Shakespeare's A Midsummer Night's Dream A Prose Narrative:

Shakespeare's A Midsummer Night's Dream William Shakespeare, 1997 A simplified prose retelling of Shakespeare's play about the strange events that take place in a forest inhabited by fairies who magically transform the romantic fate of two young couples Includes two short scenes from the original play and suggestions for staging them [William Shakespeare's A Midsummer Night's Dream](#) Ratri Ray, 2008-03 A Midsummer Night's Dream Is Acclaimed As The Best Of The Early Comedies Of Shakespeare It Brings Together The Elements Of Romance Supernatural Forces And Earthy Common Sense In An Unprecedented Blend Of Magical Harmony The Present Study Aims At Making The Text More Accessible To The Serious Student Of Shakespeare Besides Providing The Socio Political Milieu Of Shakespeare's Time It Gives A Scene Wise Critical Summary Of The Text It Contains Numerous Citations From The Text Thus Providing Ample Opportunity For The Reader To Familiarise Himself With The Text The Analyses Of Different Elements Of Drama Are Accompanied With The Views Of Renowned Critics Classical Theories Of Comedy As Well As Elizabethan Comments Have Been Lucidly And Briefly Explained A Select Bibliography And Index Have Been Provided At The End The Book Is Highly Readable Self Contained And Comprehensive It Will Undoubtedly Prove An Invaluable Reference Book For Both Students And Teachers Of English Literature *Shakespeare's comedy of A Midsummer night's dream, with notes by S. Neil* William Shakespeare, 1878 **A Midsummer Night's Dream** William Shakespeare, 2005-03-08 Presents the annotated text of Shakespeare's dramatic comedy in which two sets of lovers get lost in the woods and become caught up in a dispute between the fairy king and queen along with a group of local actors preparing a play for Duke Theseus' wedding [Shakespeare's Comedy of a Midsummer Night's Dream](#) William Shakespeare, 1878 *Shakespeare on screen : a midsummer night's dream* Nathalie Vienne-Guerrin (éd.), Sarah Hatchuel (éd.), Ce livre a pour objet l'étude des représentations du Songe d'une nuit d'été la pièce ayant fait l'objet d'un colloque qui s'est tenu Rouen sous les auspices de la Société française Shakespeare Les plus grands spécialistes de Shakespeare et de Shakespeare au cinéma ont contribué à l'ouvrage Monolingue anglais le livre contient en outre une bibliographie exhaustive sur le sujet *The Routledge Research Companion to Shakespeare and Classical Literature* Sean Keilen, Nick Moschovakis, 2017-03-31 In this wide ranging and ambitiously conceived Research Companion contributors explore Shakespeare's relationship to the classic in two broad senses The essays analyze Shakespeare's specific debts to classical works and weigh his classicism's likeness and unlikeness to that of others in his time they also evaluate the effects of that classical influence to assess the extent to which it is connected with whatever qualities still make Shakespeare himself a classic arguably the classic of modern world literature and drama The first sense of the classic which the volume addresses is the classical culture of Latin and Greek reading translation and imitation Education in the canon of pagan classics bound Shakespeare together with other writers in what was the dominant tradition of English and European poetry and drama up through the nineteenth and even well into the twentieth century Second and no less central is the idea of classics as such

that of books whose perceived value exceeding that of most in their era justifies their protection against historical and cultural change The volume s organizing insight is that as Shakespeare was made a classic in this second antiquarian sense his work s reception has more and more come to resemble that of classics in the first sense of ancient texts subject to labored critical study by masses of professional interpreters who are needed to mediate their meaning simply because of the texts growing remoteness from ordinary life language and consciousness The volume presents overviews and argumentative essays about the presence of Latin and Greek literature in Shakespeare s writing They coexist in the volume with thought pieces on the uses of the classical as a historical and pedagogical category and with practical essays on the place of ancient classics in today s Shakespearean classrooms

Shakespeare and the Eighteenth Century Michael Caines,2013-10-31

OXFORD SHAKESPEARE TOPICS General Editors Peter Holland and Stanley Wells Oxford Shakespeare Topics provide students and teachers with short books on important aspects of Shakespeare criticism and scholarship Each book is written by an authority in its field and combines accessible style with original discussion of its subject This book considers the impact and influence of Shakespeare on writing of the eighteenth century and also how eighteenth century Shakespeare scholarship influenced how we read Shakespeare today The most influential English actor of the eighteenth century David Garrick could hail Shakespeare as the god of our idolatry yet perform an adaptation of King Lear with a happy ending add a dying speech to Macbeth and remove the puns from Romeo and Juliet Garrick s friend Samuel Johnson thought of Shakespeare as above all writers at least above all modern writers the poet of nature Voltaire thought he was a sublime genius without taste The Bluestocking Elizabeth Montagu meanwhile could be found arguing with Johnson s biographer James Boswell over whether Shakespeare or Milton was the greater poet Shakespeare and the Eighteenth Century traces the course of a many faceted metamorphosis Drawing on fresh research as well as the most recent scholarship in the field it argues that the story of Shakespeare in the eighteenth century has become a significant subplot in later scholarship made up of great debates about how to read Shakespeare and how to rank him among the great English writers how to perform his plays and how to edit the texts of those plays This book surveys the critical and creative responses of actors and audiences literary critics and textual editors painters and philosophes to Shakespeare s works while also suggesting how the Shakespeare of the theatre influenced the Shakespeare of the study and how other less straightforward interactions combined to bring about this sea change in English cultural life It speaks of the crucial role of Shakespeare in eighteenth century culture and the importance of that culture s absorption of Shakespeare for subsequent generations This is a book about what the eighteenth century did to Shakespeare and vice versa

A Midsummer Night's Dream Regina Buccola,2009-12-08 *A Midsummer Night s Dream* is one of Shakespeare s most widely studied comedies This guide offers students an introduction to its critical and performance history including notable stage productions TV and film versions as well as opera and ballet It includes a keynote chapter outlining major areas of current research on the play and four new critical essays Finally a guide to critical web based and

production related resources and an annotated bibliography provide a basis for further individual research

The Routledge Companion to Picturebooks Bettina Kümmerling-Meibauer, 2017-12-06 Containing forty eight chapters The Routledge Companion to Picturebooks is the ultimate guide to picturebooks It contains a detailed introduction surveying the history and development of the field and emphasizing the international and cultural diversity of picturebooks Divided into five key parts this volume covers Concepts and topics from hybridity and ideology to metafiction and emotions Genres from baby books through to picturebooks for adults Interfaces their relations to other forms such as comics and visual media Domains and theoretical approaches including developmental psychology and cognitive studies Adaptations With ground breaking contributions from leading and emerging scholars alike this comprehensive volume is one of the first to focus solely on picturebook research Its interdisciplinary approach makes it key for both scholars and students of literature as well as education and media

Shakespeare Survey: Volume 53, Shakespeare and Narrative Peter Holland, 2000-11-02 The theme for Shakespeare Survey 53 is Shakespeare and Narrative

Revisiting Shakespeare's Italian Resources Silvia Bigliuzzi, 2024-07-31 Revisiting Shakespeare's Italian Resources is about the complex dynamics of transmission and transformation of the Italian sources of twelve Shakespearean plays from The Two Gentlemen of Verona to Cymbeline It focuses on the works of Sir Giovanni Fiorentino Da Porto Bandello Ariosto Dolce Pasqualigo and Grotto as well as on commedia dell arte practices This book discusses hitherto unexamined materials and revises received interpretations disclosing the relevance of memorial processes within the broad field of intertextuality vis vis conscious reuses and intentional practices

Cornell University Announcements Cornell University, 1919

Shakespeare for Young People Abigail Rokison-Woodall, 2015-01-01 The search to find engaging and inspiring ways to introduce children and young adults to Shakespeare has resulted in a rich variety of approaches to producing and adapting Shakespeare's plays and the stories and characters at their heart Shakespeare for Young People is the only comprehensive overview of such productions and adaptations and engages with a wide range of genres including both British and American examples Abigail Rokison covers stage and screen productions shortened versions prose narratives and picture books including Manga animations and original novels The book combines an informative guide to these interpretations of Shakespeare discussed with critical analysis of their relative strengths It also includes extensive interviews with directors actors and writers involved in the projects discussed

Shakespeare and Greece Alison Findlay, Vassiliki Markidou, 2017-01-26 This book seeks to invert Ben Jonson's claim that Shakespeare had small Latin and less Greek and to prove that in fact there is more Greek and less Latin in a significant group of Shakespeare's texts a group whose generic hybridity tragic comical historical romance exemplifies the hybridity of Greece in the early modern imagination To early modern England Greece was an enigma It was the origin and idealised pinnacle of Western philosophy tragedy democracy heroic human endeavour and at the same time an example of decadence a fallen state currently under Ottoman control and therefore an exotic dangerous Other in the most disturbing

senses of the word Indeed while Britain was struggling to establish itself as a nation state and an imperial authority by emulating classical Greek models this ambition was radically unsettled by early modern Greece's subjection to the Ottoman Empire which rendered Europe's eastern borders dramatically vulnerable Focusing for the first time on Shakespeare's Greek texts *Venus and Adonis* *The Comedy of Errors* *A Midsummer Night's Dream* *Love's Labour's Lost* *Troilus and Cressida* *Timon of Athens* *King Lear* *Pericles* and *The Two Noble Kinsmen* the volume considers how Shakespeare's use of antiquity and Greek myth intersects with early modern perceptions of the country and its empire *Chinese Shakespeares* Alexander Cheng-Yuan Huang, 2009 This work concentrates on both Shakespearean performance and Shakespeare's appearance in Sino-ophone culture in relation to the postcolonial question Romance Dana Percec, 2012-03-15 *Romance* The History of a Genre is a collection of essays devoted to the highly popular and no less controversial genre of romance A genre often disregarded for its stereotypical language shallow characters and predictable plots dismissed as women's fiction accused of conventionalism romance is a genre which after ups and downs in its millennial history is now holding a leading position on the international bookselling market This achievement has also been possible with the endorsement of contemporary media and modern technology cinema television the Internet etc Much has been written in both traditional and more recent literary theory about the origins and evolution of the early forms of romance from the classical Antiquity through the Middle Ages and into the Renaissance and early modernity in Western Europe A corpus which is becoming more and more substantial today is already available about the gendered status of contemporary romance both in terms of the writing ethos and in terms of reader response with theories coming from the combined areas of feminism social sciences and psychoanalysis The aim of the present volume is that of noting the fluid character of the genre with the great number of subcategories mixed and hybrid bringing evidence to the polymorphous nature of contemporary popular culture This book proposes in four parts and twelve chapters a fascinating and multifaceted journey into the history substance and geography of romance From its origins to the latest developments from its subgenres to its features from print to film from television to Facebook romance comes in various shapes and colours which the reader can fully explore The journey in the world of romance takes the reader from familiar corners to less familiar ones from North America Great Britain Romania or Turkey to India or South Africa The numerous approaches to romance generate diverse data varied analytical frameworks and interesting fresh and solidly grounded findings Queens Matter in Early Modern Studies Anna Riehl Bertolet, 2017-11-08 The essays in this book traverse two centuries of queens and their afterlives historical mythological and literary They speak of the significant and subtle ways that queens leave their mark on the culture they inhabit focusing on gender marriage national identity diplomacy and representations of queens in literature Elizabeth I looms large in this volume but the interrogation of queenship extends from Elizabeth's historical counterparts such as Anne Boleyn and Catherine de Medici to her fictional echoes in the pages of John Lyly Edmund Spenser William Shakespeare Mary Wroth John Milton and Margaret Cavendish Celebrating and building

on the renowned scholarship of Carole Levin *Queens Matter in Early Modern Studies* exemplifies a range of innovative approaches to examining women and power in the early modern period *Shakespeare Survey: Volume 56, Shakespeare and Comedy* Peter Holland, 2003-10-16 Published with academic researchers and graduate students in mind this volume of the Shakespeare Survey presents a number of contributions on the theme of Shakespeare's comedies as well as the comedy in Shakespeare's other works **A Shakespeare Bibliography** Birmingham Shakespeare Library, 1971
