the police inspector tears across town to run the crime scene He finds the body of a young woman who shows signs of blunt force trauma and a recently terminated pregnancy Attempts to identify the girl and to link her to three other bodies recently found in canals are futile The case goes nowhere but Resnick always remembers the night he missed Milt Jackson When another woman disappears Resnick reopens the case and finds that few places hold darker secrets than the black waters of the Nottingham canals *Cold Light* John Harvey,2012-02-14 A Christmas kidnapping puts British detective Charlie Resnick in the hot seat *Cold Light* is just about flawless The Washington Post Book World Working at the Nottingham public housing authority is miserable but Nancy Phelan knows that the tenants she services are worse off than her Consider Gary James whose family Nancy recently assigned to a new council flat He s got two children no work and no heat As Christmas approaches and his children shiver he vents his rage at Nancy After a two hour wait he smashes a chair to get her attention then locks them both in her office Police inspector Charlie Resnick breaks down the door before he has a chance to hurt her But hours later at the office Christmas party Nancy disappears Although Gary James is the logical suspect when the kidnapper starts sending the police department tapes Resnick fears that the New Year may herald a psychopath **Cutting Edge** John Harvey,2012-02-14 The brooding British detective returns in this moody revenge tragedy Harvey creates characters of astonishing psychological diversity The New York Times Book Review Karen Archer understands that women who date doctors should expect tardiness The last time she invited Tim Fletcher over he arrived from the emergency room exhausted and barely had time to say hello before he passed out on her bed Tonight her patience has run out After a bottle of wine and too much television she gives up on Fletcher and leaves the house to find her own fun but instead she finds Fletcher covered in blood sprawled across the steps near her building Karen runs to find the police not sure if Fletcher is alive or dead Despite his blood loss Fletcher survives Soon the attacker comes for other members of the hospital staff and police inspector Charlie Resnick must race to find him before the slasher graduates from assault to murder **100 Most Popular Contemporary Mystery Authors** Bernard A.
