The Right Kind of Heroes Kevin Horrigan, 1992 **The Right Kind of Heroes** Kevin Horrigan, 1993 East St Louis Illinois is arguably the most dangerous and desolate city in America perhaps our starkest example of urban collapse With the nation s highest murder rate it s a city in which half of the 41 000 residents are unemployed and 75 percent receive public assistance In a city where most young men wind up on the streets in jail or dead the high school football coach has sent dozens of his players on to college on football scholarships He has done it with hard work and absolute dedication to virtues that went out of style in East St Louis decades ago He s done it by refusing to desert boys who need his attention and discipline If I don t care about them who will he asks This is the story of Coach Bob Shannon and the East St Louis Flyers It is a true story about a coach who won t give up and a team that has beaten all the odds Author Kevin Horrigan former sports editor of the St Louis Post Dispatch tells this story by focusing on two heartstopping seasons 1990 when the Flyers lost the state championship and 1991 when they won it back He tells it from up close We are there on the bench with the boys and their coach for every game We follow them into the pitiful excuse for a locker room to hear the coach s credo firsthand Get it done No water for the sinks the toilets the urinals Try upstairs No toilet paper Bring your own No money for new uniforms Wear the old ones until they are rags Get it done Just get the job done Coach Shannon has gotten the job done right for twenty three years In his fifteen seasons as East St Louis High s head coach the Flyers have won 152 of 173 games and the state championship six times The Sporting Newshas named Shannon the High School Coach of the Year five times This is the story of the kind of battle being waged at the core of many American cities the power of human pride pitted against the power of poverty In East St Louis pride is winning inch by inch with a coach and his team carrying the flag **Never Been a Time** Harper Barnes, 2011-02-01 In the 1910s half a million African Americans moved from the impoverished rural South to booming industrial cities of the North in search of jobs and freedom from Jim Crow laws But Northern whites responded with rage attacking blacks in the streets and laying waste to black neighborhoods in a horrific series of deadly race riots that broke out in dozens of cities across the nation including Philadelphia Chicago Tulsa Houston and Washington D C In East St Louis Illinois corrupt city officials and industrialists had openly courted Southern blacks luring them North to replace striking white laborers This tinderbox erupted on July 2 1917 into what would become one of the bloodiest American riots of the World War era Its impact was enormous There has never been a time when the riot was not alive in the oral tradition remarks Professor Eugene Redmond Indeed prominent blacks like W E B Du Bois Marcus Garvey and Josephine Baker were forever influenced by it Celebrated St Louis journalist Harper Barnes has written the first full account of this dramatic turning point in American history decisively placing it in the continuum of racial tensions flowing from Reconstruction and as a catalyst of civil rights action in the decades to come Drawing from accounts and sources never before utilized Harper Barnes has crafted a compelling and definitive story that enshrines the riot as an historical rallying cry for all who deplore
