California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., Number of Exhibits 7_x000D_ Received document entitled EXHIBITS TO PETITION FOR WRIT *Robak in Black* Joe L. Hensley, 2014-08-05 Five years ago Don Robak set aside his practice as an attorney to take up a new one that of judge But his wife Jo is suddenly stricken with a strange illness that leaves her robbed of much of her memory strength and in need of professional care and leaves Don alone bereft and convinced that Jo s illness was a planned attack and not an accident of fate Though he lacks evidence Robak has plenty of suspects of whom the major ones include the Wolfers a local clan of tax rebels whose patriarch Damion Darius Wolf is out for revenge after Judge Robak sentenced his son to death The other is Libby Macing the daughter and principle of local powerhouse Macing Drugs with whom Robak was once involved and now is part of a lawsuit against Macing Drugs that is being tried in Robak s court It soon becomes clear that something nefarious is going on that some tie exists between the much feared Wolfers and their opposite on the social scale the Macing clan As threats against Robak and his sick wife persist and intensify Robak finds his old instincts beginning to kick in Determined to remain impartial during the trial being heard before him he is equally determined to find out the truth of the situation before he and his loved ones fall victim to whomever is pulling the strings behind the scene in Joe L Hensley s *Robak in Black* *Justice Denoted* Terry White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers *Anatomy of a Murder* as well as the romantic potboiler Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner John Mortimer s Rumpole series along with a staple of fiction by major authors of the genre like John Lescroart Lisa Scottoline Margaret Maron Scott Turow and John Grisham There are also individual works by Shakespeare Goethe Kafka Camus and Twain delineating humanity s obsession with the law as its shining prop of civilization and alternative b te noire of the common individual caught up in its maw The appendices include comments by lawyer novelist Michael A Kahn a historical introduction to the legal thriller craft
