Plan Your Financial Future Keith Fevurly, 2013-07-16 Implementing a financial plan to manage the future is very important. If you have not assembled such a plan or even if you have not thought about how best to manage your financial future, the time to do so is now, and the resource you need to walk you through every step of the personal financial planning process is *Plan Your Financial Future*. Regardless of whether you are a recent college graduate or have spent the past several decades in the working world, *Plan Your Financial Future* will give you the smart commonsense advice you need to get your financial life in order. Written by an expert and long standing educator in the field of personal financial planning, *Plan Your Financial Future* is a comprehensive, objective and pertinent guidebook for readers of all income levels who want to grow their net worth on a steady and increasing basis. Covering all the financial bases you can reasonably expect to confront in your lifetime, like insurance, investing, income tax planning, Social Security, Medicare, and more, this vital resource begins with techniques to protect a consumer's personal and business assets. It then transitions into the wealth accumulation process and outlines tax management measures as well as the distribution of wealth for higher education, retirement, and estate planning purposes. Filled with in-depth insight and invaluable financial planning advice, this unique guide explains how to insure yourself, your family, and your property against the possibility of significant loss. Invest in financial or real assets or both. Practice effective tax planning and management techniques. Distribute your estate at death to your intended beneficiaries in a tax-efficient manner. And much more. With its no-nonsense, straightforward style and holistic view of the financial planning process, *Plan Your Financial Future* is the one resource you need to become a more knowledgeable saver and translate those savings into the accumulation of future wealth. What you'll learn. Readers of *Plan Your Financial Future* will learn how to take advantage of benefits that are offered to them by their employer. The importance of minimizing the effects of inflation on their portfolios as much as possible. Financial strategies for preparing for their children's higher education. Rock-solid advice for planning for the financial aspects of their retirement years. Whether or not they would benefit from the hiring of a professional financial planner. How to create and maintain a personal financial plan that protects them and their families into the future. Who this book is for. *Plan Your Financial Future* is designed for readers of all income levels who would like to grow their net worth on a steady and increasing basis by implementing and sticking to a personal financial plan.
