

A black and white photograph of a construction site. In the foreground, there is a white pickup truck on the left and two construction workers walking on the right. The middle ground is filled with the skeletal steel frames of several buildings under construction. Two large tower cranes are prominent, their lattice structures reaching towards the top of the frame. In the background, a dense urban skyline with various skyscrapers is visible under a clear sky. The overall scene depicts a busy construction environment in a city.
