## **Robber Boy Hc 1999:**

Armed Robbery Roger Matthews, 2013-01-11 Armed robbery is regarded as one of the most serious crimes and is widely reported in the media This book provides an account of armed robbery based on research with 350 robbers in prison and on work with two police armed response units **Cumulated Index Medicus** ,1999 **Private Guns, Public Health** David Hemenway, 2006-12-29 In this small book David Hemenway has produced a masterwork He has dissected the various aspects of the gun violence epidemic in the United States into its component parts and considered them separately He has produced a scientifically based analysis of the data and indeed the microdata of the over 30 000 deaths and 75 000 injuries which occur each year Consideration and adoption of the policy lessons he recommends would strengthen the Constitutional protections that all of our citizens have to life liberty and the pursuit of happiness Richard F Corlin Past President American Medical Association This lucid and penetrating study is essential reading for anyone who wishes to understand the tragedy of gun violence in America and even more important what we can do to stop it David Hemenway cuts through the cant and rhetoric in a way that no fair minded person can dismiss and no sane society can afford to ignore Richard North Patterson novelist The rate of gun related homicide suicide and accidental injury has reached epidemic proportions in American society Diagnosing and treating the gun violence epidemic demands the development of public health solutions in conjunction with legislative and law enforcement strategies Kweisi Mfume President and CEO of NAACP In scholarly sober analytic assessments including rigorous critiques of NRA popularized pseudoscience David Hemenway constructs a convincing case that firearm availability is a critical and proximal cause of unparalleled carnage By formulating such violence as a public health issue he proposes workable policies analogous to ones that reduced injuries from tobacco alcohol and automobiles Jerome P Kassirer Editor in Chief Emeritus New England Journal of Medicine and Distinguished Professor Tufts University School of Medicine As a former District Attorney and Attorney General I know the urgency of providing safe homes schools and neighborhoods for all This remarkable tour de force is a powerful study of one promising solution a data rich eminently readable demonstration of why we should treat gun violence as an American epidemic Scott Harshbarger Former Attorney General of Massachusetts President and CEO of Common Cause On an average day in the United States guns are used to kill almost eighty people and to wound nearly three hundred more If any other consumer product had this sort of disastrous effect the public outcry would be deafening yet when it comes to guns such facts are accepted as a natural consequence of supposedly high American rates of violence Private Guns Public Health explodes that myth and many more revealing the advantages of treating gun violence as a consumer safety and public health problem David Hemenway fair minded and authoritatively demonstrates how a public health approach which emphasizes prevention over punishment and which has been so successful in reducing the rates of injury and death from infectious disease car accidents and tobacco consumption can be applied to gun violence Hemenway uncovers the complex connections between guns and self defense gun violence

and schools gun prevalence and homicide and more Finally he outlines a policy course that would significantly reduce gun related injury and death With its bold new public health approach to guns Private Guns Public Health marks a shift in our understanding of guns that will finally point us toward a solution *Property Crime in London, 1850-Present* W.
