Robeson Labors Forgotten Champion:

Robeson, Labor's Forgotten Champion Charles H. Wright, 1975 Ebony, 1975-10 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Paul Robeson and the Cold War Performance Complex** Tony Perucci, 2012-04-18 Two key performances by Paul Robeson shed light on the Cold War era **Paul Robeson** Ernest Kaiser, 1998 Compiled by the editors of Freedomways Tributes to Robeson in prose and poetry by his contemporaries Selections from Robeson's own writings Foreword to this edition by Ernest Kaiser Updated bibliography Paul Robeson Lindsey R. Swindall, 2013-02-07 Paul Robeson A Life of Activism and Art is the biography of an African American icon and a demonstration of historian Lindsey R Swindall's knack for thorough detailed research and reflection Paul Robeson was at points in his life an actor singer football player political activist and writer one of the most diversely talented members of the Harlem Renaissance Swindall centers Robeson's story around the argument that while Robeson leaned toward Socialism a Pan African perspective is fundamental to understanding his life as an artist and political advocate Many previous works on Robeson have focused primarily on his involvement with the US Communist Party paying little attention to the broader African influences on his politics and art With each chapter focused on a decade of his life this book affords us a fresh look at his story and the ways in which the struggles successes and studies of his formative years came to shape him as an artist activist and man later on Robeson's story is one not simply of politics and protest but of a man's lifelong evolution from an athlete to an entertainer to an indispensable man of letters and African American thought Swindall neatly outlines the events of Robeson's life in a way that freshly presents him as a man whose work was influenced by more than just his circumstances but by a spirit rooted in dedication to the African's place in American art and politics **The 20th Century O-Z** Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography *Working-Class Heroes* Mat Callahan, Yvonne Moore, 2019-09-01 Working Class Heroes is an organic melding of history music and politics that demonstrates with remarkably colorful evidence that workers everywhere will struggle to improve their conditions of life And among them will be workers who share an insight in order to better our lot we must act collectively to change the world This profusely illustrated treasury of song sheets lyrics photographs histories and biographical sketches explores the notion that our best hope lies in the capacity of ordinary working people to awaken to the need to emancipate ourselves and all of humanity Featuring over a dozen songwriters from

Joe Hill to Aunt Molly Jackson Working Class Heroes delivers a lyrical death blow to the falsehood that so called political songs of the twentieth century were all written by intellectuals in New York Many like Ella May Wiggins were murdered by the bosses Others like Sarah Ogan Gunning watched their children starve to death and their husbands die of black lung only to rise up singing against the system that caused so much misery Most of the songs collected here are from the early twentieth century yet their striking relevance to current affairs invites us to explore the historical conditions that inspired their creation systemic crisis advancing fascism and the threat of world war In the face of violent terror these working class songwriters bravely stood up to fight oppression Such courage is immortal and the songs of such heroes can still lift our spirits if we sing them today Featured in this twenty song collection are Sarah Ogan Gunning Ralph Chaplin Woody Guthrie Ella May Wiggins Joe Hill Paul Robeson John Handcox Aunt Molly Jackson Jim Garland Alfred Hayes Joseph Brandon and several anonymous proletarian songwriters whose names have been long forgotten though their words will never die
