The Ascent of Rauschenberg Carolyn Russo, 2025-10-14 Take flight with postmodern artist Robert Rauschenberg in this tribute to his space and aviation art featuring art history and 150 fascinating images Most

famous for his groundbreaking Combines painting and sculpture hybrids that often incorporated everyday objects American artist Robert Rauschenberg 1925 2008 created within a range of mediums including collage performance photography and printmaking But a connective tissue through it all was his fascination with flight The Ascent of Rauschenberg explores the flight motif across his work spanning birds insects aviation spaceflight sensory experiences and metaphors for his own life More than 150 images reveal the vibrant scope of his work from lithographs inspired by the Apollo 11 launch that NASA invited him to witness and document to a Combine featuring a taxidermied eagle that evokes Roman mythology Nine accompanying essays reflect on his many flight themes and subtleties that might otherwise be overlooked The book also includes archival photographs and personal papers from the Robert Rauschenberg Foundation Considered a forerunner of several artistic movements most notably pop art Rauschenberg was one of the most influential artists of his time This gorgeous volume engages with his work at an intimate level and through a distinctive lens revealing an artist deeply mesmerized by the innovation of flight within nature technology and art By observing Rauschenberg's work through the prism of flight The Ascent of Rauschenberg refracts to reveal the depth and dazzle of an unparalleled career *Approaching Autonomy: Post-socialist Conceptualism in Chinese Art* Yu-Chieh Li, 2025-06-18 This book explores works by key artists who shaped conceptualism in post Mao China Drawing from understudied archival materials and qualitative research it analyzes artistic struggles for autonomy re evaluating Robert Rauschenberg's 1985 exhibition in Beijing and Chinese artists exploration of appropriation affect dehumanization and collective practice since the 1980s A continuous development can be found in the politics and aesthetics of post socialism which has struggled to define its space for expression from the 1980s until today **Robert Rauschenberg** Robert Rauschenberg, 2008 The booklet provides a detailed description of the American artist's work series presented in the exhibition such as Cardboards Venetians Early Egyptians Made in Israel Hoarfrosts and Jammers and also includes an extensive bibliography on the subject and a short biography of the artist

Entangled Art Histories Valérie Mavridorakis, Alexander Streitberger, Hilde Van Gelder, Erik Verhagen, 2025-10-20 Throughout the Cold War era a sustained and intense dialogue developed between both the West and East German and the North American art scenes on artistic socio cultural institutional and economic levels Entangled Art Histories offers new insights into the complex and intertwined transatlantic networks that gradually emerged in the wake of movements such as Pop Art Minimalism and Conceptualism involving artists museums galleries curators critics and the art market The essays in this volume written by internationally renowned scholars address key issues ranging from travel and infrastructure to East West cultural policy during the Cold War By exploring the exhibition strategies controversial receptions and geopolitical concerns of these entangled histories this book contributes to a better understanding of the dynamic interplay between artists galleries and museums from a transnational perspective **Art Criticism and Modernism in the United States** Stephen Moonie, 2022-03-22 This study is an analysis of high and late modernist criticism in New York during the 1960s and

early 1970s Through a close reading of a selection of key critics of the period which will expand the remit beyond the canonical texts the book examines the ways that modernist criticism's discourse remains of especial disciplinary interest Despite its alleged narrowness and exclusion the debates of the 1960s raised fundamental questions concerning the nature of art writing Those include arguments around the nature of value and judgement the relationship between art criticism and art history and the related problem of what we mean by the contemporary Stephen Moonie argues that within those often fractious debates there exists a shared discourse And further contrary to the current consensus that modernists were elitist dogmatic and irrelevant to contemporary debates on art the study shows that there is much that we can learn from reconsidering their writings The book will be of interest to scholars working in art history modern art art criticism and literary studies

Performing Image Isobel Harbison, 2019-04-09 An examination of how artists have combined performance and moving image for decades anticipating our changing relation to images in the internet era In *Performing Image* Isobel Harbison examines how artists have combined performance and moving image in their work since the 1960s and how this work anticipates our changing relations to images since the advent of smart phones and the spread of online prosumerism Over this period artists have used a variety of DIY modes of self imaging and circulation from home video to social media suggesting how and why Western subjects might seek alternative platforms for self expression and self representation In the course of her argument Harbison offers close analyses of works by such artists as Robert Rauschenberg Yvonne Rainer Mark Leckey Wu Tsang and Martine Syms Harbison argues that while we produce images images also produce us those that we take and share those that we see and assimilate through mass media and social media those that we encounter in museums and galleries Although all the artists she examines express their relation to images uniquely they also offer a vantage point on today's productive consumptive image circuits in which billions of us are caught This unregulated all encompassing image performativity Harbison writes puts us to work for free in the service of global corporate expansion Harbison offers a three part interpretive framework for understanding this new proximity to images as it is negotiated by these artworks a detailed outline of a set of connected practices and a declaration of the value of art in an economy of attention and a crisis of representation

Modern Art Leo Steinberg, 2023-10-19 The fifth and final volume in the *Essays* by Leo Steinberg series focusing on modern artists Leo Steinberg was one of the most original art historians of the twentieth century known for taking interpretive risks that challenged the profession by overturning reigning orthodoxies In essays and lectures ranging from old masters to modern art he combined scholarly erudition with eloquent prose that illuminated his subject and a credo that privileged the visual evidence of the image over the literature written about it His writings sometimes provocative and controversial remain vital and influential reading Steinberg's perceptions evolved from long hard looking at his objects of study Almost everything he wrote included passages of formal analysis that were always put into the service of interpretation Following the series publication on Pablo Picasso this volume focuses on other modern

artists including C zanne Monet Matisse Max Ernst Jasper Johns Robert Rauschenberg Roy Lichtenstein Hans Haacke and Jeff Koons Included are seven unpublished lectures and essays Steinberg s landmark essay Encounters with Rauschenberg a survey of twentieth century sculpture and an examination of the role of authorial predilections in critical writing The final chapter presents a collection of Steinberg s humorous pieces witty forays penned for his own amusement Modern Art is the fifth and final volume in a series that presents Steinberg s writings selected and edited by his longtime associate Sheila Schwartz

Picasso Leo Steinberg,2022-06-24 The fourth volume in the Essays by Leo Steinberg series focusing on the artist Pablo Picasso Leo Steinberg was one of the most original art historians of the twentieth century known for taking interpretive risks that challenged the profession by overturning reigning orthodoxies In essays and lectures ranging from old masters to modern art he combined scholarly erudition with eloquent prose that illuminated his subject and a credo that privileged the visual evidence of the image over the literature written about it His writings sometimes provocative and controversial remain vital and influential reading Steinberg s perceptions evolved from long hard looking at his objects of study Almost everything he wrote included passages of formal analysis but always put into the service of interpretation This volume brings together Steinberg s essays on Pablo Picasso many of which have been studied and debated for decades such as The Philosophical Brothel as well as unpublished lectures including The Intelligence of Picasso a wide ranging look at Picasso s enduring ambition to stretch the agenda of representation from childhood drawings to his last self portrait An introduction by art historian Richard Shiff contextualizes these works and illuminates Steinberg s lifelong dedication to refining the expository interpretive and rhetorical features of his writing Picasso is the fourth volume in a series that presents Steinberg s writings selected and edited by his longtime associate Sheila Schwartz

Robert Morris Julia Bryan-Wilson,2013-08-09 Essays an interview and a roundtable discussion on the work of one of the most influential American artists of the postwar period This October Files volume gathers essays an interview and a roundtable discussion on the work of Robert Morris one of the most influential American artists of the postwar period It includes a little known text on dance by Morris himself and a never before anthologized but influential catalog essay by Annette Michelson Often associated with minimalism Morris b 1931 also created important works that involved dance process art and conceptualism The texts in this volume focus on Morris s early work and include an examination of a 1971 Tate retrospective by Jon Bird an interview with the artist by Benjamin Buchloh a conversation from a 1994 issue of October about resistance to 1960s art and an essay by this volume s editor Julia Bryan Wilson on the labor involved in installing the massive works in Morris s 1970 solo exhibition at the Whitney Spanning 1965 to 2009 these writings map the evolution of critical thought on Morris over more than four decades

Drawing Imagining Building Paul Emmons,2019-04-01 Drawing Imagining Building focuses on the history of hand drawing practices to capture some of the most crucial and overlooked parts of the process Using 80 black and white images to illustrate the examples it examines architectural drawing practices to elucidate the ways drawing advances

the architect's imagination Emmons considers drawing practices in the Renaissance and up to the first half of the twentieth century Combining systematic analysis across time with historical explication presents the development of hand drawing while also grounding early modern practices in their historical milieu Each of the illustrated chapters considers formative aspects of architectural drawing practice such as upright elevations flowing lines and occult lines and drawing scales to identify their roots in an embodied approach to show how hand drawing contributes to the architect's productive imagination By documenting some of the ways of thinking through practices of architectural hand-drawing it describes how practices can enrich the ethical imagination of the architect This book would be beneficial for academics practitioners and students of architecture particularly those who are interested in the history and significance of hand drawing and technical drawing

Theories and Documents of Contemporary Art Kristine Stiles, Peter Selz, 2012-09-25 An essential text in the field of contemporary art history it has now been updated to represent 30 countries and over 100 new artists The internationalism evident in this revised edition reflects the growing interest in contemporary art throughout the world from the U S and Europe to the Middle East Asia Africa Latin America and Australia

Imagery of Lynching Dora Apel, 2004 Outside of the classroom and scholarly publications lynching has long been a taboo subject Nice people it is felt do not talk about it and they certainly do not look at images representing the atrocity In *Imagery of Lynching* Dora Apel contests this adopted stance of ignorance Through a careful and compelling analysis of over one hundred representations of lynching she shows how the visual documentation of such crimes can be a central vehicle for both constructing and challenging racial hierarchies She examines how lynching was often orchestrated explicitly for the camera and how these images circulated on postcards but also how they eventually were appropriated by antilynching forces and artists from the 1930s to the present She further investigates how photographs were used to construct ideologies of whiteness and blackness the role that gender played in these visual representations and how interracial desire became part of the imagery Offering the fullest and most systematic discussion of the depiction of lynching in diverse visual forms this book addresses questions about race class gender and dissent in the shaping of American society Although we may want to avert our gaze Apel holds it with her sophisticated interpretations of traumatic images and the uses to which they have been put

Sensing Machines Chris Salter, 2022-04-19 How we are tracked surveilled tantalized and seduced by machines ranging from smart watches and Roombas to immersive art installations Sensing machines are everywhere in our world As we move through the day electronic sensors and computers adjust our thermostats guide our Roombas count our steps change the orientation of an image when we rotate our phones There are more of these electronic devices in the world than there are people in 2020 thirty to fifty billion of them versus 7.8 billion people with more than a trillion expected in the next decade In *Sensing Machines* Chris Salter examines how we are tracked surveilled tantalized and seduced by machines ranging from smart watches and mood trackers to massive immersive art installations Salter an artist scholar who has worked with sensors and computers for more than

twenty years explains that the quantification of bodies senses and experience did not begin with the surveillance capitalism practiced by Facebook Amazon Netflix and Google but can be traced back to mathematical and statistical techniques of the nineteenth century He describes the emergence of the sensed self investigating how sensor technology has been deployed in music and gaming programmable and immersive art environments driving and even eating with e tongues and e noses that can taste and smell for us Sensing technology turns our experience into data but Salter s story isn t just about what these machines want from us but what we want from them new sensations the thrill of the uncanny and magic that will transport us from our daily grind

Les Demoiselles d'Avignon and Modernism Maite Méndez Baiges,2022 The book meticulously analyses the history of the critical reception of avantguard art through the interpretations received by one of its greatest emblems Les Demoiselles d Avignon by Picasso 1907 Since Les Demoiselles has been considered over this century the true paradigm of Modern Art this book is fundamentally a sort of synthesis of the discourses about Modernism from formalism iconology Leo Steinberg s Other Criteria sociological the biographical and psychoanalytical theses cultural and historicist and lastly the impact of post structuralism and the feminist post colonialist and transnational interpretations The final chapter deals with the artistic versions of Les Demoiselles d Avignonmade by artists It is an essay on the different versions and identities of Modern Art and Modernism that have been produced throughout the last century
