Bender,2016-05-05 First published in 1981 A Concordance to the Poems of John Keats intended to provide the user with a volume suitable to the varying and increasingly specialised interests of scholarship This title offers a high degree of inclusiveness that attends to the poems and plays the emended and authoritative headings and virtually all of the variant readings considered substantive in the riches of the Keats manuscript materials This title will be of interest to students of literature *The Big Jiggety* Michael Kent,2005-11-21 For more of Michael Kent s works please visit www.michaelkentwriterartist.com THE BIG JIGGETY a picaresque romantic humorous philosophical sociological mostly autobiographical novel relates the travels and travails of Albert Nostran An 18 year old American born and raised in the country outside 25 miles east of Paris his quest is to find America a woman and himself Lugging his guitar Don Pedro fleeing his cantankerous father well meaning mother and a brother he wants to turn into a fellow musician he braves disease fatigue cold and angst to land in Big Sky University in Missoula Montana to sink his teeth into the frozen American west Many aspects of US Montana life intrigue the protagonist yet Nostran retains a European sense of history and critical mind arguably a Tocqueville of the late 1970s he never misses an opportunity to comment on the local societal oddities and

contradictions Perhaps you were more French than you thought Damian his childhood friend tells the homesick hero in chapter one Before they launch off in an exploration of a bleak wintery nocturnal Paris during which Nostran loses his innocence in the arms of a prostitute After whom our hero believes he has contracted something nasty yet another little inconvenience he must face when flying back to Chicago via London And matters do not improve in the endless yet at times magical bus ride between Salt Lake City and Butte and he comes close to freezing trying to hitch hike along the wide open spaces between Butte and Missoula A few pills later the sex quest resumes Undaunted Nostran in his diaspora flirts with one woman and then another with precious little of the supposed Gallic related savoir faire Life at the university does harbor the excitement of weekends and dormitory life with its freshman friendships and na vet as well the tedium and occasional enlightenment of classes And extra curricular activities such as teaching dorm mates how to strum a guitar Against this background vivid characters are etched Threats the homophobic narcissistic football player Rotch another jock who after having learned guitar from Albert begins to ridicule his former mentor Up in Polson Mt we encounter Montcarlson and his wife the curious couple who originally recommended the university In Dubois Wyoming we meet Lancelot Wolf owner of the Salamander Ranch and Jim the bisexual bartender who reveals unexpected secrets about women the eager Nostran very quickly applies to Tweets the stocky femme fatale in the blue car he more than befriends on yet another glacial return to Missoula Bags repacked the last U S trek takes him and two others back east to Chicago and New York one American city whose intensity captivates him If the USA experience at times mystified the adolescent returning to France in the summer proves anticlimactic At first What the old country appears to lack in razzle dazzle it gradually makes up in terms of simplicity and deep rooted friendships Besides after a stint with translations Nostran cannot sit still for long Driving from his boyhood home in Seine et Marne a little east of Paris first up to Amsterdam with three rambunctious of old high school mates then down to the Spanish border via the Loire valley with the equally lust ridden Lecoq Hasien Nostran once again rediscovers the virtues of Europe and home At the very last minute when all sexual hope has been abandoned a young lady on the Saint Jean de Luz boardwalk asks him for a light She is not a prostitute and agrees to meet him the next day *All Around the World* William Ainsworth,1866 **A Detour of Love** Kristopher Paul,2022-07-11 A stranger becomes stranded in an unfamiliar town while traveling on a business trip Josh wasn t satisfied with his life even though he d experienced more success than most people before a turn of fate helped him realize how empty his life was Becoming stranded brings him into contact with Amy whom he rapidly falls in love with He quickly realizes that the town he initially wanted to get away from as fast as possible is a community that he never wants to leave Living with Amy and her parents causes him to question his previous sense of importance and allows him to connect and identify with the residents of the local community An idea of Amy s turns into an opportunity that many of the residents of the local community can benefit from and Josh learns how to be a concerned representative of his community *Gingerbread Thematic Unit* Daphne Ransom,2000-10 **Cooking to the Image** Elaine
