Risings Poetry:

Frank Bond Beaumier's Poetry * I See a Bright Star Rising , Chaucer, Gower, and the Vernacular Rising

Lynn Arner,2013-04-11 Chaucer Gower and the Vernacular Rising examines the transmission of Greco Roman and European literature into English during the late fourteenth and early fifteenth centuries while literacy was burgeoning among men and women from the nonruling classes This dissemination offered a radically democratizing potential for accessing interpreting and deploying learned texts Focusing primarily on an overlooked sector of Chaucer s and Gower s early readership namely the upper strata of nonruling urban classes Lynn Arner argues that Chaucer s and Gower s writings engaged in elaborate processes of constructing cultural expertise These writings helped define gradations of cultural authority determining who could contribute to the production of legitimate knowledge and granting certain socioeconomic groups political leverage in the wake of the English Rising of 1381 Chaucer Gower and the Vernacular Rising simultaneously examines Chaucer s and Gower s negotiations often articulated at the site of gender over poetics and over the roles that vernacular poetry should play in the late medieval English social formation This study investigates how Chaucer s and Gower s texts positioned poetry to become a powerful participant in processes of social control
