The Yoruba God of Drumming Amanda Villepastour, 2016-01-19 As one of the salient forces in the ritual life of those who worship the pre-Christian and Muslim deities called orishas the Yoruba god of drumming known as Yn in Africa and A in Cuba is variously described as the orisha of drumming the spirit of the wood or the more obscure Yoruba praise name Asere Igi Wood That Talks With the growing global importance of orisha religion and music the consequence of this deity's power for devotees continually reveals itself in new constellations of meaning as a sacred drum of Nigeria and Cuba finds new diasporas Despite the growing volume of literature about the orishas surprisingly little has been published about the ubiquitous Yoruba music spirit Yet wherever one

hears drumming for the orishas y n or A is nearby This groundbreaking collection addresses the gap in the research with contributions from a cross section of prestigious musicians scholars and priests from Nigeria the Americas and Europe who have dedicated themselves to studying Yor b sacred drums and the god sealed within As well as offering multidisciplinary scholarly insights from transatlantic researchers the volume includes compelling first hand accounts from drummer priests who were themselves history makers in Nigerian and Cuban diasporas in the United States Venezuela and Brazil This collaboration between diverse scholars and practitioners constitutes an innovative approach where differing registers of knowledge converge to portray the many faces and voices of a single god Thinking Through Rituals Kevin

Schilbrack,2004 Thinking Through Rituals explores religious ritual acts and their connection to meaning and truth building upon their special status as virtually pure forms of belief in action Bizarre Rituals Marcus Blackwell,AI,2025-02-12

Sunday services reflect the values and dramas of their communities even when the ministers are the main or sole actors This point is illustrated by examples ranging from American television masses to the Zairean three hour services in the Congo Of greatest interest to readers might be the Sunday services at ordinary parishes which also range from friendly but uninspiring to innovative and inviting There are also two exceptionally vital churches analyzed here an evangelical church in the Pentecostal tradition and a social justice parish in the tradition of Martin Luther King Jr Today one can hardly buy an item in a store or on the Internet without being asked for an evaluation yet church services are seldom evaluated There can be no improvement without evaluation This book proposes a method of evaluation in eight steps that must be rigorously scientific and at the same time offer a vision for spiritual growth The prophet Elijah found God in earthquakes and fire but most people find mystery through art music rhythm chanting expressive readings evocative rituals and enlightened homilies Today people

expect mystagogy rather than routine performances Mystagogy can be learned and improved through evaluation to which this book desires to make a major contribution *New Perspectives on the Bronze Age* Sophie Bergerbrant,Anna Wessman,2017-04-30 This collection of articles helps to explain why the Bronze Age has come to hold such a fascination within modern archaeological research By providing new theoretical and analytical perspectives on the evidence new interpretative avenues have opened it situates the history of the Bronze Age in both a local and a global setting **Rite and Ritual in Medieval Europe** Pasquale De Marco,2025-08-08 In the heart of medieval Europe where faith tradition and superstition intertwined rituals held sway over every aspect of life From the grand cathedrals to the humble cottages from the cradle to the grave rituals marked the rhythm of existence and connected the earthly realm with the divine This captivating book delves into the rich tapestry of medieval rituals unveiling their profound meanings and significance Through vivid descriptions and insightful analysis it transports readers back in time to witness the elaborate ceremonies symbolic gestures and sacred words that shaped the lives of medieval people Explore the diverse forms of medieval rituals from the solemn rites of the Church to the raucous festivities of the marketplace Discover how rituals served as a bridge between the earthly and the divine offering individuals and communities a glimpse into the unseen realms of the spirit Uncover the role of rituals in shaping medieval society from the highest echelons of power to the humblest walks of life Witness how rituals reinforced social norms maintained the delicate balance of power and provided a sense of order and meaning in a world often perceived as chaotic and unpredictable Immerse yourself in the medieval mindset and gain a deeper understanding of the enduring power of rituals in human experience This book is an invitation to journey into the past to uncover the secrets of a world where rituals were not merely outward performances but profound expressions of inner faith and devotion With meticulous research and engaging prose this book sheds new light on the medieval world offering readers a fresh perspective on the rituals that shaped a pivotal era in human history If you like this book write a review
