at Corinth and the identity of Paul's opponents make following the flow of Paul's argument difficult at times Yet 2 Corinthians is an especially important document because of Paul's ongoing reflection on his ministry It is both profound in its content and style for its original audience as well as for today's readers **Graciousness** John Crotts, 2018-01-15 Sometimes we have important things to

say to other Christians but if we deliver our message ungraciously they won't benefit from it. Author John Crotts points out that God cares about how we say what we say. It is not enough always to say the truth; you must also say the truth in love. In *Graciousness*, the author addresses Christians who are zealous for God's truth yet struggle to communicate it graciously in a loving way. Filled with practical instruction and wise insights, this book includes a biblical description of graciousness with a look at positive examples and commands from the Bible and methods for cultivating graciousness in various areas of the Christian life. Be equipped to speak the truth in love.

The Naked State of Human Being Luis Ivan Martinez-Toledo, 2016-04-21 This book explains the image of nakedness (*gymnos*) taken by Paul in the Corinthian correspondence to refer to the state of human being during death. Through an academic approach but simple language, the author explains the biblical monist understanding of human being. He takes the biblical experience of death and resurrection to point out his arguments. This book uncovers the ancient problem of the continuation of personal identity from life prior to death on to resurrection. It also provides a fresh biblical approach from an anthropological and biblical perspective to the problem of what being human really is. Those who enjoy traveling through the Bible with an open mind and warm heart will find in this book a good experience.

The First and Second Letters to the Thessalonians Gordon D. Fee, 2009-07-10 In this commentary, Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians. He shows the reader what is in the biblical text, what the text meant in the first century, and what it means now. Fee reveals the logic of each argument or narrative before moving on to the details of each verse, and he concludes each section with a theological/practical reflection on the meaning of the text today. Among other things, Fee explores the occasion for writing for each epistle, restoring 2 Thessalonians to the place it deserves as a full companion to the first letter rather than merely a tag-along to 1 Thessalonians.

First Corinthians Bible Commentary - a Bible commentary on First Corinthians , This verse-by-verse commentary on First Corinthians offers a thorough but very understandable commentary on the entirety of Paul's letter to the Corinthians. Since the First Corinthians letter touches on a number of different subjects, this volume also offers some special studies to more fully explore what the Bible says on additional topics like civil government, the role of women in the church, spiritual gifts, etc. If you want to have a better understanding of First Corinthians, this commentary will help you.

Here is a small sample of the text: **Introduction to First Corinthians**

13 Some consider 1 Cor 13 the love chapter of the Bible or a parenthetical description of love, but this chapter is actually an integral part of Paul's discussion about spiritual gifts. Since the Corinthians were rude, jealous, and boastful, it was necessary for them to go beyond their present pursuit. To the apostle, the development of the character of the person was superior to the exercise of the gift.

His contrasts chap 13 are clear gifts without love vs gifts with love and the permanence of love vs the temporal nature of gifts Gromacki p 159 Stated another way verses 1 3 affirm that spiritual gifts were worthless without love verses 4 7 affirm that love was superior to the gifts and verses 8 13 assert that spiritual gifts were temporal but love abides Although 1 Cor 13 may seem familiar to many this chapter is often one of the most misunderstood parts of the New Testament The Corinthians elevation of spiritual gifts over love is seen in places such as 12 13 25 14 27 33 40 It is also found by contrasting the qualities in 1 Cor 13 with other sections of this epistle For instance love suffers long 13 4 but tongue speakers at Corinth were impatient 14 27 28 Love does not envy 13 4 but the Corinthians envied the gifts of others chapter 12 Love is not puffed up 13 4 but tongue speakers were proud compare 13 1 Love causes people to act in a kind and orderly way but some of the Corinthians behavior was disorderly 14 23 40 Love is not unseemly but the Corinthians were at risk of unseemly behavior in their families 1 Cor 7 36 as well as their Sunday assemblies 1 Cor 11 2 16 17 34 Agape love does not seek its own 13 5 but these Christians were seeking their own see 1 Cor 8 and the discussion about idol meat Love keeps people from rejoicing in evil 13 6 but the Corinthians rejoiced in evil 1 Cor 5 2 6 There were various things that provoked these brethren 13 5 and it seems they were keeping a record of evil 1 Cor 13 5 It was time for the members of this congregation to show some spiritual maturity and demonstrate the type of love that bears all things believes all things hopes in all things and endures all things 1 Cor 13 7
