Kapic, 2019-03-05 Western Civilization is wealthier but it isn t happier We are the richest people ever to walk the face of the earth but according to research we aren t becoming happier Families and communities are increasingly fragmented loneliness is skyrocketing and physical and mental health are on the decline Our unprecedented wealth doesn t seem to be doing us much good Yet when we try to help poor people at home or abroad our implicit assumption is that the goal is to help them to become like us If they would just do things our way they d be fine But even when they seem to pursue our path they too find that the American Dream doesn t work for them What if we have the wrong idea altogether What if the molds we are using to help poor people don t actually fit any of us What if the goal isn t to turn other countries into the United States or to turn America s impoverished communities into its affluent suburbs In *Becoming Whole* building on the best selling *When Helping Hurts* Brian Fikkert and Kelly M Kapic look at the true sources of brokenness and poverty and uncover the surprising pathways to human flourishing for poor and non poor alike Exposing the misconceptions of both Western Civilization and the Western church about the nature of God human beings and the world they redefine success and offer new ways of achieving that success Through biblical insights scientific research and practical experience they show you how the good news of the kingdom of God reshapes our lives and our poverty alleviation ministries moving everybody involved

*Jesus, Deliver Us* Willard M. Swartley, 2019-06-04 Deliver us from the evil one is the heart's cry from the Lord's Prayer. Evil wears many faces in our modern world. This book connects the Lord's Prayer to troubles of our times be it attacks from Satan, the wars around the world, the scourge of racism or the mass shootings of our time. The subtitle of the book identifies the scope. This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government. While the book aims to be a biblical theology on these topics, it seeks also to address the praxis: how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers. The two streams of response to evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ's victory over Satan, sin, evil, and death. Love your enemy confronts evil with power to transform. Subject Guide to Books in Print, 1997. *Close Enough to Care* Pat Springle, 1991-02. **Families** Jerry B. Jenkins, 1993. Jenkins has selected writings from more than 50 counselors and well-known authorities to provide this celebration of family life. Offering guidance and direction, *Families* carries readers through a maze of topics and ideas, allowing them to examine unique perspectives and gain insight from many different sources. *Turning Points* Myrlene L. J. Hamilton, 1997. *Turning Points* addresses Christians who do not know or haven't admitted that they need recovery as well as those who are struggling with difficult issues in their lives. While humans are imperfect, God's grace is sufficient to provide the healing and the recovery that we all need. *Virtue*, 1992.
