and intent By placing publication contributions and contributors within their specific cultural social and political contexts Gimpel provides an astonishingly cogent picture of a reform through fiction project created and managed by a dedicated body of writers attempting to address the concerns of the day Xiaoshuo yuebao informed the growing reading public of national and international issues science and foreign lands Read in context the stories essays plays and poems published in its pages largely in the form of the new fiction that had been hailed as the sociopolitical cure all of the early twentieth century constitute a panorama of the reforms being discussed at the time at all levels of public and private life

Expatriate Adventures Fred Richardson, 2012-10 As a boy the author lived with his parents in Shanghai during the Japanese occupation of that region of China in the early 1930s. He recalls scenes from that long ago prelude to World War II: the Chinese wounded being trucked to a hospital through the French quarter where he lived; the silver Japanese biplanes with their red rising sun markings lined up at the airport after their aerial attacks; the sight of a burning Shanghai railway station. As a married adult, Fred resumed his expatriate life as an insurance executive in Latin America. He shares accounts of work at the office and family life with friends in countries where Marxist terrorists and revolutions fill life with problems of a unusual and exciting nature. **Shanghai**, 2005 Roots Reloaded. Jazz in China Eugene Marlow, 2018-07-23 Finalist for the 2019 Jazz Journalists Association Book of the Year About Jazz Jazz Awards for Journalism Is there jazz in China? This is the question that sent author Eugene Marlow on his quest to uncover the history of jazz in China. Marlow traces China's introduction to jazz in the early 1920s its interruption by Chinese leadership under Mao in 1949 and its rejuvenation in the early 1980s with the start of China's opening to the world under Premier Deng Xiaoping. Covering a span of almost one hundred years Marlow focuses on a variety of subjects: the musicians who initiated jazz performances in China the means by which jazz was incorporated into Chinese culture and the musicians and venues that now present jazz performances. Featuring unique face to face interviews with leading indigenous jazz musicians in Beijing and Shanghai plus interviews with club owners promoters expatriates and even diplomats Marlow marks the evolution of jazz in China as it parallels China's social economic and political evolution.

through the twentieth and into the twenty first century Also featured is an interview with one of the extant members of the Jimmy King Big Band of the 1940s one of the first major all Chinese jazz big bands in Shanghai Ultimately Jazz in China From Dance Hall Music to Individual Freedom of Expression is a cultural history that reveals the inexorable evolution of a democratic form of music in a Communist state Chinese Art Maxwell K. Hearn, Judith G. Smith, Metropolitan Museum of Art (New York, N.Y.), 2001 China's entry into the modern era was shaped by unprecedented internal turmoil and external pressures which brought a forceful end to two millennia of imperial rule and cultural insularity The essays in this volume offer a variety of perspectives on the impact of the West on indigenous literature architecture painting and calligraphy during this period ca 1860 1980 This book is published in conjunction with the exhibition Nineteenth and Twentieth Century Chinese Paintings from the Robert H Ellsworth Collection in The Metropolitan Museum of Art held at the museum from 30th January 19th August 2001 **Port of Last Resort** Marcia Reynders Ristaino, 2001 This book examines two large and generally overlooked diaspora communities one Jewish the other Slavic who found refuge in Shanghai during the tumultuous first half of the twentieth century *Shanghai* Riichi Yokomitsu, 2001 Published serially between 1928 and 1931 Shanghai tells the story of a group of Japanese expatriates living in the International Settlement at the time of the May 30th Incident of 1925 The personal lives and desires of the main characters play out against a historical backdrop of labor unrest factional intrigue colonialist ambitions and racial politics The author Yokomitsu Riichi 1898 1947 was an essayist writer and critical theorist who became one of the most powerful and influential literary figures in Japan during the 1920s and 1930s He looked to contemporary avant garde movements in Europe Dadaism futurism surrealism expressionism for inspiration in his effort to explode the conventions of literary language and to break free of what he saw as the prisonhouse of modern culture Yokomitsu incorporated striking visuality into a realistic mode that presents a disturbing picture of a city in turmoil The result is a brilliant evocation of Shanghai as a gritty ideological battleground and as an exotic landscape where dreams of sexual and economic domination are nurtured 上海 1997
