James Petras,2011-02-07 This book is a chapter by chapter analysis and documentation of the power of Israel via the Israeli Jewish or Pro Zionist Lobby on US Middle East policy It raises serious questions as to the primary beneficiary of US policy and its destructive results for the United States The extraordinary extent of US political economic military and diplomatic support for the state of Israel is explored along with the means whereby such support is generated and consolidated Contending that Zionist power in America ensured unconditional US backing for Israeli colonization of Palestine and its massive uprooting of Palestinians it views the interests of Israel rather than those of Big Oil as the primary cause of the disastrous US wars against Iraq and threats of war against Iran and Syria It demonstrates and condemns US imitation of Israeli practice as it relates to conduct of the war on terrorism and torture It sheds light on the AIPAC spying scandal and other Israeli espionage against America the fraudulent and complicit role of America s academic terrorist experts in furthering criminal government policies and the orchestration of the Danish cartoons to foment antipathy between Muslims and the West It questions the inability in America to sustain or even formulate a discourse related to the subject of Israeli influence on the United States It calls for a review of American Mid East policy with a view to reclaiming US independence of action based upon enlightened self interest and progressive principles Maggie's Hammer Geoffrey Gilson,2015-08-28

Charles Sterin,Tameka Winston,2017-11-22 Now in its Third Edition Mass Media Revolution remains a dynamic guide to the world of mass media enhancing its readers development as critical consumers It features a wealth of expanded content with particular attention to diversity in the media industry reality TV ethics and social media and the evolution of online journalism Chapter content is aligned to the ACEJMC national academic standards **Harry Alan Towers** Dave Mann,2014-11-03 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the burgeoning niche markets becoming available in the wake of technological developments and government initiatives

House of Trump, House of Putin Craig Unger,2019-09-03 THE NEW YORK TIMES BESTSELLER The story Unger weaves with those earlier accounts and his original reporting is fresh illuminating and more alarming than the intelligence channel described in the Steele dossier The Washington Post House of Trump House of Putin offers the first comprehensive investigation into the decades long relationship among Donald Trump Vladimir Putin and the Russian Mafia that ultimately helped win Trump the White House It is a chilling story that begins in the 1970s when Trump made his first splash in the booming money drenched world of New York real estate and ends with Trump s inauguration as president of the United States That moment was the culmination of Vladimir Putin s long mission to undermine Western democracy a mission that he and his hand selected group of oligarchs and Mafia kingpins had ensnared Trump in starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City This book confirms the most incredible American paranoidias about Russian malevolence To most it will be a hair raising revelation that the Cold War did not end in 1991 that it merely evolved with Trump s apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union In House of Trump House of Putin Craig Unger methodically traces the deep rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia He traces Donald Trump s sordid ascent from foundering real estate tycoon to leader of the free world He traces Russia s phoenix like rise from the ashes of the post Cold War Soviet Union as well as its ceaseless covert efforts to

retaliate against the West and reclaim its status as a global superpower Without Trump Russia would have lacked a key component in its attempts to return to imperial greatness Without Russia Trump would not be president This essential book is crucial to understanding the real powers at play in the shadows of today s world The appearance of key figures in this book Paul Manafort Michael Cohen and Felix Sater to name a few ring with haunting significance in the wake of Robert Mueller s report and as others continue to close in on the truth
